George Macdonald:

George MacDonald Rolland Hein, 2014-11-10 C S Lewis once remarked that his debt to George MacDonald's writings was almost as great as one man can owe to another. I know hardly any other writer who seems to be closer or more continually close to the Spirit of Christ Himself. Born in Scotland in 1824 MacDonald was educated at King's College in Aberdeen and Highbury Seminary in London. As a Christian minister he indulged early his fondness and skill in the writing of poetry then fantasy and fiction as well as sermons. Quickly becoming known for his literary skills he became a popular writer and lecturer counting among his friends and fans Lady Byron, Alfred Lord Tennyson, Mark Twain, John Ruskin, Matthew Arnold and Lewis Carroll who only published *Alice's Adventures in Wonderland* at the urging of the MacDonald family. At the time of his death in 1905 he left behind a large volume of work that has had a profound influence on many writers including G K Chesterton, C S Lewis, J R R Tolkien, Madeleine L Engle and Frederick Buechner. This seminal biography is based upon a careful researching of thousands of letters written to and by MacDonald as well as personal papers and documents collected in museums and libraries in America and Europe. A noted MacDonald scholar Rolland Hein spent over a decade reading and researching these documents with a view to exploring those aspects of the life and experiences of this great author and saint that have so profoundly influenced many of the seminal authors of the twentieth century. *The Poetical Works of George Macdonald*

George Macdonald, 1893 **The Harmony Within** Rolland Hein, 2013-12-01 George MacDonald is a witness to the power of imagination. By using the art of enchantment he is able to draw readers into another world seemingly more real than this one. What was the power behind his imagination and what drove MacDonald's art? It was his vision of the spiritual life that provided the context for his fantastic fairy tales and other writings. *The Harmony Within: The Spiritual Vision of George MacDonald* takes a close look at the religious roots of MacDonald's writing. So many people today are looking for a spiritual connection between God and man, between myth and destiny. George MacDonald's work provides a doorway to other worlds; the ideas behind his writing may help reshape the mythic elements of our lives. **Home Again, By: George MacDonald**

(the World's Classics) George MacDonald, 2016-09-06 George MacDonald 10 December 1824 18 September 1905 was a Scottish author, poet and Christian minister. He was a pioneering figure in the field of fantasy literature and the mentor of fellow writer Lewis Carroll. His writings have been cited as a major literary influence by many notable authors including W H Auden, C S Lewis, J R R Tolkien, Walter de la Mare, E Nesbit and Madeleine L Engle. C S Lewis wrote that he regarded MacDonald as his master. Picking up a copy of *Phantastes* one day at a train station bookstall, I began to read. A few hours later said Lewis, I knew that I had crossed a great frontier. G K Chesterton cited *The Princess and the Goblin* as a book that had made a difference to my whole existence. Elizabeth Yates wrote of Sir Gibbie, 'It moved me the way books did when as a child the great gates of literature began to open and first encounters with noble thoughts and utterances were unspeakably thrilling.'
