Seven Days Verses Seven Years Karen Swann,2009-09 Many times we have said that we want to excel and become the best in all that we do in our lives Through the struggles and hardship we push pass the negativity and aim our way to success We start out trying to accomplish what we have long dream of and it seems like the more we try the harder it gets Let s remember that it is not that we have fail at what we do but one thing we cannot denied that indeed we are lacking the knowledge wisdom and power in all the things that we would want to accomplish Since that is the case and we know where our problem lies we can now stop beating ourselves up Not because our problems got worst mean that we are a failure but certainly we have to understand that we are lacking what is needed to get ahead in our walk with God Often time s people try to hinder us and stop us from moving forward Even though this has been known to be a fact if we are honest with ourselves we can say that we are our own worst enemy So let us be encourage and begin walking in our Purpose and fulfill our Destiny Knowing that God has given us everything that we would need to succeed and it is up to us to grab hold of what he has already made available to us KAREN SWANN is a Preacher Teacher an Encourager and Author Karen focuses on family values the ministry of Jesus Christ building up the kingdom and she has a passion for souls and for seeing people being delivered and set free
