Gods Answer To Insufficient Funds:

God's Answer to Insufficient Funds Rod Parsley,1992 **The Answer: God's Covenants of Promise** John E. Hollywell,2015-10-28 Many years of biblical study have showed John E Hollywell that most people have never had an accurate explanation of biblical truths and do not know what an amazing inheritance the Bible says they may have once they make Jesus their Lord and Saviour The chaos the world suffers was foretold in the Bible Scientists offer explanations but governments politicians and educators have no answers as to why there is such poverty crime war disease mental health problems and other forms of misery in the world today Are there solutions to all of these issues Emphatically the author says Yes Hosea 4 6 says that Gods people are destroyed through lack of knowledge This book provides some such knowledge in a simple readable format The Answer God s Covenants of Promise will have achieved its purpose if it can open a readers eyes to see the Word of God as it was meant to be understood why seemingly good people worldwide are so hostile and inhumane to each other and who Jesus is and what was His true purpose for coming The Answer God s Covenants of Promise was written for everyone who might seek to know where humanity came from why we are here and where we go in the future into eternity The Answer God s Covenants of Promise seeks to answer such scientific evolutionary and spiritual questions as What is faith in God to be found through Jesus of Nazareth Gods son Falling in Love with God James Alfred Smith,Colleen

Birchett,1997-04-30 Daily activities crowd out time spent with God This book examines how to renew and maintain your vital fellowship and intimacy with your Heavenly Father 12 lessons Leader s guide available **Counterfeit Crime** R.T.

Naylor,2014-05-01 In Counterfeit Crime economist historian and criminologist R T Naylor dissects the costs economic social and political of the seemingly never ending wars on the grossly exaggerated menaces of Crime and Terror and how most things politicians do to combat them make matters worse for the public and the public good He explains how the post World War II welfare state with its commitment to building public infrastructure maintaining social security and providing accessible education gave way to the modern executive state with its focus on guaranteeing corporate welfare dropping bombs on countries too weak to fight back and manipulating the thoughts and actions of populations kept in line by the carrot of glitzy toys and the stick of ever heavier legal sanctions He dissects how the canons of free market fundamentalism backed by the cannons of state power paved the road toward a soft form of totalitarianism which march hand in hand with millennial Christianity and a military security industrial complex in search for new mostly imaginary enemies Counterfeit Crime is savage in its critique of the political and judicial status quo and outraged at an economy rife with corruption

Apostasy! Jeff Kluttz,2012-01-06 Apostasy is creeping into the church from televisions books and star personality tours of rich and blasphemous self proclaimed prophets of God many of whom are the most famous pastors and teachers in the U S These counterfeit shepherds teach that faith is a material substance more powerful than God accessible to all men and capable of creating anything man s heart can desire by the mere utterance of faith filled words This doctrine has leached into

all areas of the theological systems of what are known as Word of Faith churches Virtually every major area of systematic theology in this movement has been taken captive by the repercussions of this primordial error In this heresy God is limited Man is unlimited Satan fills a necessary role in atonement for sin Health wealth power and all means of temptation are heralded as virtues of the faith while millions empty their bank accounts for the promise of such ambition Preying on the poor and desperate this movement is systematically fulfilling biblical prophecies concerning a latter day apostasy within Christendom

Stewards of God Milo Kauffman,2001-12-28 The great promises of God in his word to his faithful stewards are by no means idle words nor exaggerations God is still waiting to open the windows of heaven and pour out his blessings Kauffman examines the implications of the Bible s teachings regarding the proper stewardships of our lives our abilities and our possessions His emphasis is much broader than money but he makes a vigorous plea for increased giving and assures the reader of new blessings from God Is it fair for one family to have more food than they can eat more money than they can spend more clothes than they can wear and more houses than they can live in while other families have no food to eat no money to spend only rags to wear and no roof over their heads Christian stewardship demands that we share and that we teach others to share Energy crises depletion of natural resources and the hunger in the world call into question the morality of affluence If humanity is to survive we must become better stewards Those who read this book will develop a new appreciation for God s generosity to us and a new sense of responsibility for making the best use of his gifts **God's**

Miracle Anointing Rod Parsley,1999 **The Good News We Almost Forgot** Kevin L. DeYoung,2010-04-01 If there is nothing new under the sun perhaps the main task now facing the Western church is not to reinvent or be relevant but to remember The truth of the gospel is still contained within vintage faith statements Within creeds and catechisms we can have our faith strengthened our knowledge broadened and our love for Jesus deepened In *The Good News We Almost Forgot* Kevin DeYoung explores the Heidelberg Catechism and writes 52 brief chapters on what it has shown him The Heidelberg is largely a commentary on the Apostle s Creed the Ten Commandments and the Lord s Prayer and deals with man s guilt God s grace and believers gratitude This book is a clear headed warm hearted exploration of the faith simple enough for young believers and deep enough for mature believers DeYoung writes The gospel summarized in the Heidelberg Catechism is glorious its Christ gracious its comfort rich its Spirit strong its God Sovereign and its truth timeless Come and see how your soul can be warmed by the elegantly and logically stated doctrine that matters most We are great sinners and Christ is a greater Savior **Making Merchandise of You** Daniel Roberts Ph.D,2014-02-18 Why are we short on honest holy men in the ministries in this generation Is it the will of God for the believers in Christ to seek after riches The truth is God wants us to be happy He said to Moses Happy are thou O Israel who is like unto thee O people saved by the Lord the shield of thy help and who is the sword of thy Excellency And thy enemies are found to be liars unto thee and thou shalt tread upon their high places Deuteronomy 33 29 KJV God is the source of our happiness We have all heard the testimonies of miraculous financial

blessing Can we trust them Why are few financially delivered and many are not Why are not all Christians rich I humbly recommend this book to pastors and ministers and all Christian workers to find peace and joy and contentment as they deal with financial stewardship **Straight Answers to 21 Honest Questions about Prayer** Charles Simpson,2013-09-01

studying his comments on finance in the context of the whole work and scrutinizes other chiefly epigraphic evidence as well Her comprehensive inspection of the Archaeology Pentekontaetia and history of the Archidamian War demonstrates that the role of financial resources is central to Thucydides ideas about naval power and figures prominently in his speeches and narrative The accumulation of chremata or money and its relationship to nautikon or the fleet provide a key for analysis Kallet Marx s research reveals an important stage in the historical development of thought about state power wealth and imperialism Her book will greatly interest classicists as well as scholars of ancient economics This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1993
