

Mrs. Dan Gerber

"Nursing is the mother of invention," said a great man a long time ago. How true! Especially in the case of young mothers. They are inventive because they gaily will have to be. One such mother we've heard about recently showed her remarkable ingenuity this way: when her baby outgrew his first little knit caps she snipped off the crests—hemmed up the raw edges and converted the caps to useful "pina" skirts. A bright little brainstorm that's most certainly worth a try.

Growing baby needs plenty of Vitamin C, beginning shortly after birth. Guaranteed Vitamin C value is one thing you can count on from Gerber's new Strained Orange Juice. Made from tree-ripened oranges . . . specially pasteurized. Extra-early strained for nursing-bottle feeding. Gerber's Orange Juice has an appealing natural color, mild fresh-fruit flavor.

Adorable? Indeed! And since most people will agree that babies are the most important people, Gerber's strive to make especially good, especially nourishing baby foods for your little one.

Mother of five!

## UP BABY

Well-begun, half-done . . . an old truth that applies to modern baby feeding. Doctors add new foods at a fast pace, partly for good nutrition—but also because they know that getting used to plentiful variety at an early age makes for good future eating habits throughout all the baby years.

Egg yolks may come early in baby's diet—particularly when they're Gerber's Strained Egg Yolks. Babies love their creamy-smooth texture and delicious fresh-egg flavor. Nutritious, too! Because of their high iron, protein, and Vitamin A content, Gerber's Egg Yolks are a valuable addition to the diet throughout babyhood.

Blanket rule. When buying crib blankets why not get two of the same color? As baby outgrows the small size, it's a cinch

to make a large one by stitching the two together.

Solid foods: Doctors often suggest one of Gerber's Strained Fruits for baby's first solid food. In any event, it's only a matter of a few weeks before your baby's ready for a pretty complete menu. Gerber's, who make baby foods and nothing else, offer over 30 Strained Foods . . . Fruits, Vegetables, Soups, Desserts—even Meats, made from selected Armour cuts. All are made from pure ingredients, carefully processed for high retention of good food values. All have that special creamy-smooth texture and mild natural flavor that go over so well with babies!
