Gods Prophet Gods Servant A Study In Jeremiah And Isaiah 4055:

God's Prophet, God's Servant John Goldingay, 2024-09-24 It is easy to think of Christian ministry as an exercise of our gifts or even finding fulfillment for ourselves In God s Prophet God s Servant John Goldingay examines the portrait of a prophet s ministry found in Jeremiah and the portrait of a servant s ministry in Isaiah 40 55 showing us that in both cases God calls us to a deeper and more demanding view of ministry Themelios ,1988 *Books in Series* ,1979 **Servant Theology** George A. F. Knight, George Angus Fulton Knight, 1984 George Knight has produced a very fluent and readable commentary on these important chapters of the book of Isaiah which more than any other part of the Old Testament anticipate the Cross of Christ By concentrating on the theological issues that are raised and by adopting a non technical style of presentation Knight introduces the reader to some of the leading motifs of biblical theology In view of the complex questions which relate to the structure and unity of the book of Isaiah I believe that all who share an evangelical faith and who have regard for the theological importance of the Old Testament will find this commentary rewarding and enriching R E Clements King s College University of London *Life-Study of Isaiah* Witness Lee, 1991-06 Charged with the Glory of God Caroline Batchelder, 2023-07-26 Isaiah s servant songs reveal a true and better Adam In Charged with the Glory of God Caroline Batchelder provides a synchronic theological and canonical reading of the four Servant Songs in Isaiah 42 1 9 49 1 13 50 3 11 52 13 53 12 showing how they relate to one another and the message of the prophetic book Reading Isaiah as a compositional unity in conversation with other texts such as Genesis results in a coherent presentation of the mysterious servant The polemic against idolatry reveals rebellious Israel to be false imagers of God In contrast Isaiah s servant is an ideal embodiment of Yahweh s image and likeness Thus the servant is a paradigm for those who wish to recapture and realize God s good creation purposes for all humanity The servant poems are not only a call to reorient oneself as a servant towards God and his creation but also a map and means for doing so In this study Batchelder offers fresh insights from Isaiah for understanding God s true image and its idolatrous counterfeits Studies on the Second Part of the Book of Isaiah Harry M. Charged with the Glory of God Caroline Batchelder,2020-09-02 Isaiah s servant songs reveal a true and better Adam In Charged with the Glory of God Caroline Batchelder provides a synchronic theological and canonical reading of the four Servant Songs in Isaiah 42 1 9 49 1 13 50 3 11 52 13 53 12 showing how they relate to one another and the message of the prophetic book Reading Isaiah as a compositional unity in conversation with other texts such as Genesis results in a coherent presentation of the mysterious servant The polemic against idolatry reveals rebellious Israel to be false imagers of God In contrast Isaiah s servant is an ideal embodiment of Yahweh s image and likeness Thus the servant is a paradigm for those who wish to recapture and realize God s good creation purposes for all humanity The servant poems are not only a call to reorient oneself as a servant towards God and his creation but also a map and means for doing so In this study Batchelder

offers fresh insights from Isaiah for understanding God's true image and its idolatrous counterfeits *My Servants* Edward Joseph Young, 1952 Dr E J Young has again brought to the Christian trade a work which excels in its biblical content This text on the prophetic institution is not a run of the mill work in either its thesis or presentation The literary style is a blend of simplicity and lucidity The thesis cuts across the general view concerning the correct basis for interpreting the prophets and advances a strict adherence to the rule let Scripture interpret Scripture Christian Life This reviewer must confess that he is impressed with the saneness and thoroughness of Dr Young's exegetical technique Dr Young is obviously a scholar of no mean ability and this book as well as others by him provides ample proof that he has been well trained in the field of Semitic philology Interpretation
