Finding God's Will for Your Life Paul J. Meyer, 2004-01-01 Understanding God's Will for Your Life Edmond Masemola, 2015-07-09

Understanding God's Will For Your Life is a booklet I wrote under the inspiration and authorship of the Holy Spirit. Our plan through this book is to enlighten believers regarding the wills of God and show them the purpose of different situations they find themselves facing in this walk of Faith and to show them that there is a much better and more rewarding Will of God than our own wills.

The Secret to Knowing God's Will for Your Life Knolly Williams, 2017-01-15

Become the person who God created you to be so that you can live the life you were meant to live. According to a recent Gallop poll, more than 70 percent of American workers either hate or dislike their jobs, and many don't know exactly what it is that God created them to be or do in this life. Unfortunately for them, these folks are living squarely outside of the purpose for

which God created them simply because they do not know what it is that God has created them for This situation is both tragic and easily avoidable Finally it is possible to get your life on track TODAY In the Secret to Knowing God's Will for Your Life Knolly Williams articulates the Biblical approach to knowing exactly what God's will for your life is so that you can begin becoming the person that God created you to be and living the life you were meant to live If you have struggled with knowing your God given purpose in life this book will provide you with the answers and the direction you've been praying for

Living the Life God Has Planned Bill Thrasher, 2001-01-01 A basic guide to discerning the will of God How do I know what God's will is for my life It is perhaps the most common question asked by Christians today Dr Bill Thrasher has provided a basic guide to the fundamentals of seeking God's will in Living the Life God Has Planned Thrasher teaches readers that they must first seek to know God on a more intimate level before His will becomes more apparent to them Readers of all maturity levels will appreciate the simplicity and practical nature of this product

Learning to Live in God's Will Carl Powell III, 2019-06-26 What does it mean to live in God's Will How do we even begin to understand what God wants for us and how to make decisions that fit that pattern How do you start as a new Christian and grow to a point where you can trust God wholly and completely What does it take to get there As a Christian I have been told most of my life that I must surrender to God and allow Christ to be my Lord and Savior I have spent most of my life trying to figure out what that means We have little understanding of the word Lord much less what it means to be subservient to someone or something It would be great if there were a definition of exactly what it means to accept Christ as our Lord and Savior Maybe a list of things you have to do for this to happen A checklist of sorts that we could attack one at a time until we were there But alas no such list exists And this book will not be that list for you either But hopefully it will help you along your journey as you try to reach that place where you Live in God's Will In Matthew 6:10 in Jesus' example of how to pray he prays your will be done on earth as it is in heaven It is God's Will that we must desire In Heaven apparently all creatures live in God's Will and that is all that is done That may be one of the things that makes Heaven so special There are no arguments no disagreements no committees to make decisions no fighting everything is done according to God's Will and every creature wants it that way When Jesus prayed in the Garden of Gethsemane Matthew 26:39 he added Yet not as I will but as you will Jesus was showing us how to start the process We need to be able to give up our will and tell God that we choose to trust Him and His Will for us The first step Choose to desire to Live in God's Will and tell Him I suggest to you that like Love living in God's Will is not a feeling we have it is a decision we make We decide to love someone by choosing to do for them for their good with no expectation of anything in return When we decide that we want to Live in God's Will we must not only make the choice we must pray for help and remind ourselves in prayer that this is what we want to be out of control We want to let God be in control To do what HE wills for us not what we want It is a big decision and it is the right decision But it is also one that is difficult to make at first But eventually we must Let Go and Let God One of the main reasons for me to do this study and to

write this book is because I need this too Right now as I edit this I am waiting on God and it is so hard not to be fearful or to doubt but I stand by my decision to trust him My faith has never been stronger but I still lack faith If you are following Christ you probably struggle with this as well Not one of us is perfect in our walk or in our trust of God But by making certain decisions repeating the process and reminding ourselves of the promises of God we can get stronger in our faith and eventually live in God s Will for us *Discovering God's Will for Your Life* Mike Lutz,2012-12 Mike Lutz s new book *Discovering God s Will for Your Life* Your Journey with God possesses something that other books of this kind do not have a fresh approach A few of the chapter titles are as follows You Talkin to Me I Object Watch the Road Follow Your Dreams Detours Obstacles and Rough Roads Are We There Yet Readers will truly be inspired and truly enjoy their journey as they find out how to listen to God s voice remain in His will and progress in His plans for their lives Discerning & Understanding God's Will for Your Life Osbourne Murray,2017-02-13 The book is about the importance of knowing God s will for one s life which is paramount in having a harmonious and fulfilling relationship with God When there s uncertainty concerning the will of God in any aspect of one s existence it results to confusion and anxiety Too many Christians go through life and never realize God s perfect will during their sojourn in time In doing so believers are robbed of the privilege of experiencing God s best for their lives It also deprives them of having an overcoming fruitful spirit filled joyful and peaceful life Not discerning God s perfect will for your life will cause you to live far below your rights and privileges in Christ The recognition of God s purpose for your life will provide a sense of identity belongingness vocation and guidance which serves to connect you to a higher purpose the Kingdom of God The truth is that not much attention is paid to this very critical area of Christianity today However it is the very heart of efficient and authentic Christian living Without a clear understanding of God s will in one s life one may feel like or even become a square peg in a round hole especially as it pertains to identifying the appropriate ministries and where to serve effectively in the body of Christ *God's Will For You* Gloria Copeland,2022-10-18 Some important questions everyone asks at some time in their life are Why am I here Why was I born What is God s purpose for my life Why do I face so many challenges in life Does my life even matter Gloria Copeland leads you through God s Word to uncover the answers you ve been looking for in this dynamic book now celebrating 50 years in print You ll discover How your life can be guided daily by the Holy Spirit How you can receive all you need and desire from the rich resources of heaven How you can know and experience God s love every day How as God s child you can walk in health and prosperity Let Gloria Copeland guide you in finding answers to the most important questions in your life as you discover God s Will for You God's Will Is to Do It for You Robbie Albrighton,2019-09-25 Ever wondered why when you love God and know that He Is good and the giver of good things that you just don t seem to have the power that Jesus promised to us and are not able to receive from God as you believe you should Why do some people seem to be blessed above others when God is no respecter of persons Well I have explained some of these things and shared testimonies of things that

have happened using the knowledge that I have shared with you in this book Enter into the powerful blessed healthy prosperous life you ve always wanted and that Jesus died to give you Read believe be blessed and prosper and remember if it s not total victory total success then God wants more for you You are the jewel in the crown of God s creation and God s will is to do it for you If It s not total Victory total success then It s not God s Will for your life What is God's Will for My Life?
Richard A. Jensen,1988-08 *The Master'S Voice - Hearing and Heeding God'S Will for Your Life!* Winston
Abrams,2014-07-21 The book is primarily about Gods voice Gods direction Gods guidance Gods protection and deciphering Gods will for your life in these last days where there are many voices competing for our attention There are those that teach God does not speak today Then there are those that teach God speaks in many ways and in everything nature audible voices circumstances etc God spoke in the past God speaks now and God will be speaking for all eternity From the time God spoke the world into existence to now He has never stopped speaking to and through His creation and He will continue to speak throughout eternity The question is how does He speak today and who is listening This book shows from Scriptures how to know the voice of the true and living God in these last days of confusion and deception Our Lord warned us that the world would be characterized by deception in the last days according to 2nd Timothy 3 1 3 and also admonished that My sheep know my voice in John 10 27
