Jewell, 2022-04-19 Her extraordinary beauty seduced her to a life she does not want King Solomon is well known as a wise man and the wealthiest king to have ever lived But with great power often comes great corruption and Solomon unfortunately allowed himself to be lured by the many temptations this world has to offer including the hundreds of wives and concubines he brought into his court But who were these women What was life like for them in Solomon's harem Nalussa is a simple Jewish girl living with her family in a small town a day's travel from Solomon's kingdom When a strange man meets her one day at the town well Nalussa suddenly finds herself whisked away from all that she wants and desires to fulfill the lusts of a king she has never met But one word of outcry can lead to her family's harm and her own disgrace and removal from society While giving in to her new life at Solomon's palace Nalussa still holds onto hope that God will rescue her When the king suddenly dies the kingdom is in turmoil over who will be king next Could this be her opportunity to escape But where will she go and will anyone want the king's concubine S.A. Jewell looks at life in Solomon's harem through the eyes of a concubine taking the reader on a quest through Scripture to see a different side to the king who was given great wisdom and wealth from the one true God Did Solomon die outside the will of God And who is the mysterious woman he writes to in Song of Songs In *Solomon's Concubine* S.A. the first time in a single volume the highly significant works on ancient Egyptian religion by Aylward Manley Blackman 1883 1956 Blackman s knowledge of Egyptian religion was unrivalled He was best known for his series of studies on Egyptian religion which have long been regarded as essential reading in the subject and which forms the content of the present collection Unusually Blackman did not publish his writings in book form but preferred to place them in a wide range of publications that are extremely difficult to obtain Blackman s studies on Egyptian religious belief and particularly religious practice focus on areas of fundamental concern and are models of meticulous sympathetic and penetrating scholarship They should remain required reading for all students of Egyptian religion well into the next century All those with an interest in the subject should welcome this volume which makes Blackman s writings accessible in a convenient form A select bibliography provides an update and key to more recent work on topics discussed by Blackman

Age of the Gentiles and the White God Delusion Timothy Huges,2012-10-25 The book is a logical Bible study and in depth examination of Race Sex Power Politics and War The Author addresses the false doctrine and propaganda that has been fronted for centuries by Christianity and Judaism as to their supremacy above other religions and races He also examines the role these two religions have played in promoting these false doctrines which literally contradict the written laws of the Bible The book further looks at Islam where the Author acknowledges the origin and foundation of its original teachings as is likened by God's Commandments and as written in the Holy Bible and Holy Qur'an The Author takes a scalpel to dissect race and religion to its core The Author separates the gentile dogma of Christianity and Judaism and highlights their contradiction to the Laws of God Lastly he dwells on separation of races based on their individual religious philosophies concluding in the introduction of Lucifer as a Chief Architect of Gentile religious doctrine and practices Lucifer's mission is to maintain the delusion of the white God and its false

power to rule over Black and Semite people Quotes from Author I am challenging the worlds Christian religious believers communities and the general masses to follow the true laws of God They should stop falling prey to the False Luciferian Doctrine and the delusion of White God I affirm to the world that I am a true servant of God who is challenging all religious ministers to debate evidence and facts referred to in this book through the lesson chapters so that they may distinguish the truth from the lie I challenge them to debate about the alleged religious authorities in reference to the Christian and Jewish faith in order to determine if truly their religious practices is of the God of Heaven and Earth I challenge all ministers to prove that they follow and believe in the commandments Laws and Statues of God as written in the scriptures I further challenge all of them to debate the true ethnology and race of Gods chosen people his first family being the black and Semite Hebrews who are identified by their skin pigmentation and coloration and their true religion to be Abrahamic This would also prove that True Israelites are cousins to the Ishmaelites In addition I challenge all ministers of Jewish Authority to a debate as to the true ethnology of True Hebrews of the Land of Palestine and Canaan It is worth noting that the true Hebrews were removed from the Holy land and thereafter cursed by God and Scattered unto Gentile nations in all four corners of the earth And shall remain there until the second coming of Jesus as was prophesied in his Revelation war against the Christian Jewish Armies of Gog Europe and Magog America Israel and as foretold in the book of Revelations I challenge them to deny that it has been 2000 years of Christian Propaganda Crusade by the gentiles and gentile Jews and Theologians Philosophers and Historians to hide the true identity of the true Israelites Their mission has been to remove parts of and alter the Holy Scriptures thereby changing the Laws of God Their intention is to make everyone follow Luciferian Doctrine Because of this God gave Revelation unto Jesus Christ to bring forth the final Armageddon to all who changed His Laws This led to his prophecy against the Christians Nicolaitans and Jewish doctrine religion which He hated for they are the synagogue disciples of Satan
