The Ouroh Trilogy Thomas D. Bryson, 2012-07-24 There are few books that surprise their readers on every page even fewer that show readers how to live Boldly the OUROH trilogy does both Trevor and Trudy siblings from Earth take an unforgettable journey through these pages a journey you will gladly take alongside them theyre the kind of inspiring characters that live and breathe on the page and live on in your mind and heart long after the storys final word You cant help but root for and identify with them Their journey is rich with the power of words and wishes spoken and unspoken Its a journey not only through time recycled time but past time not only through our known universe but past it to another and another Ouroh is the center of thirteen multiverses not only through our minds and senses but past what weve been conditioned to perceive to a whole new way of seeing and knowing This epic tale has been created by a master storyteller and modern day philosopher one who

understands that acknowledging life's interconnectedness and relying on present moment awareness are the keys to true happiness. But you won't be pummeled with speeches or agendas; instead, this wisdom is skillfully woven into the narratives. Trevor and Trudy are joined by Ideas and Imagination, their Ouhro counterparts, as well as an unforgettable cast of supporting characters, including the fascinating Planimals, part plant, part animal, in a myriad of astounding varieties. Thrilling with heart-pounding tension and suspense, the story asks: Will the children save the multiverses from an errant word? Will they right the word that went wrong? In a time when people complain that there is nothing new under the sun, it is quite a rare achievement to discover a book unlike any other. The OUHRO trilogy is a true gift indeed. *Brainiac's Bug Book* Ann Tenah, 2003-11 This awesome activity book is filled with info about all things creepy and crawly, with stories to complete word searches, mazes, lots of jokes, backyard bug bingo, and much more. Free ladybug pen included. **The Irish Wine Trilogy** Dick Wimmer, 2009-01-10 The Irish Wine Trilogy is the original group of short comic novels that first introduced Dick Wimmer's beloved cast of characters, the same characters who most recently reappeared in *The Wildly Irish Sextet*. In these novels, which span ten years and two continents, readers are introduced to Seamus Boyne, the greatest painter since Picasso; his old friend, erstwhile writer and practicing pest control specialist Gene Hagar; his beautiful Dutch wife; and Hagar's lost love, Ciara, and his estranged, rebellious teenage daughter, Tory. From the first pages, in which an overwrought Boyne's suicide attempt is rudely interrupted by an attempted assassination, readers are in for a wild ride. A staged death, an unexpected father-daughter reunion, a madcap adventure of kidnapping and mistaken identity, and bizarre love triangles are some of the hijinks and tomfoolery to be found in *Irish Wine*. Boyne's *Lassie* and Hagar's *Dream* are now back in print to the delight of Seamus Boyne devotees across the land. **China Calls** Anne Collins Walker, 2012-06-15 In 1971, the United States had no diplomatic relations or established route of communications with China. Despite that, in a stunning act of diplomacy, President Richard Nixon announced that he would travel to China to meet with its leaders. Ron Walker, director of the White House Advance Office, was chosen to make it all happen. This is the story of Walker and his team. *China Calls* is based on the actual transcripts of telephone calls between the advance team in Peking and the White House in Washington. Much is known about Nixon's actual visit, but the story of how it all came together has never been told until *China Calls*. This 40th Anniversary Edition has an updated epilogue and additional photos. **The Complete Works of William Dean Howells (Illustrated)** William Dean Howells, 2023-12-07 *The Complete Works of William Dean Howells (Illustrated)* serves as a comprehensive anthology of one of America's foremost literary figures during the late 19th and early 20th centuries.
