

THE GEORGE GRANT READER

Edited by William Christian and Sheila Grant

George Grant Reader

George Parkin Grant

George Grant Reader:

The George Grant Reader George Parkin Grant, 1998-01-01 A number of his more disturbing essays are also included such as his controversial writings on abortion The editors substantial introduction places the articles in the wider context of Grant's life and thought **BOOK JACKET** **George Grant** Hugh Donald Forbes, 2007-01-01 George Grant 1918 1988 is the most engaging and provocative writer to have dealt with Canadian politics in the last fifty years His Lament for a Nation 1965 is an undisputed classic of our nations political literature An instant best seller on account of its practical political argument it has endured as an interpretation of Canadian history and a justification for nationalism in this country Along with Grants other books it has also helped to clarify what is meant by the malaise of modernity said to characterize our time and thus has served to introduce more than a generation of students to the basic questions of political philosophy This study aims to guide the reader toward a clearer understanding of Grants thought Focusing on his six short books and some of his most revealing articles and addresses it serves as both an introduction to and an overview of George Grants career and his many contributions to the fields of political science philosophy religion and Canadian studies Hugh Donald Forbes relates Grants work to that of three disparate and controversial European thinkers Martin Heidegger Leo Strauss and Simone Weil exploring Grant outside of the strictly Canadian framework in which he is normally situated This volume offers fresh perspective on the work of an important political philosopher It will prove invaluable reading for students new to the subject as well as for those interested in a comprehensive study of an outstanding Canadian thinker George Grant T.F.

Rigelhof, 2001-01-01 George Grants Lament for a Nation led some to call him a Red Tory and the dominant force behind the Canadian nationalist movement of the 1970s Today reading George Grants books helps us to understand the full implications of American led technology driven globalization on everyday life **Collected Works of George Grant** George Grant, 2000

Collected Works of George Grant Arthur Davis, Henry Roper Roper, Sheila Grant, 2009-02-28 George Grant 1918 88 has often been called Canada's greatest political philosopher and his work continues to influence the country's political social and cultural discourse and institutions The fourth and final volume of the Collected Works of George Grant contains his writings from the last period of his life and includes unpublished material such as lectures interviews and excerpts from his notebooks With comprehensive annotations for his articles reviews and the three books he published during this period Time as History English Speaking Justice and Technology and Justice the volume also contains his writings on Nietzsche Heidegger Simone Weil and C line that were central to this phase of his thought Volume 4 reveals his engagement with technology and the nature of technological society that is as insightful today as during Grant's lifetime and is lasting proof of his legacy Arthur Davis is Associate Professor in the School of Social Sciences Atkinson Faculty of Liberal and Professional Studies York University During the 1950s he studied undergraduate philosophy with George Grant **Reading George Grant in the 21st Century** Tyler Chamberlain, 2024-03-12 George Grant 1918 1988 was one of Canada's foremost public

philosophers Though his thought arose out of reflection on the history of political philosophy pressing political concerns were never far from view He was particularly adept at locating the causes of political developments in philosophical movements that were centuries in the making This book reassesses his ideas in light of philosophical and political developments of recent decades including the resurgence of nationalism criticisms of globalization and technocracy and the ideological realignments having a particularly noticeable effect on right wing politics The contemporary reader of Grant is thus able to reflect on his broader criticisms of modernity from within a slightly different historical articulation of modernity Though George Grant died in 1988 the philosophical themes in his work remain relevant into the 21st century Collected Works of George Grant:

1951-1959 George Parkin Grant,2000-01-01 A collection of all the important material from the 1950s when philosopher George Grant did his first teaching and writing at Dalhousie University **Collected Works of George Grant** George P. Grant,2000-12-15 More than a decade after his death George Grant continues to stimulate challenge and inspire During his lifetime he influenced a broad cross section of Canadians urging them to think more deeply about matters of social justice and individual responsibility He wrote on subjects as diverse as technology abortion Canadian politics and nationalism and the war in Vietnam and was claimed equally by rightist and leftist causes Grant s legacy includes six books and more than two hundred articles as well as numerous broadcast transcripts extensive correspondence and a wealth of unpublished lectures essays and notes In this projected eight volume series Grant s published and unpublished writings including his complete correspondence will be brought together for the first time The texts are annotated and each volume includes an introduction to the period that it covers The series will not only make it possible to see the whole pattern of Grant s thought but will also invite a reconsideration of the nature and importance of his work Volume I covers Grant s intellectual development through his student years Included are his early reviews a brief journal written as he recovered from tuberculosis in 1942 and his earliest social and political writings about Canadian and international affairs The most important of Grant s formative years were those spent at Oxford after the war culminating in the writing of his DPhil thesis on the Scottish philosopher John Oman In this dissertation published here in full we see the main themes of Grant s thought worked out for the first time Waiting at the Foot of the Cross Pamela R. McCarroll,2013-12-24 How do we hope in the face of modernity s failure and postmodernity s absence of foundations How do we hope when the future seems fearful and no clear way forward appears How do we hope when despair indifference and cynicism dominate the psychic landscape of English speaking North America In dialogue with theologians of the cross George Grant and Douglas John Hall this book unmask the failure of hope in our time and the vacuum of meaning that remains As an exercise in the theology of the cross Waiting at the Foot of the Cross explores the North American context as one in which true hope is discovered only when life s negations are engaged from a posture of waiting trust Such hope is not passive or blind Rather it is attentive active open and spiritually grounded in the One who meets us when all hope is spent The final chapter proposes a way toward hope for today that

inspires subversive resilience in the face of the ambiguities and vicissitudes of life Readers interested in the theology of the cross in thinking theologically in our time and place and those interested in the character of Christian hope will find this book compelling George Grant and the Subversion of Modernity Arthur Davis,1996-12-15 George Grant's mystique as a public philosopher is due in part to the seemingly contradictory political stances he took through the years His opposition to the Vietnam war and his linking of liberalism with technological progress and imperialism brought him favour among the political left during the 1960s Then in the following decade his opposition to abortion earned him allies on the political right despite his rejection of limitless capitalist growth and free trade with the US This collection of original essays reveals the complex philosophic artistic and religious sources underlying Grant's public positions of nationalism pacifism and conservatism The collection begins with Grant's previously unpublished writing on C line This is a bold and vigorous Grant writing on a topic about which he is passionate and deeply informed Grant's own work is followed by two pieces that explore his devotion to C line Nietzsche Heidegger Weil and Strauss also receive special attention here Many of the essays draw on manuscripts and notes left unpublished by Grant thus contributing new perspectives to the ongoing discussion of his work The focus of this book is the unknown George Grant namely the philosophic religious and artistic inspiration behind his well known public positions Here we discover the great modern thinkers who animated Grant and whose writings occupied him for much of his life

Body, Mind and Self in Hume's Critical Realism Fred Wilson,2013-05-02 This essay proposes that Hume's non substantialist bundle account of minds is basically correct The concept of a person is not a metaphysical notion but a forensic one that of a being who enters into the moral and normative relations of civil society A person is a bundle but it is also a structured bundle Hume's metaphysics of relations is argued must be replaced by a more adequate one such as that of Russell but beyond that Hume's account is essentially correct In particular it is argued that it is one's character that constitutes one's identity and that sympathy and the passions of pride and humility are central in forming and maintaining one's character and one's identity as a person But also central is one's body a person is an embodied consciousness the notion that one's body is essential to one's identity is defended at length Various concepts of mind and consciousness are examined for example neutral monism and intentionality and also the concept of privacy and our inferences to other minds

Quest Biographies Bundle — Books 1-5 Vladimir Konieczny,Darcy Dunton,Michelle Labrèche-Larouche,T.F. Grant Jacques Plante John Diefenbaker *Quest Biography 35-Book Bundle* Judith Fitzgerald, Michelle Labrèche-Larouche, Kate Braid, T.F. Rigelhof, Raymond Plante, Arthur Slade, John Wilson, Kathryn Bridge, Roderick Stewart, Sharon Stewart, Margaret Macpherson, Iain Goodall, Marguerite Paulin, Francine Legaré, Gary Evans, Deborah Cowley, Tom Shardlow, Heather Kirk, Anne Cimon, André Vanasse, Wayne Larsen, Tom Henighan, Nicholas Maes, Julie H. Ferguson, Valerie Knowles, D.T. Lahey, Edward Butts, Peggy Dymond Leavey, Rosemary Sadlier, Ray Argyle, Nathan Tidridge, Ged Martin, 2013-12-24 This special bundle contains the first thirty five books in the Quest Biography series which profiles the lives of Canadians who have had a profound effect on their country and the world Some of these figures are truly famous while others were quietly influential Among the wide variety of people we meet are prime ministers Mackenzie King Macdonald Laurier and more artists Emily Carr Tom Thomson explorers David Thompson Samuel de Champlain politicians Ren Lévesque Joey Smallwood writers Robertson Davies Gabrielle Roy entertainers Emma Albani Mary Pickford activists Nellie McClung Louis Riel Harriet Tubman and many many more Let this series be your primer on the greatest figures in Canadian history Includes Emma Albani Emily Carr George Grant Jacques Plante John Diefenbaker John Franklin Phyllis Munday Wilfrid Laurier William Lyon Mackenzie King Ren Lévesque Samuel de Champlain John Grierison Lucille Teasdale Maurice Duplessis David Thompson Mazo de la Roche Susanna Moodie Gabrielle Roy Louis Riel James Wilson Morrice Vilhjalmur Stefansson Robertson Davies James Douglas William C Van Horne George Simpson Tom Thomson Simon Girty Mary Pickford Harriet Tubman Laura Secord Joey Smallwood Prince Edward Duke of Kent John A Macdonald Marshall McLuhan

Collected Works of George Grant: 1933-1950 George Parkin Grant, Henry Roper, 2000-01-01 Included are Grant's early reviews a brief journal written as he recovered from tuberculosis in 1942 his earliest social and political writings and his DPhil thesis on the Scottish philosopher John Oman

Leo Strauss and Anglo-American Democracy Grant N. Havers, 2013-10-15 Leo Strauss and Anglo American Democracy critically interprets Strauss's political philosophy from a conservative perspective Most mainstream readers of Strauss have either condemned him from the Left as an extreme right wing opponent of liberal democracy or celebrated him from the Right as a traditional defender of Western civilization Rejecting both portrayals Grant N Havers shifts the debate beyond the conventional parameters stating that Strauss was neither a man of the Far Right nor a conservative but in fact a secular Cold War liberal In *Leo Strauss and Anglo American Democracy* Havers contends that the most troubling implication of Straussism is that it provides an ideological rationale for the aggressive spread of democratic values on a global basis while ignoring the preconditions that make these values possible Concepts such as the rule of law constitutional government Christian morality and the separation of church and state are not easily transplanted beyond the historic confines of Anglo American civilization as recent wars to spread democracy have demonstrated

Canadian Conservative Political Thought Lee Trepanier, Richard Avramenko, 2023-03-24 This book corrects an imbalance in Canadian political literature through offering a conservative

account of Canadian political thought Across 15 chronologically organized chapters and with a mixture of established and rising scholars the book offers an investigation of the defining features and characteristics of Canadian conservative political thought asking what have Canadian conservative political thinkers and practitioners learned from other traditions and in turn what have they contributed to our understanding of conservative political thought today Rather than its culmination Canadian Conservative Political Thought will be the beginning of conservative political thought s recovery and will spark debates and future research The book will be a great resource for courses on Canadian politics history political philosophy and conservatism Canadian Studies and political theory

Canada and the End of Empire Phillip Buckner, 2013-12-01 Sir John Seeley once wrote that the British Empire was acquired in a fit of absence of mind Whatever the truth of this comment it is certainly arguable that the Empire was dismantled in such a fit This collection deals with a neglected subject in post Confederation Canadian history the implications to Canada and Canadians of British decolonization and the end of empire Canada and the End of Empire looks at Canadian diplomatic relations with the United Kingdom and the United States the Suez crisis the changing economic relationship with Great Britain in the 1950s and 1960s the role of educational and cultural institutions in maintaining the British connection the royal tour of 1959 the decision to adopt a new flag in 1964 the efforts to find a formula for repatriating the constitution the Canadianization of the Royal Canadian Navy and the attitude of First Nations to the changed nature of the Anglo Canadian relationship Historians in Commonwealth countries tend to view the end of British rule from a nationalist perspective Canada and the End of Empire challenges this view and demonstrates the centrality of imperial history in Canadian historiography An important addition to the growing canon of empire studies and imperial history this book will be of interest to historians of the Commonwealth and to scholars and students interested in the relationship between colonialism and nationalism

George Grant in Conversation David Cayley, 1995-10-01 Historian Ramsay Cook called George Grant one of Canada s two most important political thinkers in the twentieth century In these lively conversations recorded not long before Grant s death David Cayley explores with Grant the deep roots of his faith his evolution as a thinker and his views on the future of Canada

Christian Moral Theology in the Emerging Technoculture Brent Waters, 2016-05-23 We are living in an emerging technoculture Machines and gadgets not only weave the fabric of daily life but more importantly embody philosophical and religious values which shape the contemporary moral vision a vision that is often at odds with Christian convictions This book critically examines those values and offers a framework for how Christian moral theology should be formed and lived out within the emerging technoculture Brent Waters argues that technology represents the principal cultural background against which contemporary Christian moral life is formed Addressing contemporary ethical and religious issues this book will be of particular interest to students and scholars exploring the ideas of Heidegger Nietzsche Grant Arendt and Borgmann

Canadian Books in Print. Author and Title Index, 1975

The Top Books of the Year George Grant Reader The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. George Grant Reader : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. George Grant Reader : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
