German Pow In New Mexico

Antonio Thompson

German Pow In New Mexico:

A German POW in New Mexico Walter Schmid,2005-06-15 Walter Schmid a member of Rommel s Afrika Korps was one of hundreds of thousands of POWs interned in the United States during World War II Drafted into the German army at twenty he had fought for only five months when captured in Tunisia in May 1943 Schmid was sent first to POW camps in Oklahoma Gruber Bixby and McAlester and was soon transferred to New Mexico in July 1944 Walter Schmid worked in southern New Mexico s Mesilla Valley picking cotton and harvesting melons alongside Mexican American laborers He recalls playing trumpet in the camp orchestra and watching Sunday soccer games between the teams of rival POW camps Based on his diary and the letters he sent home to his German girlfriend whom he later married Schmid s memoir was published in Germany in 2000 This abbreviated English translation begins with his capture in North Africa and his voyage to the United States and ends with his work experience in England where he was transferred after almost three years of captivity in the United States and his return to Germany in 1947

A German POW in New Mexico Walter Schmid,2005-06-15 First published in Germany in 2000 Schmid s experiences in the Southwest during WWII offer a unique glimpse of America as it looked to an enemy soldier

Axis Prisoners of War in Kentucky Antonio S. Thompson,2024-01-01 During World War II Kentuckians rushed from farms to factories and battlefields leaving agriculture throughout the state particularly the lucrative tobacco industry without sufficient labor An influx of Axis prisoners of war made up the shortfall Nearly 10 000 German and Italian POWs were housed in camps at Campbell Breckinridge Knox and other locations across the state Under the Geneva Convention they worked for their captors and helped save Kentucky s crops while enjoying relative comfort as prisoners playing sports performing musicals and taking college classes Yet friction between Nazi and anti Nazi inmates threatened the success of the program This book chronicles the POW program in Kentucky and the vital contributions the Bluegrass State made to Allied victory

Buried Treasures Richard Melzer,2007 Melzer offers an impressive new book about famous New Mexico gravesites usually the only monuments left to honor the human treasures who helped shape state national and often international history

New Mexico in World War II Richard Melzer and John Taylor,2021 In 1941 New Mexico was an agrarian state with just over half a million people many of whom lived without electricity running water indoor plumbing or paved roads However the state provided more military volunteers per capita including eight Medal of Honor winners than any other state and had the highest casualty rate per capita in the country New Mexico provided essential resources ranging from oil and coal to potash and copper The state is often remembered for being the location where the first nuclear weapon was designed and tested in 1945 but more important at the time were the development of the proximity fuze and the testing of the top secret Norden bombsight The state also housed German and Italian prisoners of war and in one of the darkest moments in US history incarcerated American citizens of Japanese descent in several concentration camps

From German Prisoner of War to American Citizen Barbara Schmitter Heisler,2014-11-29 Among the many German

immigrants to the United States over the years one group is unusual former prisoners of war who had spent between one and three years on American soil and who returned voluntarily as immigrants after the war Drawing on archival sources and in depth interviews with 35 former prisoners who made the return the book outlines the conditions that defined their unusual experiences and traces their journeys from captive enemies to American citizens Although the respondents came from different backgrounds and arrived in America at different times between 1943 and 1945 their experiences as prisoners of war not only left an indelible impression they also provided them with opportunities and resources that helped them leave Germany behind and return to the place where we had the good life *Axis Prisoners of War in Tennessee* Antonio S. Thompson, 2023-03-09 During World War II Axis prisoners of war received arguably better treatment in the U S than anywhere else Bound by the Geneva Convention but also hoping for reciprocal treatment of American POWs the U S sought to humanely house and employ 425 000 Axis prisoners many in rural communities in the South This is the first book length examination of Tennessee s role in the POW program and how the influx of prisoners affected communities Towns like Tullahoma transformed into military metropolises Memphis received millions in defense spending Paris had a secret barrage balloon base The wooded Crossville camp housed German and Italian officers Prisoners worked tobacco lumber and cotton across the state Some threatened escape or worse When the program ended more than 25 000 POWs lived and worked in Tennessee

Prisoners of War Arnold Krammer, 2007-11-30 America s current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy The fate of war prisoners through history has been cruel and haphazard The lives of captives hung by a thread Execution enslavement torture or being held for ransom were equally likely International agreements developed haltingly through the 19th and 20th centuries to culminate in the Geneva Accords of 1929 America s current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules Since biblical times war captives have been considered property and counted as booty to be enslaved or killed Americans were interested in generals

and weapons and battles but not the fate of prisoners of war The Second World War when 90 000 Americans fell into enemy hands began to change that Concern for our POWs in Germany and Japan and close contact with enemy camps in America began to change our attitudes However it was the Vietnam War media driven and polarizing that caused the American public to truly reevaluate the plight of its sons and brothers heroic and clearly loyal as they fell into the hands of an inscrutable and apparently unyielding distant enemy More recently during the first Gulf War of 1991 and the current War on Terrorism the issue of prisoners of war has moved to center stage involving the clash of ideologies politics and expediency Since 9 11 the rights and safety of prisoners of war caught up in the War on Terror have been debated in Congress and adjudicated on by former Attorney General Alberto Gonzales whose conclusions were protested by numerous organizations The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy

Sanatoriums of New Mexico Richard Melzer, 2014-06-02 Tuberculosis also known as consumption the White Plague or simply TB was the number one killer in the United States in the late 19th and early 20th centuries Many physicians of the era advised their patients to chase the cure for tuberculosis in the Southwest where the regions clean dry fresh air high altitude and sunshine offered relief for most and recovery for some New Mexico called the well country was particularly eager to promote itself as a mecca for lungers with the coming of the railroad to the territory in 1880 and the creation of many new hospitals known as sanitariums or sanatoriums sans which specialized in the treatment of TB This is a brief history of New Mexicos sans their patients and the doctors nurses and staff who served them during the golden age of the TB industry from the turn of the 20th century to the eve of World War II

Texas and Texans in World War II Christopher B. Bean, 2022-08-24 Texans in World War II offers an informative look at the challenges and changes faced by Texans on the home front during the Second World War This collection of essays by leading scholars of Texas history covers topics from the African American and Tejano experience to organized labor from the expanding opportunities for women to the importance of oil and agriculture Texans in World War II makes local the frequently studied social history of wartime bringing it home to Texas An eye opening read for Texans eager to learn more about this defining era in their state s history this book will also prove deeply informative for scholars students and general readers seeking detailed definitive information about World War II and its implications for daily life economic growth and social and political change in the Lone Star State

Men in German Uniform Antonio Thompson, 2010-11-16 Examining the largest prisoner of war handling operation in U S history this book offers a meticulous account of the myriad history this book offers a meticulous account of the myriad problems as well as the impressive successes that came with problems as well as the impressive successes that came with housing 371 000 German POWs on American soil during World War II Antonio Thompson draws on extensive archival research to probe the various ways in which the U S government strove to comply with the Geneva Convention s mandate that enemy prisoners be moved from the war zone and given food shelter and

clothing equal to that provided for American soldiers While the prisoners became a ready source of manpower for the labor starved American home front and received small wages in return their stay in the United States generated more than a few difficulties which included not only daunting logistics but also violence within the camps Such violence was often blamed on Nazi influence and control however as Thompson points out only a few of the prisoners were actually Nazis Because the Germans had cobbled together military forces that included convicts their own POWs volunteers from neutral nations and conscripts from occupied countries the bonds that held these soldiers together amid the pressures of combat dissolved once they were placed behind barbed wire When these men in German uniform who were not always Germans donned POW garb their former social racial religious and ethnic tensions quickly reemerged To counter such troubles American authorities organized various activities including sports arts education and religion within the POW camps some prisoners even participated in an illegal denazification program created by the U S government Despite the problems Thompson argues the POW housing program proved largely successful as Americans maintained their reputation for fairness and humane treatment during a time of widespread turmoil

Treason in the Rockies Paul N. Herbert, 2021-04-13 A look at one U S Army private s attempt to free Nazi soldiers from a Colorado prisoner of war camp during World War II Harvard honor alumnus Dale Maple had a promising future but his obsession with Nazi Germany led to his downfall Classmates often accused him of pro Nazi sentiments and one campus organization even expelled him After graduation he enlisted in the U S Army only to be relegated to a unit of soldiers suspected of harboring German sympathies He helped two German POWs escape imprisonment at Camp Hale and flee to Mexico The fugitives ran out of gas seventeen miles from the border and managed to cross it on foot only to be arrested and returned to American authorities Convicted and sentenced to death for treason Maple awaited his fate until President Franklin Roosevelt commuted his sentence to life imprisonment Ultimately he was released in 1950 Paul N Herbert narrates the engrossing details of this riveting story A well documented account of Maple s escapade set against a background of World War II s treatment of POWs and German sympathizers The Denver Post

The Enemy in Our Hands Robert C. Doyle, 2010-05-14 Revelations of abuse at Baghdad s Abu Ghraib prison and the U S detention camp at Guantanamo Bay had repercussions extending beyond the worldwide media scandal that ensued The controversy surrounding photos and descriptions of inhumane treatment of enemy prisoners of war or EPWs from the war on terror marked a watershed moment in the study of modern warfare and the treatment of prisoners of war Amid allegations of human rights violations and war crimes one question stands out among the rest Was the treatment of America s most recent prisoners of war an isolated event or part of a troubling and complex issue that is deeply rooted in our nation s military history Military expert Robert C Doyle s *The Enemy in Our Hands* America s Treatment of Prisoners of War from the Revolution to the War on Terror draws from diverse sources to answer this question Historical as well as timely in its content this work examines America s major wars and past conflicts among them the American Revolution the Civil War World Wars I

and II and Vietnam to provide understanding of the United States treatment of military and civilian prisoners The Enemy in Our Hands offers a new perspective of U S military history on the subject of EPWs and suggests that the tactics employed to manage prisoners of war are unique and disparate from one conflict to the next In addition to other vital information Doyle provides a cultural analysis and exploration of U S adherence to international standards of conduct including the 1929 Geneva Convention in each war Although wars are not won or lost on the basis of how EPWs are treated the treatment of prisoners is one of the measures by which history s conquerors are judged *New Mexico Historical Review* Lansing Bartlett Bloom,Paul A. F. Walter,1974 God and Uncle Sam Michael Francis Snape,2015 America s armed forces were the products of one of the most diverse and dynamic religious cultures in the western world and were the largest ever to be raised by a professedly religious society Despite constitutional constraints a pre war religious depression and the myriad pitfalls of war religion played a crucial role in helping more than sixteen million uniformed Americans through the ordeal of World War II a fact that had profound and far reaching implications for the religious development of post war America Provided by publisher War Monuments, Museums and Library Collections of 20th Century Conflicts Steve Rajtar,Frances Elizabeth Franks,2015-07-11 This unique state by state directory covers monuments memorials museums markers statues and library collections that relate to the veterans weapons vehicles airplanes victims or any other aspect of war in which the United States participated While a site may have been created before 1900 such as a fort there must be some operational or historical tie to a twentieth century conflict to be included here General collections such as museums of aviation are included if they house materials related to a twentieth century conflict The coverage is so thorough that statues honoring veterans of the Civil War appear if veterans of later wars are on their rosters of honorees Another example of the comprehensiveness of this compilation is in the inclusion of memorials to victims of war such as the Holocaust Museum in Houston Texas For each site the following information is given street address phone number website and email address if applicable days and hours of operation admission fees other necessary information and a brief description of the site *Hitler's Soldiers in the Sunshine State* Robert D. Billinger,2020-11-10 They were Uncle Sam s smiling workers and they looked like all American boys There were at least 10 000 of them deployed in 25 Florida camps between 1942 and 1946 They were also members of the Wehrmacht Hitler s armed forces Forum Most Americans were unaware their government was housing Hitler s soldiers on its shores Billinger weaves interviews with former prisoners American soldiers who worked in the camps newspaper accounts and government documents into a stunning historical narrative Kansas City Star A tropical paradise that for some became a tropical hell Sarasota Herald Tribune First came crewmen of destroyed U boats then thousands of Afrika Korps veterans who swamped the system in 1943 Pro Nazi arrogant and tough they defied U S authorities terrorized anti Nazi inmates and rioted Choice Filled with colorful personal accounts this historical book packs the punch of fiction St Petersburg Times Billinger s first rate history of this little known chapter in American history teaches us that in spite of wartime

propaganda our enemies are human too Atlantic City Press Hard to put down Daytona Beach News Journal In the first book length treatment of the German prisoner of war experience in Florida during World War II Robert D Billinger Jr tells the story of the 10 000 men who were guests of Uncle Sam in a tropical paradise that for some became a tropical hell Having been captured while serving on U boats off the Carolinas with the Afrika Korps in Tunisia with the paratroops in Italy or with labor battalions in France the POWs were among the 378 000 Germans held as prisoners in 45 states Except for the servicemen who guarded them the civilian pulp cutters citrus growers and sugarcane foremen who worked them and the FBI and local police who tracked the escapees among them most people were and still are unaware of the German POWs who inhabited the 27 camps that dotted the Sunshine State Billinger describes the experiences of the Germans and their captors as both sides came to the realization that while the Germans worst enemies were often their own comrades in arms wartime enemies might also become life long friends Concentrating especially on the story of Camp Blanding in North Florida Billinger based his research on both American and German archives His account mixes rare photos with interviews with former prisoners reports by the International Red Cross the YMCA and the U S military and local newspaper articles This book will be of great value to scholars and historians as well as all readers with an interest in World War II Those with an interest in Florida history will also find much to admire in this engaging account of a barely known wartime episode A volume in The Florida History and Culture Series edited by Raymond Arsenault and Gary R Mormino Controlling Sex in Captivity Matthias Reiss,2018-06-14 Controlling Sex in Captivity is the first book to examine the nature extent and impact of the sexual activities of Axis prisoners of war in the United States during the Second World War Historians have so far interpreted the interactions between captors and captives in America as the beginning of the post war friendship between the United States Germany and Italy Matthias Reiss argues that this paradigm is too simplistic Widespread fraternisation also led to sexual relationships which created significant negative publicity and some Axis POWs got caught up in the U S Army s new campaign against homosexuals By focusing on the fight against fraternisation and same sex activities this study treads new ground It stresses that contact between captors and captives was often loaded with conflict and influenced by perceptions of gender and race It highlights the transnational impact of fraternisation and argues that the prisoners sojourn in the United States also influenced American society by fuelling a growing concern about social disintegration and sexual deviancy which eventually triggered a conservative backlash after the war **God Knows All Your Names** Paul N. Herbert,2009 People with only a slight interest in history will enjoy these fascinating short and easy to understand stories Serious history buffs will like these lesser known episodes not the stories we ve heard a million times For example try to find anyone who knows about the attempted slave insurrection in Fairfax County Virginia With Mary Lincoln s spending habits who knew that Abraham Lincoln actually saved an enormous percentage of his presidential salary A slave honored in Virginia with a monument the history of Lee Highway which opened with great fanfare in 1923 as a 3 000 mile road from Washington DC to San Diego a

story about the Little River Turnpike the second oldest turnpike in America built partly by slaves and captured Hessian soldiers You ll read about two Civil War ships that collided in the Potomac River Victims included wounded soldiers wives and one soldier s six year old son You ll read a great account of the massive Civil War corruption You ll learn about the disastrous condition of the treasury sound familiar during the Revolutionary War The government tried everything including a lottery to get the country afloat in a sea of red ink But the most fascinating story may be about the Revolutionary War soldier who faked his own desertion to defect to the enemy with the highly secretive mission of going behind enemy lines to capture and return for trial the worst traitor in American history Benedict Arnold Bet you never heard of this story There are many other stories in this eclectic heavily researched manuscript There s a story about the Christmas Truce in World War One about long forgotten holidays in Virginia about the retrocession which sent an area of Washington back to Virginia in 1846 and about the impeachment of a Supreme Court justice it happened only once And more *The Great Plains During World War II* R. Douglas Hurt,2008-06-01 An in depth examination of the effects of World War II on the Great Plains states brings to life the voices and experiences of the residents of the region in recounting the stories of the daily concerns of ordinary people

As recognized, adventure as with ease as experience virtually lesson, amusement, as without difficulty as understanding can be gotten by just checking out a ebook **German Pow In New Mexico** in addition to it is not directly done, you could understand even more on this life, with reference to the world.

We pay for you this proper as with ease as easy way to acquire those all. We pay for German Pow In New Mexico and numerous books collections from fictions to scientific research in any way. among them is this German Pow In New Mexico that can be your partner.

German Pow In New Mexico Introduction

In today's digital age, the availability of German Pow In New Mexico books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of German Pow In New Mexico books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of German Pow In New Mexico books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing German Pow In New Mexico versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, German Pow In New Mexico books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing German Pow In New Mexico books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for German Pow In New Mexico books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational

institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, German Pow In New Mexico books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of German Pow In New Mexico books and manuals for download and embark on your journey of knowledge?

FAQs About German Pow In New Mexico Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. German Pow In New Mexico is one of the best book in our library for free trial. We provide copy of German Pow In New Mexico in digital format, so the resources that you find are reliable. There are also many Ebooks of related with German Pow In New Mexico. Where to download German Pow In New Mexico online for free? Are you looking for German Pow In New Mexico PDF? This is definitely going to save you time and cash in something you should think about.
