The Wheaton Franciscan Heritage Jeanne Guilfoyle, 2009

The Wheaton Franciscans were among many Catholic sisters who came to minister in this country in response to the needs of a growing immigrant population This influx of pioneering women dedicated to serving God and their neighbor was a major factor in the development of health care education and other social services in the United States This is the story of the Wheaton Franciscan sisters as they overcame misfortune and poverty in America to establish a variety of ministries chief among them health care and housing Today they constitute the American province of an international congregation founded by Mother Clara Pfaender in Germany in 1860 known as the Franciscan Sisters Daughters of the Sacred Hearts of Jesus and Mary The first health care and housing ministries they founded continue to flourish as Wheaton Franciscan Services The sisters also continue their service through their peace and justice activities as well as spiritual development ministries

*Historical Dictionary of Holocaust Cinema* Robert C. Reimer,Carol J. Reimer,2024-12-19 Some 80 years after the end of World War two and Nazi Germany s attempt to annihilate European Jews and the Jewish culture the story of the Holocaust continues to be told in novels paintings music sculpture and film Over the past eight decades close to a thousand documentaries narrative shorts and features television miniseries and filmed statements from survivors have confronted the horrors of the past creating a recognizable iconography of persecution suffering and genocide While arguably

movies and television have a tendency to overly simplify if not trivialize historical events popular culture artists also keep the past from being forgotten Historical Dictionary of Holocaust Cinema Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 175 cross referenced entries on films directors and historical figures Foreign language experimental and canonical films are included This book is an excellent resource for students researchers and anyone wanting to know more about holocaust cinema      **Motion Picture Story Magazine** ,1922
