

Evangelical Christians' Belief: Scripture Written by God's Influence - Essay Sample Essay

Introduction

Based on the course materials provided, evangelical Christians believe that all writings in the Bible are inspired. Their perception is that the Holy Spirit influenced the authors of the Bible to write based on what God wanted. (Isaiah 55:11). This perception means that despite the Scripture being written based on the writer's personality, mostly expounded in their writing; the word is influenced by the Holy Spirit to reveal God's word (2 Timothy 3:16-17). What one can gather through this perception is that the Scripture is designed to be trustworthy, reliable, and authoritative. Christian theology defines the inerrancy of the Bible as an absence of errors and the inability to be wrong (Isaiah 40:8; Matthew 24:35). This belief comes with the notion that God inspires the Bible, and that notion attests to its authoritative nature. According to Evangelical Christians, the Bible contains no error and is God's "self-disclosure," proof of its divine authority (Psalm 19:7-9; John 1:1).

From my point of view, based on what I have experienced and learned in my Christian life and through this course, I can agree with the above doctrine. I believe that the Bible is God's words and that the Holy Spirit inspired those authors who took part in writing the word. With this belief and its inerrancy, I have trust in the Bible and acknowledge that if the Bible is the word of God, then there is no possibility of it containing errors. It confirms God's authoritative nature, as well. In the book of Hebrews 4:12, according to Apostle Paul, God's word is "alive and active" and "sharper than any double-edged sword." Refusing to accept that which is written, especially when God inspires it, is like refuting God's authority.

God, the Holy Trinity

The Holy Trinity is viewed as a union between God the Father, God the Son, and God the Holy Spirit (2 Corinthians 13:14; Matthew 28:19; John 14:10; 1 John 5:7). According to McGrath (2018), the doctrine of the Holy Trinity is elaborated in three beliefs; the first belief is that God created the world "with order and form" (McGrath, 2018, p 128). The other theory is that Jesus Christ is the redeemer of the world, based on God's authority (John 1:14; John 10:30); and the third is that God is omnipresent, He is everywhere, and His presence is a form of encouragement and guidance to his believers. Evangelical Christians believe that He is the creator who takes care of all His believers and is ever-present in the way of the Holy Spirit. Also, God is the Father of all humanity, including Jesus Christ (Ephesians 4:6). In McGrath's view, God's nature is involved, making it challenging to explain His life because it would not "do justice to the profound and multifaceted witness to God found in the Bible" (McGrath, 2018, p 130).

My opinion about the doctrine of the Holy Trinity and God's main role is following McGrath, which is that God cannot be understood in simplicity. His nature is complex and diverse, having numerous roles. Other than being a creator, He is also a redeemer, a Father, and a Shepherd, among other roles (Genesis 1:1; Psalm 100:3; John 15:26; Galatians 4:6; Revelation 1:8). Even though the doctrine

Preaching as the Word of God Sam Chan,2016-07-12 According to the Reformers preaching is the word of God As the word of God preaching is a foundation for the church It is also vital for the personal growth of a Christian But Christians are poorly equipped to understand how preaching is the word of God Some Christians look for preaching that closely reproduces the text in the Bible Other Christians look for preaching that creates maximal emotional and existential impact And there is a lot of name calling with Christians accusing preachers of not preaching the word But what type of preaching is the word of God The purpose of this book is to equip Christians to understand how preaching can be God speaking It accomplishes this with a survey of the problem in the history of the church a detailed overview of key biblical texts and finally the application of the contemporary philosophical tool of speech act theory Eastern Orthodox Theology Daniel B. is sermon preparation But what if all sermon preparation is actually theology This book pursues a thoroughgoing theological vision for the practice of preaching as a way of doing theology The idea is not just that homiletics is the realm of theological application That would leave preaching in the position of simply implementing a theology already arrived at Instead the vision in these pages is of a form of theology that begins with preaching itself its practice its theories and its contexts Homiletical theology is thus a unique way of doing theology even a constructive theological task in its own right Homiletician David Schnasa Jacobsen has assembled several of the leading lights of contemporary homiletics to help to see its task ever more deeply as theological yet in profoundly diverse ways Along the way readers will not only discover how homileticians do theology homiletically but will deepen the way in which they understand their own preaching as a theological task

Christian Life and Practice Owen C. Thomas, 2009-01-01 This book is a study of the Christian life and the practice of Christians and the church from an Anglican perspective It begins with an analysis and explication of the structure and process of the Christian life before God in the church and the world involving a five fold rule of life and the relation of this to spiritual direction This is followed by an analysis and critique of the current spirituality movement which arose in the 1970s and which has come to dominate and mislead the churches A sequel to the latter explains the origin of the spirituality movement in the current Romantic movement that arose in the 1960s and has influenced all aspects of our culture with ambiguous results Next there is a critique of contemporary parish ministry as practiced in residential parishes that at best ministers only to the private lives of its members followed by a fictional story of such a residential parish that suggests a new departure in parish ministry Then there is a critique of preaching in the Episcopal Church that is generally considered to be poor and a proposal of a way to overcome this The concluding three chapters treat a fundamental problem in our approach to private prayer and a way to resolve this a proposal for a way to overcome the current impasse in the Anglican Communion concerning homosexuality and a meditation on the responsibility of Christians in public life **The Cumulative Book Index**, 1984 A world list of books in the English language Paperbound Books in Print 1995 Reed Reference Publishing, R5ference Reed, 1995-12 **Paperbound Books in Print**, 1992
