George Washington Ate Here! Pennsylvania Dietetic Association, 1976 George Washington Ate Here! T. Upton Ramsey, 1997-11 **American Folk Legend** Wayland D. Hand, 2023-11-10 The symposium on American folk legend organized by UCLA in 1969 marked a significant step toward addressing a neglected area in folklore scholarship Held from June 19 to 22 the conference brought together eleven delegates from the United States and Canada along with staff members from the guest institution to discuss the challenges and developments in American folk legend study The conference provided a platform for notable contributions from figures such as Richard M Dorson Robert A Georges Linda D gh and others Discussions covered diverse aspects of folk legend including definition classification structure and socio psychological values and featured explorations of regional Hispanic and Latin American folklore The proceedings underscored the field s early stage of development in the United States and highlighted the need for comprehensive collections surveys of legend genres and thematic studies The conference suggested that once these foundational efforts are in place many ambiguities surrounding American legends could be clarified Participants advocated for a more systematic approach akin to the rigor applied to folk song and ballad research to achieve a better understanding of American legendry These discussions pointed to the need for fieldwork and scholarly attention to uncover and classify legends which would enable scholars to undertake meaningful analyses of American folklore In summary the conference not only aimed to share existing knowledge but also served as a call to action for greater scholarly focus on American legends The organizers expressed hope that the symposium would inspire new research stimulate the discovery of published materials and encourage scholars to map out specific research areas within American folk legend This event laid the groundwork for a more systematic and expansive study of folklore in the United States advancing an often overlooked field toward a more structured and accessible discipline This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1971 *George Washington Ate Here* Martha Tyzenhouse, 2008 **A Culinary History of Myrtle Beach & the Grand Strand** Becky Billingsley, 2013-06-25 The culinary history of Myrtle Beach reflects a unique merging of Native American European African and Caribbean cuisines Learn the techniques used by enslaved Africans created vast wealth for rice plantation owners what George Washington likely ate when visiting South Carolina in 1791 how the turpentine industry gave rise to a sticky sweet potato cooking method and why locals eagerly anticipate one special time of year when boiled peanuts are at their best Author Becky Billingsley a longtime Myrtle Beach area restaurant journalist digs deep into historic records and serves up both tantalizing personal interviews and dishes on the best local restaurants where many delicious farm to table heritage foods can still be enjoyed George Washington Slept Here Karal Ann Marling, 1988

In her quest for the unhistorical George Washington Marling has examined the subculture of American life magazine fiction historical romances movies and journalism She traces the descent of high art into such popular forms as posters billboards and advertising packages 224 halftones An Uncommon Cape Eleanor Phillips Brackbill,2012-09-07 When Eleanor Phillips Brackbill bought her suburban Westchester house in 2000 three mysteries came with it First from the former owner came the information that the 1930s house was a Sears house or something like that Thrilled to think it might be a Sears Roebuck Co mail order house Brackbill was determined to find evidence to prove it She found instead a house pedigree of a different sort Second and even more provocative was the discovery of several iron stakes protruding from the property s enormous granite outcropping bigger in square footage than the house itself When queried about them the former owner told her Someone a long time ago kept monkeys there chained to the stakes Monkeys Was this some kind of suburban legend A third mystery came to light at closing when a building inspector s letter contained a reference to the house having had at one time a different address Why would the house have had another address Her curiosity aroused and intent upon finding the facts Brackbill gradually peeled back layers of history allowing the house and the land to tell their stories and uncovering a past inextricably woven into four centuries of American history At the same time she found thirty two owners across 350 years who had just one thing in common ownership of a particular parcel of land An Uncommon Cape not only tells the story of an eight year odyssey of fact finding and speculation but also answers the broader question What came before and through material presented in twenty two sidebars offers readers insights and guidelines on how to find the stories behind their own homes Very Washington DC Diana Hollingsworth Gessler,2025-05-01 A travel guide with character this fact filled keepsake offers all the history beauty charm and culture of our nation s capital city In eye catching watercolors and detailed sketches artist Diana Gessler captures the allure that makes Washington DC one of the most visited destinations in the country In addition to the national landmarks stirring memorials and vibrant neighborhoods there s the Cherry Blossom Festival the Twilight Tattoo a military pageant featuring the Old Guard Fife and Drum Corps and the U S Army Drill Team colorful row houses famous hotels and restaurants and more museums than you ll be able to visit in just one trip Gessler covers the city s most popular attractions but also heads off the beaten path to share hidden gems like the quirky Albert Einstein Memorial and Eastern Market where you can dine on bluebucks and browse for flea market finds Also included are an index of sites and a useful appendix of addresses Web sites Metro stops and phone numbers Very Washington DC is a picture perfect guidebook a one of a kind memento for tourists and a cherished reminder of the city s riches for those who have always lived in America s hometown Adequacy of U.S. Customs Service Operations and Administrative Organization on the West Coast United States. Congress. Senate. Committee on Small Business,1985 Wayne County's Lost River Settlements Cletis R. Ellinghouse,2008-07-23 Wayne Countys Lost River Settlements is a history of six hamlets in southeastern Missouri that were destroyed by the government to clear the landscape for development of Lake Wappapello on

the St Francis River in the late 1930s Several of the profitable river bottom homesteads had been in the families for well over 100 years but with nothing else to do the evicted farmers moved on reluctantly in what became the greatest upheaval in the history of the county With so much of Wayne Countys assessed valuation lost in the government buyout it was feared remaining tax revenues would be inadequate to support essential services and that the countys various parts by necessity soon would be attached to adjoining counties That didnt happen but citizens at the doomed county seat Greenville struggled through an ordeal of pain and uncertainty that went on for several months before finally coming to an agreement to build a new town outside the flood plain Greenvilles turmoil and fight for survival is covered in the concluding segment of the book It lives on as the county seat in its new location but little is known today of the lost settlements Chaonia Taskee Ojibway Bethel Center Ridge and Kime each near the other and all at the time of their destruction closely aligned by blood and marriage which gives added significance to the discovery of the papers of Henry Yeakley Mabrey 1836 1915 who spent his childhood at Kime and for the greater part of the rest of his life resided a few miles to the south at Center Ridge which was just north of Chaonia whose birth he witnessed in 1888 Chaonia a railroad town became the trading center for one of the richest farming areas in the southeastern part of the state Much of what is known of the settlements formative years is based on information gleaned from the Mabrey papers which include school church governmental and Civil War journals as well as diaries letters and personal notes Mr Mabrey a teacher served in a number of political posts including two terms as commissioner of public schools and two terms as probate judge of Wayne County The author brings a unique perspective to the story since he has lived with it since early childhood As he states in the preface of the book My involvement my yen to write about these people was possibly ordained for I had heard much chatter about many of the families and of course the lost settlements while growing up at Greenville It is his hope his work brings a measure of honor if not appreciation to the families in the lost settlements whose sacrifices for the common good were for the most part made without fanfare or public notice
