European Culture in the Great War Aviel Roshwald,Richard Stites,2002-02-14 It is commonplace to refer to the First World War as an historical watershed but the nature of that great cataclysm s impact upon European society and culture remains a hotly debated topic Many recent works have dealt with the Great War s role in shaping artistic and intellectual modernism and with the social history of the war Yet the English language literature remains dominated by a disproportionate emphasis on the western European experience This book redresses the balance by giving equal attention to the countries of eastern and central Europe and distinguishes itself by focusing specifically on cultural change during the course of the war as distinct from the after effects and memories of the conflict **A dictionary of the English and German languages** Josef Leonhard Hilpert,1845 **Parliamentary Debates (Hansard).** Great Britain. Parliament.
