Gods Way Of Peace:

God's Way of Peace Horatius Bonar, 1899 **God's Way of Peace** Horatius Bonar, 2025-05-30 Making peace with God is the most important thing in your whole life And there is a reason for that your sinful nature and your personal sins You may be thinking that there may be other ways to make peace with God but the Bible says there is only one way and that is Jesus Christ This book explains the way to peace with God in a language that is accessible to anyone who truly desires salvation This book was originally published in 1861 This edition has been proofread typeset for eBook readers and updated for modern readers God's Way of Peace - A Book for the Anxious Horatius Bonar, 2011-07-08 God s Way of Peace was written by the great Scottish preacher Horatius Bonar of the nineteenth century God s Way of Peace is a valuable treatise on the way of salvation One of the best defenses against legalism ever written Bonar s book is also a winsome presentation of the gospel Its value comes mostly from its great ability to deal with the numerous and clever barriers that men create to keep themselves from the freedom of the salvation of Christ Bonar had a passionate heart for revival and was a friend and supporter of several revivalists He was brother to the more well known Andrew Bonar and with him defended D L Moody s evangelistic ministry in Scotland He authored a couple of excellent revival works one including over a hundred biographical sketches and the other an addendum to Rev John Gillies Historical Collections bringing it up to date As a powerful soul winner Bonar was well qualified to pen this brief but illuminating study of the character of true revivalists With his brothers and fellow ministers Andrew and James and other well known ministers such as Thomas Chalmers William C Burns and Robert Murray M Cheyne Horatius Bonar was closely involved in the important spiritual movements which affected many places in Scotland in the 1830s and 1840s In the controversy known as the Great Disruption Horatius stood firmly with the evangelical ministers and elders who left the Church of Scotland s General Assembly in May 1843 and formed the new Free Church of Scotland By this time he had started to write hymns some of which appeared in a collection he published in 1845 but typically his compositions were not named His gifts for expressing theological truths in fluent verse form are evident in all his best known hymns but in addition he was also blessed with a deep understanding of doctrinal principles Examples of the hymns he composed on the fundamental doctrines include Glory be to God the Father on the Trinity O Love of God how strong and true on Redemption Light of the world Rejoice and be glad Done is the work on the Person and Work of Christ Come Lord and tarry not on His Second Coming while the hymn Blessed be God our God conveys a sweeping survey of Justification and Sanctification Bonar also helped to arrange D L Moody s Edinburg meetings in 1873 and was appointed as moderator of the Free Church several year before his death in 1889 **God's Way of Peace: a Book for the Anxious ... Second Thousand** Horatius Bonar, 1862 **God's Way of Peace** Horatius Bonar, 1878 God's Way of Peace Horatius Bonar, 2021-03-05 This book for those who are anxious gently directs our eyes back to Jesus Taking the whole message of the gospel Horatius Bonar shows us that although we cannot save ourselves by our character or our works we can have peace in

the finished work of Jesus Christ **God's Way of Peace; a Book for the Anxious** Horatius Bonar, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1878 edition Excerpt You say I am not satisfied with the Hhh tives that have led me to seek Christ they are selfish That is very likely The feelings of a newly awakened sinner are not disinterested neither can they be so You have gone in quest of salvation from a sense of danger or fear of the wrath to come or a desire to obtain the inheritance of glory These are some of the motives by which you are actuated How could it be otherwise God made you with these fears and hopes and he appeals to them in his word When he says Turn ye turn ye for why will ye die he is appealing to your fears When he sets eternal life before you and the joys of an endless kingdom he is appealing to your hopes And when he presents these motives he expects you to be moved by them To act upon such motives then cannot be wrong Nay not to act upon them would be to harden yourself against God s most solemn appeals Knowing the terror of the Lord wo persuade men 2 Cor v 11 says Paul It cannot be wrong to be influenced by this terror The remnant were affrighted and gave glory to the God of heaven Rev xi 13 This surely was not wrong The whole Bible is full of such motives addressed to our hopes and fears When was it otherwise Among all the millions who have found life in Christ who began in any other way or from any higher motive 1 Was it not thus that the jailor P began when the earthquake shook his soul and called up before his conscience the everlasting woe Was it not a sense of danger and a dread of wrath that made him ask What shall I do to be saved f And did the apcstle rebuke him for this Did he refuse to answer his anxious question because his motive was so selfish No He answered at once Believe on the Lord Jesus **God's Way of Holiness** Horatius Bonar, 2016-04-25 THE WAY OF PEACE and the way of holiness lie side by side or rather they are one That which bestows the peace imparts the holiness and he who takes the one of these takes the other also The Spirit of peace is the Spirit of holiness The God of peace is the God of holiness If at any time these paths seem to go asunder there must be something wrong wrong in the teaching that makes them seem to part company or wrong in the state of the man in whose life they have done so They start together or at least so nearly together that no eye save the divine can mark a difference Yet properly speaking the peace goes before the holiness and is its parent This is what divines call priority in nature though not in time which means substantially this that the difference in such almost identical beginnings is too small in point of time to be perceived by us yet is it not on that account the less distinct and real The two are not independent There is fellowship between them vital fellowship each being the helpmeet of the other The fellowship is not one of mere coincidence as in the case of strangers who happen to meet on the same path nor of arbitrary appointment as in the case of two parallel roads but of mutual help and sympathy like the fellowship of head and heart or of two members of one body the peace being indispensable to the production or causation of the holiness and the holiness indispensable to the maintaining and deepening of the peace He who affirms that he has peace while living in sin is a liar and the truth is not in him He who thinks that he

has holiness though he has no peace ought to question whether he understands aright what the Bible means by either the one or the other for as the essence of holiness is the soul's right state toward God it does not seem possible that a man can be holy so long as there is no conscious reconciliation between God and him A spurious holiness there may be founded upon a spurious peace or upon no peace at all but true holiness must start from a true and authentic peace **Peace Within Through God's Way** John H. Dolcater Jr., 2019-04-16 I want to encourage committed Christians Sunday church attendees and nonbelievers to search for a deeper sense of understanding of how and where to find the peace within themselves Remember each of us has both a gift and a purpose that we should fulfill and utilize as we proceed on our life's journey Always do your best to exhibit to others in your countenance and your actions that you are a follower of Jesus Let patience faithfulness love mercy and self control be exercised on a consistent basis If we follow this pathway in a conscientious manner others will be interested in our realm of happiness and peace of mind It's equally important for us to read the Bible on a regular basis to both deepen our faith and to learn and be able to explain to others the promises of God that broaden our understanding and commitment By following this initiative we will bring others to Christ and at the same time deepen our own faith and commitment Most importantly have a purposeful prayer connection with our Lord Open your heart in praise and thanksgiving for the blessings that have been extended to you and your family Ask humbly for forgiveness for the transgressions that you have committed through the week Only then ask for the needs or desires that you feel will lead you to a more committed life for God and the Lord Jesus Christ Ask the Lord for guidance as you proceed forward in your quest to learn more and to gain understanding and experience in your own personal closeness with God As you feel purpose for yourself do not be selfish but enthusiastically share your peace of mind with others May the unfolding of my words ignite your search for the true riches of peace of mind through your faith and reliance in Jesus Christ *The Way of Peace* James M. This book is devoted to recovering the truth and vitality of Christian faith by attempting to trace the ways of God with the modern world Professor Hardy contends that the profundity of God s interaction with the world despite centuries of valuable contemplation can best be understood by addressing those aspects of human thought which often give modern life its vitality These are the very features with which theology has tended to lose touch but which here are explored as areas in which the character and purposes of God may be manifest Following the example of the great eras of theological understanding in the past this book seeks a new and deeper synthesis of faith theology and other disciplined forms of life and thought to recover the dynamic of God s life and work in and from them As it does so it concentrates on the heartlands of Christian faith worship the Triune God and the activity of God in the world in language and cultures in cosmology and the human being in society and the form of the Church and in the forms of human understanding scientific historical cultural religious and theological The result is an uncompromising study which attempts to show the possibilities for a theology which becomes more fully realised by discovering and following the ways of God with the modern world The God of Peace John Dear,2005-03-08

The God of peace is never glorified by human violence Thomas Merton The God of Peace John Dear's classic theology of nonviolence broke new ground when it was first published as a breakthrough toward a new understanding of scripture theology social concerns and churches issues from the perspective of Gospel nonviolence in the tradition of Mahatma Gandhi Martin Luther King Jr and Dorothy Day This ground breaking study begins not just with the culture of violence but the nonviolence of God and the revolutionary nonviolence of Jesus From the start John Dear explores traditional areas of theology such as Christology Trinitarian Theology anthropology sin redemption theodicy salvation ecclesiology eschatology spirituality liturgy Catholic social teaching the just war theory feminism liberation theology and the consistent ethic of life This text will help university and theology students pursuing the theology and spirituality of nonviolence as well as ordinary Christians and activists interested in the crucial connection between war and violence and God and nonviolence *Access and Release God's Peace* Paul Martini, 2019-08-06 During one of the most painful and fragile points of his life with his dreams as a young husband and dad having taken a nosedive Paul Martini was depressed and feeling hopeless But since then he says God has turned his mess into a message and given him life lessons about the power of peace In his fortifying debut generous with first person stories and illustrations Martini explores biblical secrets that will sustain you through life's storms and help you overcome them including peace is a person peace is a position peace is protection peace is powerful and more Discover the power of God's peace to sustain you through the storms that challenge your destiny Includes a foreword from Randy Clark

God's Way of Peace Horatius Bonar, 2019-06-18 In this manual of Christian faith Scottish minister and author Horatius Bonar investigates the words of God with respect to the human condition Throughout the Bible God's words are relayed by messengers and prophets In the various dialogues received from the Lord the views of the divine regarding His creation mankind are revealed It is through these descriptions that Horatius Bonar commences his investigation of God's correspondences with man gradually the character of the Lord is revealed and his intentions and purposes for humanity unveiled The event which most richly demonstrates God's connection with human beings is the birth and life of Jesus Christ Bonar notes the significance of the blood shed by Jesus is connected with the blood shed by Abel during the Book of Genesis Furthermore the teachings and sermons of Christ reveal God's views on mankind and its destiny The importance of man acknowledging his own fallibility and flaws of discarding his insensibility is expounded upon *God's Way of Peace* Bonar Horatius, 2020-04-15 Both a work of theology and psychology Calvinist revivalist Horatius Bonar guides readers from the universal human need for repentance and faith to the peace that passes all understanding that comes from communion with Christ Probably there has never been a generation more determined to achieve peace than our own The multiplicity of organisations which have been formed in recent years to seek to deal with international and civil unrest industrial strife and conflicts within the home bear witness to this fact And yet the situation appears to grow steadily worse The reason lies in the fact that men and women have failed as individuals first to make their peace with God their Maker From this alone will flow

the much sought peace between man and man Horatius Bonar's long life spanned most of the last century and for well over fifty years he exercised an active and powerful ministry in Scotland
