**The Greatness of God's Power** Nancy Dufresne, 2013-06 One thing Paul prayed for believers is that they would know the exceeding greatness of his power to us ward who believe Ephesians 1 19 God wants us to know His power that is in our direction it belongs to us He has made His power ours God has made us stewards of His power Whether or not power flows depends on us not on God God intends that every need we face be met with His power We cannot live the life God authored for us without His power This power that God has made ours is greater than any other power and greater than any need we may face In this classic book you ll learn What God s power will accomplish for you The law that governs the power of God What brings God s power into manifestation How to assign God s power to needs The more proficient and skillful we become with faith and with conducting God s power the more we ll be able to cooperate with God and receive His blessings into our lives as well as bring

blessings to others He wants us to receive every need met by The Greatness of God s Power **The Holy Spirit** Billy Graham,2011-11-21 Exactly who is the Holy Spirit and what does He do In this classic volume Billy Graham offers a timeless sensitive and comprehensive portrait of this much discussed but often misunderstood member of the Trinity Exciting revolutionary power is available exclusively to you as a Christian It s the supernatural power to transform human nature to enable you to be the salt and light to your world to help you face any crisis and to bring about a dramatic but peaceful revolution in those around you You cannot buy this extraordinary power nor can you find it by searching the earth for it As a Christian it resides in you already an awesome gift from God that you have only to claim and use once you know and accept its Source With prayerful reverence and focused wisdom Dr Graham puts an understandable face on this mysterious third Person of the Trinity This classic book contains chapters on Who is the Holy Spirit Baptism with the Spirit How to be filled with the Holy Spirit Sins against the Holy Spirit Gifts of the Spirit And more In this inspiring and insightful book Billy Graham reminds us that Christians are powerful people because we have the mighty power of God available to us through the Holy Spirit Open your eyes anew to see how the Spirit can transform your life and give you the power to be truly good and live victoriously The Power of God and the Gods of Power Daniel L. Migliore,2008-01-01 In this accessible and enlightening book Daniel Migliore offers a study of the nature of God s power Migliore calls for a reassessment of our understanding of the power of God and through his exploration of historical and biblical references provides his own analysis of God s power A complete understanding of the power of God Migliore argues will profoundly affect how we live and how we exert power as individuals and as nations **The Problem of Evil and the Power of God** Atle Ottesen Søvik,2011-05-23 The problem of evil can be defined theoretically as the apparent inconsistency between on the one hand belief in the existence of a perfectly good and omnipotent God and on the other hand the existence of evil This book discusses four different solutions to this problem provided by Richard Swinburne Keith Ward David Griffin and Johan Hygen with the goal of finding the most coherent solution The author makes several suggestions for improvement and concludes that there is a coherent answer to the problem of evil While the focus is on Christian approaches to the problem many of the approaches and solutions are applicable to other religions as well *Power and Peril* Michael K.W. Suh,2020-03-09 This study probes the significance of Paul s statement in 1 Corinthians 3 16 announced to a group of believers in Corinth Do you not know that you are the temple of God and that the spirit of God dwells among you The question is framed in the Greek language such that Paul expected an affirmative response i e Yes we know we are the temple of God and yet mapping such an idea onto a gathering of people is rather unprecedented in antiquity By surveying relevant literary texts and material culture from the ancient Mediterranean roughly 400 BCE 200 CE the author shows how Paul appropriated the concept of temple in his exhortation to the Corinthians A few key texts in 1 Corinthians can be read as a cohesive and coherent set of passages that unpack the idea of the Corinthians as the temple of God While these passages are not typically read together this study

shows how themes such as power and spirit traditions from Exodus divine benefits and sacrificial foods found in these passages reflect similar concerns observed in temples and other sanctuaries in ancient Greek Roman and Jewish contexts Careful analysis of the religious experience of visitors to temples an important topic that remains largely ignored in secondary literature gives greater clarity to the nuances of Paul s temple discourse As the temple the Corinthian community not only receives God s power and benefits but also remains vulnerable to peril posed by insiders and outsiders **The Question of God's Perfection** Yoram Hazony,Dru Johnson,2018-11-26 Philosophers have often described theism as the belief in the existence of a perfect being a being that is said to possess all possible perfections so that it is all powerful all knowing immutable perfectly good perfectly simple and necessarily existent among other qualities But such a theology is difficult to reconcile with the God we find in the Bible and Talmud The Question of God s Perfection brings together leading scholars from the Jewish and Christian traditions to critically examine the theology of perfect being in light of the Hebrew Bible and classical rabbinic sources Contributors are James A Diamond Lenn E Goodman Edward C Halper Yoram Hazony Dru Johnson Brian Leftow Berel Dov Lerner Alan L Mittleman Heather C Ohaneson Randy Ramal Eleonore Stump Alex Sztuden and Joshua I Weinstein **GOD'S GENERALS** GODSWORD GODSWILL ONU, Fierce Gods Diane P. Mines,2005-07-27 A vivid account of ritual power and social inequality in rural India **Leo Strauss** Kenneth L. Deutsch,Walter Nicgorski,1994 In this book 19 prominent representatives of each side in the basic division among Strauss s followers explore his contribution to political philosophy and Jewish thought The volume presents the most extensive analysis yet published of Strauss s religious heritage and how it related to his work and includes Strauss s previously unpublished Why We Remain Jews an extraordinary essay concerned with the challenge posed to Judaism by modern secular thought The extensive introduction interrelates the major themes of Strauss s thought **Destined to Prevail: The dynamics of Spiritual Warfare** , Worship and Power Sarah Kathleen Johnson,Andrew Wymer,2023-03-22 Christian worship emerges from and speaks back into human relationships that are necessarily shaped by power and authority Free Churches structure and negotiate power in relation to worship in ways that reflect the decentralization local diversity and personal agency that characterize many aspects of Free Church theology and practice This volume models how dialogue among scholars and practitioners of Free Church worship as well as dialogue with the wider church can be mutually enriching as Christians strive together to worship in ways that are faithful and just **Several Discourses Upon the Existence and Attributes of God** Stephen Charnock,1682 **Deification in Classical Greek Philosophy and the Bible** James Bernard Murphy,2024-06-27 The goal of human life according to Plato Aristotle and the Bible is to become as much like god as possible This book written in vivid and lucid English illuminates Greek philosophy by showing how it grows out of ancient Greek religion and how it compares to biblical religion Discourses Upon the Existence and Attributes of God Stephen Charnock,1859 **Discourses Upon the Existence and Attributes of God** Stephen Charnock,2025-07-30 Reprint of the original first

**Who Goes before You** Timothy Paul Jones, Michael S. Wilder, 2018-10-01 The God Who Goes before You provides a foundation for the study of leadership that looks at the topic with both feet firmly planted in the whole counsel of Scripture

*Woven* Meredith Miller, 2023-08-22 In this inspiring parenting book learn how to create space for your children to get to know God in a way that focuses on trust instead of a list of rigid rules Most Christian parenting books are ready with exact practices every family should follow in order to raise obedient children In this obedience training model faith is a wall constructed brick by brick as adults tell children what to believe and how to behave But what if obedience is not the goal of Christian parenting What if it is our job as parents to instead help our kids get to know God and discover that God can be trusted And what if faith is not constructed brick by brick but rather woven strand by strand Much like a spider's web in which anchor strands and internal threads combine to form a unique web *Woven* can help children anchor to who God is and have faith practices that are rich textured and all their own Kids need space to explore the Bible ask big questions and even change their understanding of God and faith along the way With *Woven* families can nurture the kind of faith that can flex and grow be broken and repaired This is the sort of faith that can stand up to the life a child will live the doubts they will encounter and the questions that will come up along the way So many parents want to pass along their faith but know that God is so much bigger than the list of do's and don'ts they were taught about as children They want to pass along a faith their child doesn't have to heal from *Woven* is the guidebook parents have been looking for With a deep reverence for scripture and suggested activities to help your family grow in faith together *Woven* is for parents who want to go beyond a list of do's and don'ts and pass along a resilient faith based on genuine love for and trust in God **The Philosophical**

**Theology of St. Thomas Aquinas** Leo Elders, 1990-01-01 The philosophical theology of St Thomas Aquinas is the crowning piece of his metaphysics Leo J Elders studies it against the background of the attempts of the great philosophers of the past to penetrate deeper into the knowledge of God While the Introduction treats the nature of philosophical theology according to Aquinas Chapter One presents a concise history of the idea of God in Western philosophical thinking Chapters Two and Three deal with the question of the cognoscibility of God and the Five Ways of St Thomas New solutions are proposed of some difficulties in the Third and Fourth Ways The attributes of God are studied in the order of the *Summa theologiae* I Chapter Seven considers the grammar of God language The following chapters examine divine knowledge foreknowledge of future events divine will and providence as well as creation The last chapter deals with the problem of the co-existence of God and finite creatures This study shows that the philosophical theology of St Thomas Aquinas is a coherent whole of impressive depth and beauty It has its basis in our daily experience of the world and the general principles of being but its conclusions reach the summits of negative theology
