Wings of War Martin W. Bowman,2016-07-07 Of the 7 953 Bomber Command aircraft lost on night operations during the Second World War an estimated 5 833 fell victim to Luftwaffe night fighters In this detailed re enactment of the air war over Western Europe and the raids flown by the men of RAF Bomber Command author Martin Bowman pieces together official data with the words and memories of the pilots and air crew who took part Detailing many unique experiences during the night bombing raids that were hurled against Hitler s war machine these truly epic stories span the period between November 1939 and 1945 and form an appropriate epitaph to the men of RAF Bomber Command

[The Day Peace Broke Out](#) Mike Brown,2005-04-14 At 3 p m on 8 May 1945 Prime Minister Winston Churchill made a long awaited speech in which he officially declared the war in Europe to be over After six bitter years of conflict however perceptions of how victory over Nazism was to be celebrated and what post war Britain should look like were very different from the visions of the people and the politicians in 1939 Illustrated with photographs adverts posters and cartoons The Day Peace Broke Out describes the VE Day celebrations in Britain and across the world through the memories of those who were there combined with contemporary newspaper and magazine articles Mike Brown an authority on the British Home Front of the Second World War charts the nation s progressive change of heart from defeatism to growing confidence of certain victory He looks at the immediate post VE Day period and the celebration of victory over Japan in August 1945 What should have been a story with a happy ending

concludes with the harsh realisation of post war austerity and the increasing disillusionment that led many Britons to conclude that they had won the war but lost the peace *Rick Steves Best of Europe* Rick Steves,2018-11-27 Hit Europe s can t miss art sights and bites with Rick Steves Best of Europe Expert advice from Rick Steves on what s worth your time and money Itineraries for one to four days in the top destinations in England France Germany Italy the Netherlands Spain and Switzerland Rick s tips for beating the crowds skipping lines and avoiding tourist traps The best of local culture flavors and haunts including walks through the most interesting neighborhoods and museums Trip planning strategies like how to link destinations and design your itinerary what to pack where to stay and how to get around Over 100 full color maps and vibrant photos Experience Europe s Old World romance and New World excitement for yourself with Rick Steves Best of Europe Rick Steves Best of Europe covers London Paris Provence the French Riviera Barcelona Madrid Rome Venice Florence Cinque Terre the Swiss Alps Berner Oberland Munich Rothenberg and the Romantic Road the Rhine Valley Berlin and Amsterdam **Hitler's Asian Adventure** Horst H. Geerken,2025-06-06 From 1963 to 1981 Horst H Geerken lived in the new born Republic of Indonesia at a time of upheaval after the end of almost 350 years of colonial rule and exploitation by the Netherlands In both his professional and private activities he constantly came across German Japanese and Indonesian eyewitnesses who had lived through the Japanese occupation and the presence of the German navy in Indonesia The relations between the German Reich and what was then the Dutch East Indies were obviously closer and more varied than had been previously assumed Hardly anyone was aware that Hitler was extremely interested in this distant archipelago and that thousands of German officers and seamen were in action in East and South East Asia Who knows that German U boats and auxiliary cruisers penetrated deep into the Pacific and that the German Navy used the Kerguelen Islands in the South Polar Sea as a secret base Or that Hitler gave massive support to the independence movements in Indonesia and India Many of the German naval personnel chose to make Indonesia their home after the war and joined the Indonesian freedom fighters The Second World War heralded the end of the colonial era in Asia especially in South East Asia The role played in this process by the Third Reich should not be underestimated The collaboration between the Axis powers especially that between German and Japan with all its problems is also investigated There was a lively exchange of new weapons technology There was even the re creation of a German Radar system in Japan under the management of a German engineer Documents from the Third Reich s Foreign Ministry published here for the first time show how brutally and inhumanely the German men women and children in the Dutch internment camps in the East Indies were treated by their captors These documents are supported by evidence from contemporary witnesses The author has encapsulated his many years of research in the two volumes of Hitler s Asian Adventure It is a fascinating documentation of the German Navy s involvement in a theatre of war that has until now been neglected by historians **The Elephant of Belfast** S. Kirk Walsh,2021-04-06 Inspired by true events this vivid and moving story of a young woman zookeeper and the elephant she s compelled to protect through the German blitz of Belfast

during WWII speaks to not only the tragedy of the times but also to the ongoing sectarian tensions that still exist in Northern Ireland today perfect for readers of historical and literary fiction alike Belfast October 1940 Twenty year old zookeeper Hettie Quin arrives at the city docks in time to meet her new charge an orphaned three year old Indian elephant named Violet As Violet adjusts to her new solitary life in captivity and Hettie mourns the recent loss of her sister and the abandonment of her father new storm clouds gather A world war rages threatening a city already reeling from escalating tensions between British Loyalists and those fighting for a free and unified Ireland The relative peace is shattered by air raid sirens on the evening of Easter Tuesday 1941 Over the course of the next five hours hundreds of bombs rain down upon Belfast claiming almost a thousand lives and decimating the city Dodging the debris and carnage of the Luftwaffe attack Hettie runs to the zoo to make sure that Violet is unharmed The harrowing ordeal and ensuing aftermath set the pair on a surprising path that highlights the indelible singular bond that often brings mankind and animals together during horrifying times Inspired by a largely forgotten chapter of World War II S Kirk Walsh deftly renders the changing relationship between Hettie and Violet and their growing dependence on each other for survival and solace The Elephant of Belfast is a complicated and beguiling portrait of hope and resilience and how love can sustain us during the darkest moments of our lives
