God's Promises for Every Day Jack Countryman, A. L. Gill, 1996 Here is help and support when you need it immediate helpful answers to your daily challenges 20 Things God Can't Do Criswell Freeman, 2013-08-27 Because He is all powerful God can do all things However God most certainly does not do all things In truth there are some things that He will not do indeed cannot do because He has promised not to do them This text examines 20 promises from Gods Holy Word and the implications of those promises For example God has promised never to withhold forgiveness when we ask for it And He has promised not to allow us to experience greater temptation than we can endure These and other Bible truths are examined in this inspirational text Philippians John Paul Heil, 2010 This volume employs a text centered literary rhetorical and audience oriented method to demonstrate how the implied audience of Philippians are persuaded and exhorted by the dynamic progression of the letter's chiastic structures to rejoice along with Paul and other believers in being conformed with

all of the broad implications of such conformity to Christ This reading assumes that Philippians is a single unified letter written to be read and heard in a public setting as an oral performance substituting for the personal presence of the imprisoned Paul and it proposes new chiastic structures for the entire letter as a key to understanding it Publisher's description
