

A romantic scene featuring a man and a woman standing on top of a large, red, heart-shaped frame. The man is on the left, wearing a dark suit, and the woman is on the right, wearing a light-colored dress. They are both looking away from the camera towards a bright, sunlit path in a park. The background is a soft-focus view of a tree-lined path with sunlight filtering through the leaves. The overall mood is warm and affectionate.

Christ* Charles J. Prichard,2014-05-13 What has happened to the American Christian church Divorce rates are skyrocketing children are not being raised to fear God and follow His commands and families are being ripped apart The truth is that all areas of our life get twisted when we stray from the

perfect guidance and laws of the Word of God When we avoid looking at these important life subjects through the lens of the gospel we fall flat on our faces As a society we have developed so many different nuances that contradict Gods Word There are many people in the church who have looked to culture and have conformed to the godless patterns of this world Why do we so easily fall into the temptation to justify our sins and excuse our shortcomings Is it possible that many born again Christians are missing the mark more often than they think Are there many who do not have a biblical understanding on how they should live raise a family or cultivate a marriage who wander through life casually and turn to culture for guidance advice and encouragement and then wonder why their marriages or families crumble as soon as hardships arise who believe in Christ but have ultimately decided to follow culture instead This is a call for families all over the world to flee from sin and live radically for Jesus Christ At the authors request all royalties will be given to help orphans and widows around the world through nonprofit Christian organizations
