Summertime Richard Crawford, 2020-06-30 The life of a beloved American composer reflected through his music writings and letters New York City native and gifted pianist George Gershwin blossomed as an accompanist before his talent as a songwriter opened the way to Broadway where he fashioned his own brand of American music He composed a long run of musical comedies many with his brother Ira as lyricist but his aspirations reached beyond commercial success A lifetime learner Gershwin was able to appeal to listeners on both sides of the purported popular classical divide In 1924 when he was just twenty five he bridged that gap with his first instrumental composition Rhapsody in Blue an instant classic premiered by Paul Whiteman's jazz orchestra as the anchor of a concert entitled An Experiment in Modern Music From that time forward his work as a composer pianist and citizen of the Jazz Age made him in some circles a leader on America's musical scene The late 1920s found him extending the range of the shows he scored to include the United Kingdom and he published several articles to reveal his thinking about a range of musical matters Moreover having polished his skills as an

orchestrator he pushed boundaries again in 1935 with the groundbreaking folk opera *Porgy and Bess* his magnum opus Gershwin's talent and warmth made him a presence in New York's musical and social circles and linked him romantically with pianist/composer Kay Swift In 1936 he and Ira moved west to write songs for Hollywood Their work was cut short however when George developed a brain tumor and died at thirty eight a beloved American artist Drawing extensively from letters and contemporaneous accounts acclaimed music historian Richard Crawford traces the arc of Gershwin's remarkable life seamlessly blending colorful anecdotes with a discussion of Gershwin's unforgettable oeuvre His days on earth were limited to the summertime of life But the spirit and inventive vitality of the music he left behind lives on **George**

George Gershwin Walter Rimler, 2011-02-16 George Gershwin lived with purpose and gusto but with melancholy as well for he was unable to make a place for himself no family of his own and no real home in music He and his siblings received little love from their mother and no direction from their father Older brother and lyricist Ira managed to create a home when he married Leonore Strunsky a hard edged woman who lived for wealth and status The closest George came to domesticity was through his longtime relationship with Kay Swift She was his lover musical confidante and fellow composer But she remained married to another man while he went endlessly from woman to woman Only in the final hours of his life when they were separated by a continent did he realize how much he needed her Fatally ill unprotected by and perhaps estranged from Ira he was exiled by Leonore from the house she and the brothers shared and he died horribly and alone at the age of thirty eight Nor was Gershwin able to find a satisfying musical harbor For years his songwriting genius could be expressed only in the ephemeral world of show business as his brilliance as a composer of large scale works went unrecognized by highbrow music critics When he resolved this quandary with his opera *Porgy and Bess* the critics were unable to understand or validate it Decades would pass before this his most ambitious composition was universally regarded as one of music's lasting treasures and before his stature as a great composer became secure In *George Gershwin An Intimate Portrait* Walter Rimler makes use of fresh sources including newly discovered letters by Kay Swift as well as correspondence between and interviews with intimates of Ira and Leonore Gershwin It is written with spirited prose and contains more than two dozen photographs **A Journey to Greatness.
