Preventing Genocide David A. Hamburg, 2015-11-17 Genocide has been called a problem from hell and despite vehement declarations of never again it's a problem that continues to plague the world From the beginning of history to the most recent massacres in Bosnia Rwanda and Darfur genocide defies resolution And given today's worldwide access to highly lethal weapons and advanced communications technology facilitating incitement to hate we can expect to see this problem grow It is often claimed that genocide occurs without warning taking both local and global communities by surprise Yet as David Hamburg convincingly shows we have had long term advance knowledge of most modern genocides dating back to the early 20th century Armenian tragedy in Turkey and before In this book Dr Hamburg applies a groundbreaking new perspective the medical model of prevention to the scourge of genocide in the world Preventing genocide is not only possible Dr Hamburg contends but essential given its high cost in lives human rights and international security Here he maps out numerous practical steps to recognise genocidal conflicts early and stem their tides of violence before they become acute He also outlines several institutions in place and programs underway at the UN EU and NATO devoted to preventing future genocides before they erupt He draws lessons both from missed opportunities and successful experiences and makes many constructive suggestions about strengthening international institutions governments and NGOs for this purpose

Crossing the Great Divide Dr. Charles Frazier, 2023-01-22 In my pursuit of worldly success I became lost in the darkness of the world The road I was walking God gave me signs and detours I choose to ignore I let the enemy lead me into the dark abyss of life Then one day God shined a ray of hope into the darkness and brought me to a dead end road He led I followed and He brought His lost sheep home He spoke I listened and I heard His voice He said let us take our journey and let us go and I will go before thee Genesis 33:12 He would heal me our home marriage and family He would bless us

through obedience give me grace I did not deserve He would teach me to have faith in Him as we walked the white rock path to cross the Great Divide to the other side He would teach me as we journeyed to the top of the mountain in search of the lone tree atop the mountain Pure Joy Patricia Knight,2003 Walking On Water Tim Seeber,2023-12-11 Faith is more than a series of facts or answers It is a gift that touches each and every part of our lives A school bus bird feeder or even a beagle can become an opportunity for clarity about God s presence in the ordinary As he did in his first book *Life Crossings* Seeber takes normal moments of life such as trash parakeets or a broken wood carving to unwrap the practical nature and power of faith Surprises and disappointments can become wonderful moments to feel God s presence in practical ways Seeber s insightful use of such moments encourages his readers to take advantage of similar opportunities in their own lives of faith **Do You Feel God Walking Beside You?** Raymond Sturgis,Love Works Entertainment,2010-07-08 We are living in difficult times and for many of us it has become harder than difficult Many of us go to bed at night wondering how we made it through the day and if tomorrow would be our last The political climate is divisive and hateful while the entertainment of our lives is marred with sexual harassment and fight for social justice Still God walks with us Families have been serving God for generations and like many they too are marred with hate vindictive fabricators It is easy to believe in God when your friends are your family and your neighbors stand with you for peace See God does walk with those that try to be good Moreover God cannot be many things to us only one and that is our spiritual father We have to rise above the threat of nuclear war racism sexism and separation so we can show the world that love is real and our faith in God is made it real I strongly believe that world is having a hard time believing in God because the killing of innocent in our communities and sporting events give us pause to ask WHERE ARE YOU GOD God has shown himself in the Bible and we have to show the world that God exists by showing them that he lives in us We must improve our care and character so we will feel good about doing right and fair to one another without being ashamed God walks with us the problem is how long will God let us walk with him iTunes and www audible com has the audio version of these books *God's Dealings with His Church.
