Dr. Stephen R. Button

Gods Wisdom Is Better Than Gold:

God's Wisdom is Better Than Gold Adrian Rogers, 2001 God wants you to enjoy the abundant life And the first step to that life is to search for wisdom as a man seeks for gold Far from the fool s gold of name it and claim it theology this study of Proverbs leads the way into King Solomon s mines wherein lies the true treasures of heaven **Moments of Truth** Julie Hasling, 2012-07-23 Moments of truth is written to give you small portions of truth at a time so that you can take it in apply it to your life all the while receiving its nourishment and strength for daily living James 1 21 *The Grace Filled Life* Dr. Stephen R. Button, 2023-04-03 When Jesus said My grace is sufficient Christians often forget that grace is the predominant characteristic of their Christian experience and therefore tend to overlook how grace permeates every aspect of their life Were it not for grace we would still be lost in our sin unwilling to or incapable of enjoying the benefits of a relationship with Jesus I chose the word panoply to describe God s grace because grace is so overwhelmingly abundant and impressively available to the believer God s grace is more than sufficient It is abundantly available to all that belong to Him There is a reservoir of grace that will never empty Christ was saying there is nothing else that will compare with it nothing else that will replace it and nothing else that will embody it Grace is sufficient because there is nothing that can be added to it supplement it or enhance it Well written interesting and easy to read It presents a practical understanding and comprehensive application of grace to Christian believers daily lives written at times out of the crucible of personal experience It serves as a wonderful tribute to your Dad Dr Lloyd Button s life and ministry It also represents an incredible amount of careful thought and work I found it to be both clear and captivating Dr David Nicholas President Shasta Bible College Redding California

Reid, 2021-08-13 The Bible is the greatest problem solving book ever written It explains what's wrong with the world and how to fix it It clarifies what is wrong with humanity and how to fix it The Bible demonstrates clearly what works and what doesn't work when we are trying to fix our messed up lives When God spelled out the dos and don'ts for successful living he said Trust me on this When Jesus explained the plan of salvation through his death and resurrection he said Trust me on this When Paul wrote to his churches he was always careful to explain that righteousness and salvation are through Jesus Christ alone He clearly proclaimed Trust Jesus Christ on this Problem solving is really fairly simple We must learn to trust God trust Jesus Christ and trust the Word of God The Bible is very good at identifying the problem and then listing the solutions to the problem Understanding is the easy part Application is the hard part Every successful person understands the words read study learn practice and work hard They are excellent words for every Christian who wants to succeed and win *The Song of Songs and the Eros of God* Edmée Kingmill, 2009-11-26 Modern biblical scholarship interprets the Song as a collection of love lyrics For Edmée Kingmill on the contrary the essence of the Song is mystical A principal concern of this study however is to uncover the relationship between the 117 verses of the Song and those biblical books to which they point Beneath the metaphors a network of allusions is being woven conveying a picture opposite to that we find in the prophets who confronted with the continual adultery of Israel poured forth their condemnations with unwearying passion In dramatic contrast the Song presents a paradisaal picture For lo the winter is past the rain is over and gone The flowers appear in the land and the time of singing is come Song 2 11 12 Thus in presenting the ideal the intention of the Song's author is shown to be encouragement The inclusion of this poem in the biblical canon is understood therefore to be central to the purpose of the biblical literature to bring all people to love the God of love The book is in two parts The first

and longer part is concerned with themes including the relationship of the Song to the early Jewish mystical literature The second part is a short commentary intended for the reader interested in the text as much as in the related questions to which the text gives rise **Pillar of Fire** ,1909 Commentary on the Holy Bible by the Rev.
