Smith,2014-11-15 Gods Plan of Creation Written for All Gods Children Who Want to Know and Are Not Afraid to Think offers scripturally informed answers to questions arising in peoples minds as they wonder about the nature of God and His designs for all of creation By using a three part structure that examines the Siege the Legacy and the Story Robert N Smith brings to bear both his long study of the Scriptures and his insights to provide guidance for all who want to know and are not afraid to think The first part the Siege

presents an inquiry and review of humanity's continuing efforts to gain hold of its Legacy. The focus of the second portion of God's Plan of Creation, the Legacy, entails the gifts that God has chosen to give to humanity and that people today have received from the hands of their forebears in the faith. Finally, the Story displays a visual timeline of creation, plotting out key points of theology and cosmology. It is laid out landscape; therefore, it does not fit the book format. Part 3 is in progress and will follow soon. If you see the world in all its beauty, complexity, and diversity and you find yourself wondering about the God who made all things and about His desires for how humanity fits into His plans, then God's Plan of Creation, Written for All God's Children Who Want to Know and Are Not Afraid to Think, will pour out insights worth pondering. It takes a fearless and eyes wide open look at God and His plans and invites you to join in a journey of vision and discovery. *The 7 Hardest Things God Asks a Woman to Do* Kathie Reimer, Lisa Whittle, 2007-02-15.
