Robert N. Smith, 2014-11-15 Gods Plan of Creation Written for All Gods Children Who Want to Know and Are Not Afraid to Think offers scripturally informed answers to questions arising in peoples minds as they wonder about the nature of God and His designs for all of creation By using a three part structure that examines the Siege the Legacy and the Story Robert N Smith brings to bear both his long study of the Scriptures and his insights to provide guidance for all who want to know and are not afraid to think The first part the Siege presents an inquiry and review of humanitys continuing efforts to gain hold of its Legacy The focus of the second portion of Gods Plan of Creation the Legacy entails the gifts that God has chosen to give to humanity and that people today have received from the hands of their forebears in the faith Finally the Story displays a visual timeline of creation plotting out key points of theology and cosmology It is laid out landscape therefore it does not fit the book format Part 3 is in progress and will follow soon If you see the world in all its beauty complexity and diversity and you find yourself wondering about the God who made all things and about His desires for how humanity fits into His plans then Gods Plan of Creation Written for All Gods Children Who Want to Know and Are Not Afraid to Think will pour out insights worth pondering It takes a fearless and eyes wide open look at God and His plans and invites you to join in a journey of vision and discovery **The Way of God's Love** Barbara Ann Strassman, 2024-09-11 A true compelling story about the search for unconditional love and the major role played by God It becomes apparent that maybe nothing is by chance The desires and dreams of the author seem far fetched as she wants to hear messages from God and the angels Her aching desire is what we all desire to be loved unconditionally To feel accepted to feel as if she belongs and to know that God loves her was her focus for she was a lost soul as one of five children Little did she know that all along there were signs and messages from God from the Universe God had a plan for her God was paying attention to her prayers and dreams God was listening Now it was time for her to start loving her true self and to listen to God Pure ecstasy exhilaration over the top sensations of divine love came to her These are the gifts from God and the angelic realm You too can experience these signs and messages and receive the gifts from God just follow her lead as she shows you the way Full of her visions messages and dreams the book shows you how to follow patterns and lessons that God has planned out for you To live as One to know LOVE NEVER DIES and to know

Sharing in God's Presence Roy D. Kindelberger,2018-10-05 Sharing in God s Presence means far more than getting saved and experiencing God s blessing in our lives As believers his presence becomes a very personal part of who we are and what we do God actually shares himself with us The language that we use often fails to capture the depths of God s nature penetrating ours the fullness of his Spirit permeating our hearts and the innermost infusion of his

presence in our lives But the truth couldn't be more intimate The person who is joined to the Lord is one spirit with him 1 Corinthians 6:17 This book is an invitation to share in God's presence by allowing God to share himself with you God wants everyone to share in his embrace As we accept our responsibility for prayer ministry and even revival we share in the very precious dynamic of give and response that's involved in an intimate walk with Jesus Christ For a general readership this book is a reworking of material from the second half of the author's academic work God's Absence and the Charismatic Presence God's Grand Design William R. Arnold, 2021-06-30 God's Grand Design By William R. Arnold Edited by Ms Aurora Payad Arnold God's Grand Design is to restore mankind to its original state of sacred perfection after Adam and Eve fell and created the original sin of disobedience hiding and lying to the Lord When God cursed the serpent for tempting Adam and Eve to be like God he promised to send his only begotten Son to save humanity He did via the incarnate word in the womb of the immaculately conceived Virgin Mary God wants to be man and receive a new body to defeat death through Jesus Christ Man wants to become God to receive eternal life Man's journey to become God starts from being an ignorant baby gaining knowledge to a cowardly teenager obtaining courage to an adult converting greed to generosity to a wise man changing selfishness to unselfishness and at last to a free man able to think for himself in eternal service to God in his kingdom The journey requires him to know right from wrong good from evil and God's will from man's will and thus defeat evil worldly temptations and demonic possession Through Christ God and man are destined to become one through three advents making the God-Man-Christ into the new human spirit blessings Then the Man-God Jesus becomes the new human flesh to make all things perfect in the sight of God Jesus Christ came as a priest on a donkey to decode the Torah bring knowledge and remove blindness to defeat sin By his death and resurrection he granted free redemption to man's flesh to give him a new body The second coming of Jesus Christ as thief in the night will bring awakening to remove deafness by teaching God's truths to defeat evil As a just judge on a cloud on his third advent the Lord will remove mankind's dumbness to defeat death And then man can become worthy of receiving God's rewards of paradise in heaven or heaven on earth

On the Road to Renewal Clara M. van Dijk, 2008-07 This small guidebook offers advice and encouragement for the daily problems that each Christian meets on the path of life Insecurity building relationships and renewal in our lives these are just a few of the topics where this book may be of help Moreover it can be used as a tool in counseling A topical register at the end helps to look up specific subjects This book has its origin in a personal battle of faith It could not have been written without the valuable lessons and insights of others collected over many years such as Bible teachers and friends with the Bible itself as the true backbone

Words of Reflection Jan Penny, 2013-01-19 Words that are reflective from a Christian perspective This is a collection of over 70 Christian poems Some have a simple message to share and others depict aspects of nature Some are for

the grieving anxious and discouraged Then to close there are a few for those special occasions The Faith Explained Today Joe Babendreier,2017-03-31 Written in the same style and spirit as the classic best seller The Faith Explained by Leo Trese The Faith Explained Today by Joe Babendreier offers an explanation of the faith that is easily accessible to modern readers especially students and young adults The book is in six parts and covers the full spectrum of Church teaching over the last 2 000 years These parts include What Christians BelieveHow God RevealsMoralityThe Way Christians WorshipThe Human PersonPrayer Complete with review questions at the end of each chapter and frequent use of writings from Sacred Scripture the saints spiritual writers and the Magisterium this book will help you understand what God revealed through Jesus Christ as the Church has believed it preserved it and treasured it from the beginning **To Hell and Back** Shawn J. Lyons,2009-12-29 This is a story about a wager between an angel and a demon over the direction a man s life will take All of the stories in this book are based on true events that occurred in the life of the author or in Biblical history There have been many testimonials written that describe the lifestyles that people have been delivered from but very few address the struggles that ordinary Christians face when they begin their walk with God Most people will struggle with the flesh and with wrong attitudes and will not know how to deal with the demons that will come to tempt discourage and oppress them I want people who read this book to be able to identify with some of the struggles faced by the characters and be encouraged that they are not alone in their own personal struggles Salvation is instant but holiness is a lifelong journey that requires constant maintenance checks I want to assure them that God loves them despite their shortcomings and still wants to use them to build His kingdom The purpose of this book is to entertain educate and equip I put the story into a fiction format to attract the average reader who is interested in God angels and demons but doesn t necessarily attend church services I tried to fill the stories with information about God and the benefits of being a Christian I want to make them aware of the demonic forces arrayed against them and teach them about the power that is available to them to combat these forces of darkness There are many scripture references and Biblical reenactments that should spark curiosity and provoke the reader to further bible study on their own For the serious Bible student there is a wealth of information from the Book of Enoch and the Testament of Solomon Although this is a work of fiction there was a lot of reseach done and the information found in this book can be used to help you make the right decisions in life to protect yourself from demonic entities and to have a more satisfying relationship with God and enjoy the benefits of being in covenant with Him **God's Angels** Rev. R. Stienstra,Dr. A. Kuyper,2015-06-30 God s Angels His Ministering Spirits is clearly the work of a mature highly educated and experienced author Dr Abraham Kuyper 1837 1920 produced the book toward the end of his life after he had given strong leadership in church matters founded a university and also a Christian political party and served as Prime Minister of the Netherlands His extensive writing in the areas of theology and the Christian life view prepared him finally to focus on the subject of angels It was a privilege and a challenge for me to make this highly significant book available to the English speaking people The book

pursues all sorts of facets in the life of angels From when they were created to what their task really entails The falling into sin of a large number of angels is important for the human race Why is there a Satan Do people have a guardian angel Will the angels be there when we die Many questions are answered This book will make the readers think and become enriched with greater Biblical and practical knowledge A complete body of doctrinal and practical divinity; or, a system of Evangelical truths, deduced from the Sacred Scriptures.
