*Universal Wisdom for the Golden Age* D. M. Langdon, 2014. Universal Wisdom for the Golden Age is D. M. Langdon's second book. As with her first book *A Treatise on the Soul*, D. M. Langdon reports she is not the author, merely the scribe. This will be immediately apparent to you, the reader, as you absorb the profound spiritual truths provided. D. M. Langdon is a Spiritualist Medium from Melbourne, Australia. The channelled wisdom received is from two higher spiritual sources. The first source has provided the beautifully descriptive prose which conveys a biblical era. This poetic wisdom is seamlessly combined with the wisdom received from the second source, a universal visitor to Planet Earth from a spiritually advanced race of beings. This being is one of many who continue to visit Planet Earth to help positively influence mankind's choices. The combined wisdom channelled in this book is a beautiful blend of loving grace, spiritual truth, compassion and understanding. It is all about mankind's choices. Mankind is at the crossroads and we are all requested to awake from our slumber of apathy in order to survive the many changes that will challenge us in the coming decades. The book discusses mankind's collective responsibility for the devastation of Planet Earth, the impending changes to our solar system and the many choices and tests mankind endures on the long journey of our souls ever upwards, ever forwards in our progression to the light. This book is a gift to mankind.

*Golden Thoughts* Judy Lynne,2016-03-29 This book includes the answer to one of the most frequently asked questions about God If God is so loving why does He allow bad things to happen to good people or anyone else for that matter in their lives Having a deep mind and using critical thinking is very important when you are trying to achieve wisdom When you use this in conjunction with being guided by the Holy Spirit you can really achieve high areas of knowledge and wisdom it is like having an inner compass inside of you that steers your path of where to go and helps you with every decision that you need to make in life So when doing things that are related to something spiritual God will always lead you to where and what you are supposed to do It is a matter of an ongoing process to continue to achieve wisdom on a consistent basis until that time when God wants you to begin to use that culminated wisdom in the way that He sees fit to help others The important thing is to have a connection to your soul as well as daily communication with God If you re always in tune with

your soul it will help you attain peace in a larger way in your life and it will also help you find your own path and purpose that you are supposed to achieve Therefore the only way to get to this specific goal is to let your soul lead you directly in all areas of life By doing this you will be in balance within your inner self and it will allow you to have a level of happiness and joy and bliss that you can get from no other Earthly thing in life      **Golden Treasury for the Children of God** Carl Heinrich von Bogatzky,2009      A Golden Treasury, for the Children of God, Whose Treasure is in Heaven; Consisting of Select Texts of the Bible, with Practical Observations in Prose and Verse, for Every Day in the Year; with Some Alterations and Improvements by Various Hands, Etc ,1793
