GOD'S LOVE PLAN T. L. OSBORN, 1984 **God's Love In 3-Dimensions** Jim McGrew, 2007-03-27 Could there be anything more exciting and blessed assurance in our life than knowing that the creator of the universe loves us? That is what this book, God's love in 3 dimensions, is about: God's love for us and His designed purpose for our lives. Reflecting back over more than forty years of service in the Body of Christ, I have found the most important things to be taught and expressed to bring love and unity and success to the life of the Church and to our personal lives are God's love for us, Our love for God, and Our love for one another. For the success and the life of the Church and for our personal lives, God's love must prevail. God's Love in 3 dimensions reiterates the plea of the writings of our Lord's Apostles and the prayer of our Lord for love and unity. The apostles of our Lord pleaded for us throughout the scriptures to have love and unity through the Spirit of God's love. Jesus, our Lord, prayed for God's unity and love for His followers that all of them may be one Father, just as you are in Me, and I am in You. I have made You known to them and will continue to make You known in order that the love You have for Me may be in them and that I, Myself, may be in them. John 17:21-26. What great accomplishments and success await us when we walk in unity with our Lord and Heavenly Father. The greatness of God's love, joy, and peace fills our hearts, souls, and minds, providing divine direction and assurance as we walk in our Lord's Spirit of love. And what great accomplishments have been made by the body of Christ when our Lord's love and unity prevail among His body members when working together in the directives and spirit of their Lord. What creates and produces unity with the Heavenly Father within us and within the body of Christ? God's love. What motivated God's plan of salvation for mankind? God's love. What power innovated and sustained our Lord and Savior in carrying out God's plan of salvation? God's love. What would be the greatest and most significant news a person could receive? God loves you. What is the greatest and most significant news one could ever share with another? God loves you. What brings unity and peace within our individual selves and the Lord's Church? The knowledge, the receiving, and the expression of God's love. This book is written through the spiritual desire to glorify and praise the Triune God, Head, for their love.

God's Divine Plan for Humanity Vol. 1 Felix Wantang, 2023-01-31 This book is Volume 1 of God's Divine Plan for Humanity series. You are a very important part of God's divine plan for humanity. imaginable dreams When you read this book you will never look at your life and the world the same again you will start to see the world and understand the Bible better than ever before This book will take you to God s creative library step by step to unveil the mysteries of God s plan for humanity using the language of heaven The knowledge you gather from this book will draw you closer to God just like Abraham Isaac Jacob Joseph Moses David and Joshua all used the secret of the language of heaven to draw closer to God and fearlessly fight the spiritual forces of this sinful world Learn the hidden secrets of the supernatural language of heaven and see the world through the eyes of the author of life Jesus Christ When you look at the world do you believe there is something seriously wrong with the whole system Do you believe there is something not natural that for some inexplicable reason is holding humanity hostage You can analyze it from all political angles but the truth is the world is controlled by supernatural spiritual forces and unless you understand what it is and how it operates you will remain a slave to the system The Bible teaches in Psalm 24 1 2 that God owns the world and everything in it If God owns it all then he is in absolute control and God has the tools to set you free from the satanic forces of this sinful world The battles we face in this world are not natural Any attempt to use natural weapons to fight these battles is a big mistake you cannot use natural weapons to fight a supernatural battle When you believe the enemy and look at life through the eyes of the enemy you become engulfed and enslaved by the enemy but when you believe in Jesus and look at life through the eyes of Jesus you will ultimately become united to Jesus In life what you believe determines what you see The battle is in your mind The choice is yours In this world you will have trouble But take heart I have overcome the world John 16 33

of Mission this book explores God's great love for humanity from every book of the Bible From the creation of Genesis to the culmination in Revelation God's love shines through every page Never is this ever clearer than in the times of Israel's great betrayal of their God His passionate pursuit of His children can be heard dripping from his voice as He calls them and us by proxy back to His shelter and protection This book was written To convince the reader of God's intense and immense love for them To encourage the reader to reach out to the God who is passionately in love with them To strengthen the reader's faith in God's compassion and To motivate the reader to share the love of God with every person they meet It is very clear God loves people of all races and ethnicities Therefore whenever appropriate to the passage of the day emphasis is made on the issue of racial reconciliation around God's love His love becomes the motivation for evangelism and for community In each daily devotional There is a Biblical Scripture they are encouraged to read There is a passage of Scripture to read in the devotional itself There is the devotional to read which focuses the reader on a single thought broken into two three or four practical ideas they can utilize that day in their lives and There is a thought to take with the reader each day which summarizes the theme concerning God's great love for them
