God's Whisper, Creation's Thunder Brian Hines, 1996 Thoughtful convincing and highly accessible to the nonscientist

The Cosmic Game Stanislav Grof, 1998-03-19 In this his culminating work the leading international figure in consciousness research masterfully synthesizes his vast findings drawing not only upon psychedelic therapy and Holotropic Breathwork but also from literature cross cultural studies ancient mystical sources and psychological data resulting in a profound consolidation and articulation of what is now known about nonordinary states of consciousness The Cosmic Game discusses the broadest philosophical metaphysical and spiritual insights gleaned in Grof's research concerning human nature and reality addressing the most fundamental questions human beings have asked about the nature of existence since time immemorial Insights from research into nonordinary states of consciousness portray existence as an astonishing play of the cosmic creative principle that transcends time space linear causality and polarities of every kind and suggest an identity of the individual psyche in its furthest reaches with the universal creative principle and the totality of existence This identity of the human being with the Divine is the ultimate secret that lies at the core of all great spiritual traditions What moves this book into the status of a classic is that it is in substantial agreement with the world's great wisdom and spiritual traditions This modern corroboration of the perennial philosophy is a stunning achievement and deserves publication to the widest audiences Ken Wilber author of Up from Eden A Transpersonal View of Human Evolution and The Atman Project A Transpersonal View of Human Development The Cosmic Game is the latest and best of Stanislav Grof's extraordinary contributions to our understanding of human consciousness This book provides a coherent picture of how individual experience fits into universal patterns of consciousness Frances Vaughan author of Shadows of the Sacred Seeing through Spiritual Illusions Perhaps the most important of all his works representing as it does an integration of the most profound of his clients experiences and demonstrating a remarkable convergence with the deepest spiritual experiences reported across centuries and cultures This convergence is a finding of the greatest significance Roger Walsh author of The Spirit of Shamanism Grof is the world's leading authority on the deep exploration of the mind and soul This is a wonderful gift Charles Tart author of States of Consciousness and Psi Scientific Studies of the Psychic Realm Stanislav Grof MD is a psychiatrist with more than fifty years of experience in research of nonordinary states of consciousness He has been Principal Investigator in a psychedelic research program at the Psychiatric Research Institute in Prague Czechoslovakia Chief of Psychiatric Research at the Maryland Psychiatric Research Center Assistant Professor of Psychiatry at the Johns Hopkins University and Scholar in Residence at the Esalen Institute He is currently Professor of Psychology at the California Institute of Integral Studies conducts professional training programs in holotropic breathwork and gives lectures and seminars worldwide He is one of the founders and chief theoreticians of transpersonal psychology and the founding president of the International Transpersonal Association ITA In 2007 he was granted the prestigious Vision 97 award from the Vaclav and

Dagmar Havel Foundation in Prague He is the author and editor of many books including The Adventure of Self Discovery Dimensions of Consciousness and New Perspectives in Psychotherapy and Inner Exploration Ancient Wisdom and Modern Science Beyond the Brain Birth Death and Transcendence in Psychotherapy Human Survival and Consciousness Evolution and Psychology of the Future Lessons from Modern Consciousness Research all published by SUNY Press **Quantum Mind** Arnold Mindell, PH.D., 2012-12 Quantum Mind The Edge Between Physics and Psychology This is the second edition with new preface from the author In a single volume Arnold Mindell brings together psychology physics math myth and shamanism not only mapping the way for next generation science but also applying this wisdom to personal growth group dynamics social and political processes and environmental issues Beginning with a discussion of cultural impacts on mathematics he presents esoteric but plausible interpretations of imaginary numbers and the quantum wavefunction In this context he discusses dreams psychology illness shape shifting moving among realities and the self reflecting Universe bringing in not only shamanism but also the Aboriginal Greek and Hindu myths and even sacred geometry from the Masonic orders and the Native Americans The book is enriched by several psychological exercises that enable the reader to subjectively experience mathematics counting discounting squaring complex conjugating physics parallel worlds time travel and shamanism shape shifting The Witch as Teacher in Fairy Tales Nuria Daly, 2017-02-17 By unlocking the hidden spiritual truths of fairy tales we gain understanding of the deep mystical meaning hidden in the depths of such stories and how these insights can be applied to the lives of modern day truth seekers Through study we realize the journey itself and the great battles we must fight to overcome the demons and dragons deep within us In The Witch and the Fairy as Teacher in Fairy Tales Sufi leader Nuria Daly explores the inner realms of the creative imagination and our common crucial purpose of finding and integrating the Creative Feminine This book introduces many worthy themes for reflection as a wonderful eye opener to reading the symbolic psychological dimension of popular stories Great stuff I love it a beautiful telling of the inner spiritual journey from the outer realm of dualism via the union of opposites through growth in wholeness towards oneness with the divine Can be read time and again and as the lessons are learnt and practiced ones subsequent understanding and self realization are deepened This is the essence of wisdom literature indeed Dr Nicholas Coleman Director of School of Spiritual Studies The book springs from decades of teaching Sufi wisdom The voice is not a narrative voice but a meditative one providing a renewal or indeed a reimagining of the wisdom voice of Sufism The text is an allegory of the teaching process It teaches about teaching William M Johnston Emeritus Professor of History University of Massachusetts and Editor The Encyclopedia of Monasticism **Pathways to Wholeness** Renn Butler, 2019-06-06 The exploration of the psyche in non ordinary states of consciousness provides access to powerful transformative experiences that can lead us towards a more complete experience of being human the realization of a deeper identity while also yielding extraordinary insights into the ultimate nature of reality In this book Renn Butler explains how to use archetypal astrology as a guide to the transpersonal

journey Described by Stanislav Grof as the Rosetta Stone of consciousness research archetypal astrology is based on a correspondence between planetary alignments and archetypal patterns in human experience Here by drawing on the work of Grof and Richard Tarnas Butler systematically describes the archetypal themes and qualities associated with each of the major planetary combinations studied in astrology and considers how these themes might manifest and be supported in deep psychological self exploration Based on thirty years of research Pathways to Wholeness is an indispensable reference book for explorers of the inner worlds Pathways to Wholeness Explores the intersection between Grofian transpersonal psychology and archetypal astrology Describes the nature of the planetary archetypes in astrology Explores the archetypal meaning of all the main planetary combinations as applied to everyday life perinatal psychology and transpersonal experience Provides illuminating case studies and vignettes Illustrated with mandala drawings

Time and Intimacy Joel B. Bennett, 2000-11 This volume examines the role of time in relationships with a focus on the transpersonal dimension of intimacy and the temporal aspects of relationships For scholars and students in personal relationships psych of religion family studies intimacy

Psychology of the Future Stanislav Grof, 2019-03-28 Summarizes Grof's experiences and observations from more than forty years of research into non ordinary states of consciousness This accessible and comprehensive overview of the work of Stanislav Grof one of the founders of transpersonal psychology was specifically written to acquaint newcomers with his work Serving as a summation of his career and previous works this entirely new book is the source to introduce Grof's enormous contributions to the fields of psychiatry and psychology especially his central concept of holotropic experience where holotropic signifies moving toward wholeness Grof maintains that the current basic assumptions and concepts of psychology and psychiatry require a radical revision based on the intensive and systematic research of holotropic experience He suggests that a radical inner transformation of humanity and a rise to a higher level of consciousness might be humankind's only real hope for the future It's rare to find a textbook that is both extremely informative and enjoyable to read Psychology of the Future has to be one of the first ones I've ever come across Each chapter brought an entirely new concept theory or method that was just as engaging as the previous one Dr Tami Brady TCM Reviews This book is by a pioneering genius in consciousness research It presents the full spectrum of Grof's ideas from his earliest mappings of using LSD psychotherapy to his clinical work with people facing death to his more recent work with holotropic breathing to his latest thoughts about the cosmological implications of consciousness research and the prospects for dealing with an emerging planetary crisis Grof has always been one of the most original thinkers in the transpersonal field and his creativity has kept pace with the maturity of his overall vision Michael Washburn author of Transpersonal Psychology in Psychoanalytic Perspective Grof offers an outstanding contribution to the ever growing debate about the nature of human consciousness and about the place of humankind in the cosmos If more psychiatrists could be persuaded that human consciousness transcends the limitations of the physical brain and instead is but an aspect of what may best be described as cosmic consciousness we could not only

expect treatment modalities to change but we could also anticipate the possibility of culture wide rethinking of the basic presuppositions of modern cosmology the cosmology that grounds Western institutions ideologies and beliefs about the nature of personhood Michael E Zimmerman author of *Contesting Earth's Future Radical Ecology and Postmodernity* Stanislav Grof MD is a psychiatrist with more than fifty years of experience in research of non ordinary states of consciousness He has been Principal Investigator in a psychedelic research program at the Psychiatric Research Institute in Prague Czechoslovakia Chief of Psychiatric Research at the Maryland Psychiatric Research Center Assistant Professor of Psychiatry at the Johns Hopkins University and Scholar in Residence at the Esalen Institute He is currently Professor of Psychology at the California Institute of Integral Studies conducts professional training programs in holotropic breathwork and gives lectures and seminars worldwide He is one of the founders and chief theoreticians of transpersonal psychology and the founding president of the International Transpersonal Association ITA In 2007 he was granted the prestigious Vision 97 award from the Vaclav and Dagmar Havel Foundation in Prague He is the author and editor of many books including *The Adventure of Self Discovery Dimensions of Consciousness and New Perspectives in Psychotherapy and Inner Exploration Ancient Wisdom and Modern Science Beyond the Brain Birth Death and Transcendence in Psychotherapy The Cosmic Game Explorations of the Frontiers of Human Consciousness and Human Survival and Consciousness Evolution* all published by SUNY Press **Radical Reality** W.
