Gods Diet:

God's Diet Dr. Dorothy Gault-McNemee, 2010-04-07 Dorothy Gault McNemee is a medical doctor who had tried every diet she could find to control the weight gains that had plagued her throughout her life. As the founding physician of a busy health clinic, she also saw that overweight patients who were suffering from a variety of diseases were far worse off than those who had their weight under control. As a result, Dr. Gault McNemee began to examine what we eat and what our slimmer, healthier ancient forebears ate. They didn't have processed foods and access to sugar; they weren't consuming alcohol and foods that had been mixed with artificial ingredients they couldn't pronounce. They were eating what God put on this earth: meat, fish, fruit, vegetables, grains, and nuts. And thus was God's Diet born. In other words, if you can't pick it, pluck it, pull it from the earth, or scale it, don't eat it. If you pick up a can or a package of food that includes even one ingredient that you can't identify, don't eat it. Dr. Gault McNemee also cautions that far too many foods contain sugar as an additive, from cereal to bread to canned vegetables. Prepare foods simply and avoid sugar, but while you're at it, have a steak and a baked potato with butter and sour cream. In God's Diet, Dr. Gault McNemee has compiled numerous case studies from her own practice, inspiring advice from people like herself whose lives have been changed, for the better, information on vitamins, minerals, and cholesterol, and menu planning advice and delicious recipes. The doctor has also prepared three lists of foods: those which you can eat, all you reasonably want, those you should avoid, and a swing list of foods that you may enjoy occasionally and with limitations. God's Diet enables you to lose weight simply and naturally without having to remember any complex diet regimen. By incorporating simple habits into our lives, paying attention to food labels, drinking eight to ten glasses of water a day, and exercising reasonably, we can easily and radically change the way we live while becoming healthier and living longer. Never has there been a simpler or more logically thought-out weight control guide. There is nothing to count or exchange, no special foods to buy. Everything you need to live a slimmer, healthier life is in your supermarket if you follow the advice of Dr. Gault McNemee, whose vast experience with fad diets and overweight patients led her to conceive this brilliant little book. This truly is the last diet book you'll ever buy. Remember, if God didn't make it, don't eat it.

God's Diet Dr. Dorothy Gault-McNemee, 2000-11-07 Finally, the end to fad diets. Learn the absolute way to sustained weight loss by adopting a complete, delicious, natural diet. We've all tried the impossible to maintain trendy diets that often deliver immediate results only to backfire the moment our vigilance wanes. God's Diet is the only diet you'll ever need. And once you become accustomed to healthy eating, this diet will simply become your new lifestyle. There are no annoying calculations, no food exchanges, no fall-off-the-wagon syndrome. Dr. Gault McNemee teaches you how to trim down and improve your health and energy effortlessly. That everything you need to lose weight is at your local grocery store, no pills, powders, or shakes. How to get in the habit of choosing natural, wholesome food over gimmicky diet food, fast food, and food full of sugar and additives. That weight loss can be a straightforward, successful, and lasting process. God's Diet is the solution.

Steve Ostrow, 2009-12-07 This manuscript that you are reading is not a book in the traditional sense of the word It is rather a compilation of thoughts and experiences I have had and various treatises that I have felt compelled to write over the last few years It is because of my desire to share these observations that I have decided to put them together They all served to codify my thoughts and feelings and convey what I personally believe in areas of health of body mind and spirit Because some of

these articles were written at different times you may find certain truths repeated from time to time Please forgive this and edit them out it is my feeling that they serve to reinforce that which has helped me to arrive happily at three score and ten I still refer back to this book as a resource and find its validity for me to be sustaining If it helps you to have at least one happier day it will have fulfilled its purpose
