

LYONS

GOEBBELS & GLADYS

by our own correspondent

In the world he was an enigma, even to his friends, even to the women who shared his bed. Goebbels provided his secrets to only one person... to himself. His secret diary, long thought to be lost, will be published exclusively...

UNTOLD SECRETS

In the infamous history of the Third Reich there were many who reeled in their excitement: the vain Hermann Goering, the private Strasser, the death-master Himmler. Yet none of these, not even Hitler himself, succeeded in brilliance and mastering the astonishing Dr Josef Goebbels... a cool, intellectual of genius level who cynically manipulated the minds of men and women... a man with a powerful body and sexual proclivities who yet produced the international war's most beautiful women.

SEX SCANDALS

Goebbels would be standing with his back to the camera, his lean body undressed, and in the background, in the bed on the sofa, the exposed, pale, smiling, perhaps even laughing, Gladys. I wouldn't mind if they were both naked.

He said he was at Orly airport and wanted to get to the Quai for his post-war flight. I asked him why he didn't speak to someone at Orly and he asked when he was speaking to. I said that this was a London newspaper and he hung up, poor man.

Although his duties are now modest, he has had his triumphs. In the Spanish Civil War he saved the lives of three of Franco's prisoners by appointing them British correspondents. He was once syndicated.

KGB

The foreign editor strided over. He likes to know if Berchman has phoned up threatening to drop the bomb. I told him what the editor had said. "Must have been a double agent from the KGB," said the foreign editor.

LOVE IN

I should say that the two of them together are a match for any man.

Keith Colquhoun

...and opportunity are it called. There is much about him that is a mark of Santa: the white hair, the flushed face, the easy smile that children swing in excitement, but is in fact an alcoholic loss of control of his facial muscles. I am fond of Noel. He is well thought of generally. He has a good voice and convincingly drops upper-class names like Phyllis and Lord Evers.

London Magazine John Lehmann, Alan Ross, 1981 New Statesman, 1981 *Southern Reporter*, 1961 **Pyramids Road** Midhat J. Gazalé, 2004 This thoughtful poignant personal memoir begins in the Cairo of the 1930s with the author's schooldays at the Lycée Français and moves on to paint a rich social and ethnic picture against a backdrop of momentous events the accession of King Farouk the Second World War the Revolution of 1952 the Suez Crisis of 1956 In the unfolding of these historic times the sense of place too is strong with vivid descriptions of places long gone such as the British barracks which once stood where the Nile Hilton now stands and others that have changed substantially like Midan Soliman Pasha now Midan Talaat Harb The author's life then follows an unexpected course of cultural encounter as he plunges into a high powered business career in America Japan and Europe that takes him high into executive circles where the lessons he learns of cross cultural perceptions are both useful and entertaining Finally after more than three decades of absence the author returns to a bewilderingly changed Egypt He has to ask for help to cross a busy street a nostalgic visit to his old school brings not pleasure but sadness and oppressed by the size and pace of Cairo he seeks the refuge of the idyllic tree shaded Pyramids Road that he remembers so well from his childhood only to find that that too has changed beyond recognition Midhat Gazalé recollects people events and places with uncommon clarity and a gentle humor His memoirs will fascinate anyone who has ever asked the questions What was Egypt like then and How has it changed The publishers weekly, 1989

Muriel White's extraordinary journey reveals how one woman's privilege became her weapon against tyranny. This compelling tale traces the intricately intertwined history of American high society with European nobility in the face of rising Nazism. A haunting saga of family in the turmoil and tragedy of the twentieth century, Dina Gold, author of *Stolen Legacy*, drawing from never before published memoirs and declassified CIA documents, *The Countess and the Nazis* unveils the remarkable true story of a woman who traded America's Gilded Age society for a title in Prussia's aristocracy only to find herself making the ultimate sacrifice to protect her children from Hitler's regime. As the daughter of one of America's most respected diplomats and the wife of a Prussian count, Muriel White Seherr Thoss moved effortlessly through Europe's royal courts until the Nazi shadow fell across her adopted homeland. When faced with evil, she chose resistance over privilege. Leveraged her aristocratic connections to secure escape routes for Jewish families. Witnessed the Italian Fascist invasion of Albania while mentoring the future Queen Geraldine. Sacrificed everything to keep her sons from being conscripted into Hitler's army. Defied the Gestapo even as they held her virtually prisoner in her own country. From internationally recognized historian Richard Jay Hutto comes a new biography that *Publishers Weekly* calls a fascinating story brought to light, an exhilarating account of principled antifascism. This narrative reveals how one woman's courage stood against the rising tide of evil and how she paid the ultimate price for her convictions. *British Books in Print*, 1985
