Re-Defining Success: James D Morrison, MSL, 2013-08 Life is just like walking through the rain whether you dance through it and have fun or just try to avoid the puddles you still get wet Your life has a God authored plan that can be exciting or can be drudgery it all depends on how you choose to see each circumstance in your day Each day you can be surrounded by circumstances that test who you say you are Those are circumstances that test your character Circumstances like financial hardship failed relationships unexpected opportunities unplanned success or a blow to your self esteem Circumstances as trivial as an argument with your spouse or as difficult as an argument with your spouse You might think that God has deserted you when you have difficult circumstances in life but you can find that He is closer than ever before Re Defining Success Finding New Hope lets you know that you aren't the only one who has fouled up in some aspect of life and that you can come out of the situation that you

are in stronger and smarter than you were yesterday Instead of wondering about your future take this opportunity to step out in faith and begin to learn God s plan for you As you make a new start in your life you have the chance to make changes in the person you are and to live in the plan He has for you Re Defining Success Finding New Hope can help you see a larger picture for your life and be encouraged that these circumstances are life challenges which have a reason The Trust Factor Now Theodore Boone,2012-10-05 The Trust Factor Now addresses and explores conditions causes corrections and cures for our ongoing personal and societal crises and conflicts The Keys to our overcoming obstacles and embracing opportunities is in our Trust Factor In Whom or What You Trust will make a difference in your life and others **The Bridge from Creation to Redemption** C. Benjamin Wilkes,2012-07-05 If there is a true genuine plan coming from an all omnipotent God the creator of all mankind and it is specially directed to all people of His creation and that plan is focused with the intent to reconcile and save humanity back to the Creator here is that plan This book explains from a Christian perspective what God s true plan entails and what we have to do to accept this plan It is a plan that has been around for over two thousand years but over the ages the complexity of this plan has been obscured and watered down in its interpretation There comes a time when this God of ours attempts to touch us spiritually with His plan It is the responsibility of all mankind to wake up and open up their hearts and minds to what God is trying to tell us
