**RD Boyd**

## **German Aces Of World War I The Pictorial Record:**

**German Aces of World War I** Norman Franks, Greg VanWyngarden, 2004 The air aces of Imperial Germany's Luftstreitkräfte are an ever popular subject among aviation historians enthusiasts war gamers and aircraft modelers The images of famous airmen such as Manfred von Richthofen Ernst Udet and Werner Voss are well known and frequently published but the same cannot be said for all of the over 300 German airmen who achieved five or more aerial victories in the Great War Their stories have often been published but never have as many photographs of the aces been assembled within the pages of one volume Of necessity these photos vary widely in style format and quality yet they serve to reveal a good deal of information about the pilots and the multitude of different uniforms and decorations they wore Students of World War I aircraft will also find useful illustrations of the various machines in which these pilots attained their fame Over 330 photographs of the aces are provided The aces are listed in score order starting with the Red Baron himself with eighty victories and proceeding down the list to the last alphabetically ordered airman with five claims Martin Zander Each photograph is accompanied by a brief service history and victory total of the ace *British and American Aces of World War I* Norman Franks, 2005 A companion volume to *German Aces of World War I The Pictorial Record* Norman Franks Greg VanWyngarden Schiffer 2004 this new book covers the British and Commonwealth fighter aces of the Great War One chapter covers the aces with ten or more victories and an additional chapter lists the fighter aces with nine down to five victories giving their squadrons where they hailed from and in many cases their subsequent fate For the American aces the author lists every fighter ace of the period from Rickenbacker's twenty six down to those with five victories **Air Force Magazine**, 1990 **First to Fly** Charles Bracelen Flood, 2015-06-02 The compelling story of the squadron of adventurous young American pilots who were among the first to engage in air combat Tampa Bay Times In *First to Fly* lauded historian Charles Bracelen Flood draws on rarely seen primary sources to tell the story of the daredevil Americans of the Lafayette Escadrille who flew in French planes wore French uniforms and showed the world an American brand of heroism before the United States entered the Great War As citizens of a neutral nation from 1914 to early 1917 Americans were prohibited from serving in a foreign army but many brave young souls soon made their way into European battle zones It was partly from the ranks of the French Foreign Legion and with the sponsorship of an expat American surgeon and a Vanderbilt that the Lafayette Escadrille was formed in 1916 as the first and only all American squadron in the French Air Service Flying rudimentary planes against one in three odds of being killed these fearless young men gathered reconnaissance and shot down enemy aircraft participated in the Battle of Verdun and faced off with the Red Baron dueling across the war torn skies like modern knights on horseback *First to Fly* shows us that there was something noble and honorable about the Escadrille men who did not turn against their own country but put their lives up to fight for a cause not because they had to but because it was the right thing to do The Wall Street Journal **Over the Front**, 2005 *American Book Publishing Record*

,2006     **Stand To!** ,2006     **The Stand** Stephen Skinner,2024-11-28 A revised and expanded new edition of this classic biography of a legendary American fighter pilot Frank Luke was the first American airman to be awarded the Medal of Honor He was the second highest scoring American fighter ace of the First World War just behind Eddie Rickenbacker Unlike the jovial Rickenbacker Luke is an enigma On the basis of his unmatched rate of aerial victories including many heavily defended balloons Luke was likely one of the bravest and most gifted fighter pilots of the war On the other hand the young Arizonan was almost universally disliked and doubted by his peers Frank Luke was shot down and killed on September 29 1918 he was 21 years old and had been in combat for just over a month The details of this exceptional pilot s death were murky heavily shrouded by rumor and mythos Author Stephen Skinner changed that Skinner immersed himself in the life and death of Frank Luke Fifteen years of research including archeological digs dozens of interviews nine trips to France and the review of 2 000 pages of unpublished archival material produced the definitive work on a truly legendary figure in US military history This new edition combines new content and revisions with a refreshed presentation and format     *America's War for Humanity* Thomas Herbert Russell,1919     *U. S. Official Pictures of the World War* William Emmet Moore,James Clayton Russell,1920 Chiefly photos illustrating the many activities of the United States Army during World War I From the draft board offices to the battle field anything and everything about the military forces during this period at sea and on land training and fighting Includes lists of commanding officers award winners and support divisions     **America's War for Humanity** Pictorial History of the World War for Liberty,1919     *September Evening* Barry Diggins,2012-03-19 The true story of the daredevil flying ace who rivaled the Red Baron with photos included This is the first full length biography of nineteen year old Werner Voss a legend in his lifetime and the youngest recipient of the Pour le M rite Germany s highest award for bravery in WWI At the time of his death he was considered by many friend and foe alike to be Germany s greatest ace and had he lived Voss would almost certainly have overtaken Manfred von Richthofen s victory total by early spring of 1918 Voss is perhaps best remembered for his outstanding courage his audacity in the air and the prodigious number of victories he achieved before being killed in one of the most swashbuckling and famous dogfights of the Great War a fight involving James McCudden and 56 Squadron RFC the most successful Allied scout squadron Yet the life of Voss and the events of that fateful September day are surrounded by mystery and uncertainty and even now aviation enthusiasts continue to ask questions about him on an almost daily basis Barry Diggins was determined to uncover the truth and September Evening unearths and analyzes every scrap of information concerning this extraordinary young man Diggins s conclusions are sometimes controversial but his evidence is persuasive and this study will be welcomed by and of great interest to the aviation fraternity worldwide     **Air Pictorial** ,2002     *Military Review* ,2011-07     **Professional Journal of the United States Army** ,2011     *The New York Times Index* ,1927     Manfred Von Richthofen Earle Rice (Jr.),2013 Profiles Manfred von Richthofen the Red Baron a German fighter pilot during World War I     *The American Film Institute Catalog of Motion*

*Pictures Produced in the United States* American Film Institute,1997 After more than fifteen years this initial volume of the American Film Institute Catalog series is again in print The 1920s set covers the important filmmaking period when movies became talkies and the careers of many influential directors and actors were launched Films such as *Wings* *The Phantom of the Opera* *All Quiet on the Western Front* and *The Jazz Singer* are included in this volume     **Living Up to a Legend** Diana Bishop,2017-02-25 Diana never knew her famous grandfather First World War flying ace Billy Bishop Still his heroic legacy has towered over Diana even from the grave shaping her life in ways that she never expected Now she presents a granddaughter s view of this Canadian icon     Congressional Record United States. Congress,1967

## **German Aces Of World War I The Pictorial Record** Book Review: Unveiling the Magic of Language
