Gods New Testament Economy:

God's New Testament Economy Witness Lee, God's New Testament Economy is a thorough study of the New Testament It does not provide superficial inspiration nor is it a dry systematic analysis However in this book Witness Lee presents a revelation of the Triune God's plan that will both inform and encourage the reader to pursue a full experience of our wonderful Triune God **The Mysteries in God's New Testament Economy** Witness Lee,1990-06 God's New Testament Economy Witness Lee,1986 *The Economy of God and the Building Up of the Body of Christ* Witness Lee,1989

Economy of God, The Witness Lee,1995 **The Economy and Dispensing of God** Witness Lee,1990-11 **The Economy of God and the Mystery of the Transmission of the Divine Trinity** Witness Lee,2001-08-01 The first three chapters of this book give a general discussion of four great matters in the Bible the economy of God the dispensing of God the union of God with His believers and the corporate expression of God The subsequent chapters go on to explain the profound truths and the experience of life related to these four great matters according to the book of Ephesians the Gospel of John and the Gospel of Matthew Following this the book proceeds to offer guidance to all those who have a heart to serve the Lord full time concerning the building up of themselves in the matters of life truth character learning languages knowing the church living a healthy life and managing personal finances as living witnesses of the Lord so that they may become useful vessels in the Lord's hands **The God-Ordained Way to Practice the New Testament Economy** Witness Lee,1987-09-01 Crucial Elements of God's Economy Witness Lee,2006-04-01 In this book we have seen a number of crucial matters First we need to spend time in the Word every day for the word in the Bible embodies God Christ the Spirit and life The word and the Spirit are composed of Christ His terminating death and His enlivening resurrection Every portion in the Bible is either the word of the cross or the word of life We also need to see that the Lord's recovery is simply the recovery of Christ Himself as everything to us If we see this we will drop all concepts ways activities and organization and simply cleave to Christ in everything Furthermore we need to realize that God's economy is God coming into us and that godliness is God flowing out of us If we see and practice these things we will live under the law of freedom We need to review all these matters fellowship concerning them and practice them until they are wrought into our being Then the church will be uplifted and enriched and will grow unto maturity **The Economy of the Covenants Between God and Man** Herman Witsius,1803 *The Holy Word for Morning Revival - The Recovery of the Priesthood for God's Building* Witness Lee,2015-04-06 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the International Training for Elders and Responsible Ones held in Anaheim California on March 27-29 2015 The general subject of the training was The Recovery of the Priesthood for God's Building Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ The Divine Economy
