**An Unruly World?** Andrew Herod, Geroid O Tuathail, Susan M. Roberts, 2002-09-11 An Unruly World explores the diverse conundrums thrown up by seemingly unruly globalization Examining how fast transnational capitalism is re making the rules of the game in a wide variety of different places domains and sectors the authors focus on a wide range of issues from analysis of soft capitalism and the post Cold War organizational drives of international trade unions to the clamour of states to reinvent welfare policy and the efforts of citizen groups to challenge trade and financial regimes An Unruly World argues that we are not living in a world bereft of rules and rulers the rules governing the global economy today are more strictly enforced by international organizations and rhetoric than ever before

**Globalisation** Great Britain: Parliament: House of Commons: Treasury Committee, 2007-10-16 Globalisation is having an enormous impact on the UK's economy creating significant challenges for policy making with the shift in economic power from West to East particularly the rise of China and India in the global economy The effects will be on felt on highly skilled jobs as well as some less skilled employment and public policy needs to respond to the likely implications for the labour market The Committee's report considers domestic policy challenges relating to the promotion of innovation and improving the business environment and the skills base in the economy and issues discussed include the drivers of globalisation trade and protectionism global imbalances as well as the beneficial and adverse effects of globalisation for the UK economy The Committee recommends that in order to promote understanding of the impact of globalisation on jobs and communities the Government should publish an annual review of new developments affecting the impact of and prospects for globalisation Given that protectionist sentiment is increasing posing a threat to the progress of both developed and developing countries the Committee supports

the Government's promotion of a successful conclusion to the Doha trade round Globalisation is also threatened by the risk of a disorderly unwinding of global imbalances and the success of a reformed International Monetary Fund will be judged by its performance in ensuring global imbalances are properly addressed
