The Openness of God Clark H. Pinnock, Richard Rice, John Sanders, William Hasker, David Basinger, 2010-02-25 Voted one of Christianity Today s 1995 Books of the Year The Openness of God presents a careful and full orbed argument that the God known through Christ desires responsive relationship with his creatures While it rejects process theology the book asserts that such classical doctrines as God s immutability impassibility and foreknowledge demand reconsideration The authors insist that our understanding of God will be more consistently biblical and more true to the actual devotional lives of Christians if we profess that God in grace grants humans significant freedom and enters into relationship with a genuine give and take dynamic The Openness of God is remarkable in its comprehensiveness drawing from the disciplines of biblical historical systematic and philosophical theology Evangelical and other orthodox Christian philosophers have promoted the

relational or personalist perspective on God in recent decades Now here is the first major attempt to bring the discussion into the evangelical theological arena **Chaucer and the Consolation of Philosophy of Boethius** Bernard Levi Jefferson,1917 **The Reality of the Mind** Ludger Hölscher,2013-05-02 Among the various approaches to the question of the nature of the mind or soul Augustine s philosophical arguments for the existence of an incorporeal and spiritual substance in man and against materialism are here thoroughly examined on their merits as a source of insight for contemporary discussion This book originally published in 1986 employs Augustine s method of introspection and argues that as a philosopher Augustine can teach the modern mind how to detect the reality of such a spiritual subject in and through basic human acts and faculties such as imagination memory knowledge free will and self knowledge It presents a critical dialogue with various materialistic anthropologies directly addressed by Augustine himself or those which have arisen at later periods including epiphenomenalism mind brain identity theory Marxism and others The Doctrine of the Covenant of Redemption According to John Gill (1697-1771) Wang Yong Lee,2025-02-11 What is the doctrine of the covenant of redemption Why does John Gill 1697 1771 an English Baptist pastor and theologian regard this doctrine as the kernel in his systematic theology This book explicates how core theological doctrines in the Bible e g the doctrine of God the Trinity Christology and soteriology are integrated in the doctrine of the covenant of redemption from the biblical and theological perspective of John Gill From his long pastoral experience and over fifty years of rich writing Gill demonstrates that a careful investigation of the Bible and of God the Trinity makes him love the reality of the covenant of redemption in eternity which is ultimately revealed by the gospel of Jesus Christ Gill sees those who are in the gospel of Jesus Christ as the ones through whom the eternal reality of the covenant of redemption is manifested to the saved Gill also encourages those who are in Christ to see the eternal reality of the covenant of redemption revealed by the gospel of Jesus Christ **O Wondrous Plan** J. Peter Baumgarten,2025-07-11 The idea of predestination which seems to have a scriptural basis is actually a Trojan horse While appearing to many to be a gift of grace it is actually full of deceptions and completely inconsistent to the plan of salvation holding that man has no free choice and that God has already selected a favored few of his children for salvation while committing the rest most of mankind to damnation regardless of merit To explore this subject with maximum clarity I will present the doctrine of predestination in sharp relief to the true doctrines of the wondrous plan of salvation for all mankind This presentation includes a detailed description of what the doctrine consists of it s origin and history the scriptural authority referenced to support the doctrine its implications and a discussion of how and why the idea of predestination is inconsistent and at odds with the gospel of Jesus Christ To better introduce this subject I begin the first chapter of this book with a personal experience an experience that heightened my own awareness of the issue **The Calcutta Review** ,1899 **Calcutta Review** ,1899 *Matthew to the Acts* Adam Clarke,1855 The Consolation of Philosophy Boethius,2024-10-15 Discover the timeless wisdom of Boethius in his classic work The Consolation of Philosophy
