## **George Bernard Shaw A Review Of The Literature:**

**Bernard Shaw's Book Reviews: 1884-1950** Bernard Shaw, Brian Tyson, 1991 This new volume of Bernard Shaw's book reviews is a companion to Brian Tyson's previously edited collection of Shaw's earlier book reviews. Here Tyson collects seventy-three of the best remaining literary book reviews written by Shaw throughout his lifetime. Two-thirds of the reviews appear in book form for the first time; the originals residing in the archives of newspaper libraries and only three of the remainder have been reprinted within the last twenty years. Politics feature largely in the works that Shaw reviewed: there are books of socialist theory and its practical appearance in the Soviet Union as well as books on the individualism of J. H. Levy, the anti-socialism of Thomas McKay and the economics of E. C. K. Gonner and Philip Wicksteed. There is often an immediacy about the books reviewed: too discussion of books on World War I, the Soviet Revolution, women's suffrage, the British General Strike of 1926 and World War II all take place concurrently with the events. Many of the works reviewed are biographies which give Shaw the opportunity to reveal his personal acquaintance with their subjects, including Samuel Butler, William Morris and Dean Inge. This widely varied collection sparkles with wit and wisdom, taking us briskly through Shaw's own writing life, beginning when he was relatively unknown and concluding when he was a legend. *George Bernard Shaw* Jill M. Phillips, 1976 *Shaw's Dramatic Criticism from the Saturday Review, 1895-1898* George Bernard Shaw, 1979-01-01

**Bernard Shaw's Book Reviews** Bernard Shaw, 1991 These hitherto uncollected book reviews of Shaw's first journalistic efforts reveal much not only about the writer but also the culture of the time in which he lived. Between 1885 and 1888 Bernard Shaw published 111 book reviews in the Pall Mall Gazette. In spite of their importance as the first regular journalism Shaw wrote and the fact that the books (fiction, nonfiction, plays and poetry) he read during these years must have formed the nucleus of his permanent library, the reviews have never before been analyzed in connection with Shaw's work. Brian Tyson has assembled the book reviews complete with the books' titles, authors and a brief biography of each author, including any comments Shaw made about the review and has placed them in historical context, elucidating any interesting, difficult or obscure references. Tyson's critical introduction places the reviews in the context of Shaw's work and Victorian society. The reviews are often characterized by the wit and brilliance that we associate with the later Shaw, shedding light on his development as a writer at his most formative stage. Regardless of the merits of the material Shaw was reviewing, it is amusing and enlightening to follow him down to the wandering tributaries of Late Victorian fiction and poetry, which reveal as much about Shaw as they do about the preoccupations and prejudices of the average reader of the day. **Pen Portraits and Reviews** Bernard Shaw, 2022-08-16 In *Pen Portraits and Reviews* George Bernard Shaw presents a captivating assemblage of his critiques, essays and portraits that illuminate the literary and cultural landscape of his time. Shaw's writing is characterized by its incisive wit, keen observation and astute social commentary, melding literary critique with personal reflections on influential figures. The work encapsulates the ethos of the early 20th century, showcasing Shaw's unique

position within the modernist literary context as he deftly navigates the intricacies of theatrical art literature and the prevailing societal norms of the period Bernard Shaw an eminent playwright critic and polemicist crafted his literary voice against the backdrop of a rapidly changing society His experiences in the London theater scene coupled with his fervent commitment to social reform and political activism significantly influenced his worldview Shaw s engagement with contemporaneous debates on art and morality can be seen throughout Pen Portraits and Reviews enriching the discourse with his distinct blend of inspired insight and sharp edged humor This compelling collection is essential reading for anyone interested in the crossroads of literature and critique providing readers with an intimate glimpse into the mind of Shaw as he examines his peers and the societal challenges they faced Readers will find Pen Portraits and Reviews not only an enriching literary experience but also a profound commentary on the human condition

**Shaw and Other Playwrights** John Anthony Bertolini, 1993 The early conclusion that Shaw was mainly a magpie following the trails of many thinkers has led to

the further consequence of neglecting Shaw's relationship to other playwrights. This volume of SHAW explores Shaw's plays as inheritances and inspirations of dramatic art and also locates Shaw himself as a presence in the work of his contemporaries and successors. The volume concentrates on Shaw in relation to other modern British playwrights notably Wilde, Bennett, Rattigan, the Court Theatre playwrights and Shaw's successors from Coward to Stoppard. Gwyn Thomas's 1975 BBC play *The Ghost of Adelphi Terrace* puts Shaw and Barrie together on stage and Shaw's 20 June 1937 Sunday Graphic obituary tribute to Barrie demonstrates Shaw's high regard for his contemporary and near neighbor. There are also essays on how Shaw came increasingly to resemble Strindberg as a dramatist on the requirements of acting and directing Shaw alongside his contemporaries at the Shaw Festival at Niagara on the Lake and on *Heartbreak House* as a complex dialogue with Chekhov, Shakespeare and Strindberg. John R. Pfeiffer has prepared a special bibliography of sources relating to Shaw and other playwrights in addition to the Continuing Checklist of Shaviana and Dan H. Laurence has provided Shaw's pronunciation guide for the more troublesome names of his stage characters. There are also reviews of four recent additions to Shavian scholarship. Contributors include John A. Bertolini, Fred D. Crawford, R. F. Dietrich, T. F. Evans, A. M. Gibbs, Leon H. Hugo, Christopher Newton, Sally Peters, John R. Pfeiffer, Evert Sprinchorn and Stanley Weintraub.

**Readers' Guide to Periodical Literature**, 1910      Readers' Guide to Periodical Literature Anna Lorraine Guthrie, Bertha Tannehill, Neltje Marie Tannehill Shimer, 1910      **The Saturday Review of Politics, Literature, Science, Art, and Finance**, 1900      **The Saturday Review of Politics, Literature, Science and Art**, 1898      1992, Shaw and the Last Hundred Years Bernard Frank Dukore, 1994. In 1892 the first production of Bernard Shaw's first play *Widowers Houses* heralded the birth of modern drama in the English language. One hundred years later a group of Shavians gathered to examine the significance and influence of Shaw's drama in the English speaking world. The conference sponsored by Virginia Polytechnic Institute and State University brought together theater scholars, critics and artists from Canada, England, Ireland and the United States. The conference also featured productions of *The Shewing up of Blanco Posnet*, *The Man of Destiny* and *Farfetched Tales*, each followed by a symposium. The centennial conference not only marked the importance of the event but also stimulated new ways of regarding that historic moment: reexaminations of the significance of Shaw's plays and explorations of their consequences. Some speakers reevaluated the genesis of the first production of *Widowers Houses* and its social, cultural and theatrical context. Some brought to bear on the subject of Shavian drama recent critical perspectives such as feminism, deconstructionism and the type of close textual and intertextual scrutiny seldom accorded Shaw. Others explored his impact in England, America, Ireland and the Antipodes. Still others examined the relationship of comedy and ideas, subtext and how this Victorian dramatist remains pertinent today. The conference concluded with a symposium that aimed to assess what might lie ahead for Shaw on page and stage in the next hundred years. This volume records the proceedings of the conference as well as reviews and the continuing checklist of Shaviana. Contributors are Peter Barnes, Charles A. Berst, Montgomery Davis
