An aerial photograph of a beach at sunset. The ocean waves are breaking onto the shore, creating white foam. The sand is a warm golden-brown color, and the sky is a mix of orange and blue. The overall mood is peaceful and serene.

God descends to earth like fresh spring rain,  
and at every level his grace is received  
differently. For some it feels like love, for others  
like salvation. It feels like safety and warmth at  
one level, like coming home at another.

*The True History and the Religion of India* Prakashanand Saraswati,      **Songs Ascending Vol. 2** Rabbi Richard N. Levy, 2017-12-04 A beautiful poetic translation of the Book of Psalms Songs Ascending includes textual commentary and insights into the translation process illuminating the choices of the original composers and the choices facing us in the 21st century as we try to make each psalm our own The spiritual commentary asks To what events struggles and triumphs in our lives might this psalm speak How might this psalm articulate an aspect of our own sacred existence or how might it help us celebrate a special day in our lives How might it provide comfort when we are bereft and most in need of consolation or how might it help us provide comfort for someone else Songs Ascending explores all this and more engaging the reader in dialogue that will inform and inspire For Richard Levy the force of the Psalms comes from their spiritual intentions and he re-enforces this priority with rich commentary and postscripts that help the reader actually USE the Psalms in some meaningful way Songs Ascending may be the high point in Richard Levy's career a career filled with high points Rabbi William Cutter PhD Steinberg Emeritus Professor of Human Relations at HUC JIR Los Angeles With its clear and engaging English translation the insightful commentary and thought provoking spiritual applications Songs Ascending offers something for everyone from lay person to rabbi to biblical scholar alike And for that I give it a two thumbs up or as we say in Hebrew kol hakavod Professor Kristine Henriksen Garroway Visiting Assistant Professor of Hebrew Bible at HUC JIR Los Angeles

*Heavenly Imagery and Symbolism in Matthew's Gospel* Daehoon Kang, 2023-11-21 The present study explores the role of heavenly imagery and symbolism in the Gospel of Matthew Historical background and narrative criticism are my main methods because the Old Testament and Second Temple Jewish texts form the historical backgrounds for the understanding of Matthew's heaven and Matthew uses heavenly imagery and symbolism to highlight his main themes in the gospel as a whole This study investigates Matthew's distinctive materials and important texts having to do with heaven exploring their meanings and establishing their roles in each narrative section Matthew describes heaven as the space where certain events reveal God's plan of salvation Heaven is associated with such key matters as revelation and judgment Each major discourse of Matthew focuses on heavenly imagery with judgment at its end culminating in the parable of the sheep and the goats Matt 25:31-46

**Problems with Preterism** Bryan C. Hodge, 2022-11-11 Preterism is the belief that the majority if not all of the eschatological passages in the New Testament have already been fulfilled in the first century Although there are some needed correctives that preterism provides when interpreting eschatological statements in the Synoptic Gospels the interpretive methodologies employed are largely plagued with exegetical and logical fallacies On top of these the genre of apocalyptic is often completely lost on the modern interpreter and as a result leads to numerous non sequiturs made when it comes to the nature and time of biblical eschatology This book seeks to correct these hermeneutical missteps by providing exegetical principles that may help guide the reader to a more biblically sound conclusion concerning the timing and nature of biblical eschatology

1853 ,1853     **The Literary Coherence of the Book of Micah** Kenneth H. Cuffey, 2015-02-26 The Literary Coherence of the Book of Micah puts forth a framework to understand the nature of literary coherence This enables an analysis of the sources and dimensions of the coherence found in the book of Micah by the primary scholarly proposals for understanding the structure and connectedness of the whole book Each of these proposals ultimately fails to account for all the features found in the text The author then explains a new reading of the final form of the text of Micah based on the placement of the references concerning the remnant A brief exposition of the text as a canonical whole indicates the flow and development in

the final form of the book The framework formulated earlier provides a basis to evaluate the coherence that this understanding of the book of Micah uncovers and to show that this means of reading the canonical book best accounts for the greatest number of features in the text

The Jesus Legend Traced in Egypt for Ten Thousand Years Gerald Massey, 2008-11-01 It goes unappreciated by modern

Egyptologists but it is embraced by those who savor the concept of a hidden history of humanity and those who approach all human knowledge from the perspective of the esoteric Gerald Massey's massive *Ancient Egypt The Light of the World* first published in 1907 and crowning achievement of the self-taught scholar redefines the roots of Christianity via Egypt proposing that Egyptian mythology was the basis for Jewish and Christian beliefs Publisher's note **THE EMPIRES OF THE WORLD AND THE LAST KINGDOM** Alfonso J Jiménez, 2022-10-24 In *The Empires of the World and The Last Kingdom* you will find the hidden treasures and secrets that operated throughout ancient history in each of the characters of the great empires of the world This book is a gift of love for your life in these times and in the future in such a way that from the first moment you start reading you will undertake a journey of transformation to the ancient world and you will see how the Creator has been in force and present in the lives of all those great characters in history until they are driven to governance in the same way you will be surprised how He is going to be present in your life so that you can understand the special purpose for which you were created Get ready to travel through time because the past the present and the future are in the hands of your Creator and you can access Him so that you can understand about the time we are living and everything coming In such a way that this book will be for each one of you a life process by which your hearts will become transformed just as He did with all the people whom He called and prepared in ancient times so that were able to fulfill His designs This book is a real opportunity for your life and all those around you regardless of your personal condition Remember that it is a gift of love *A Commentary on the Holy Scriptures: Genesis* Johann Peter Lange, 1899 *Charting the Supernatural Judgements of Planet Earth* Jeremiah Asher, 2010-08-10 Chapter 3 The First Judgment The World Prior To Adam There may have been many judgments upon the earth since its beginning millions or billions of years ago however the present commentary will deal only with the last tens of thousands of years of earth's existence In Genesis 1:2 the verses written by Moses as author of the Genesis account portray an earth that was veiled in darkness so that its form could not be discerned The earth at that time was covered with water ice high above the mountain tops so that it gave the appearance of being a dark revolving sphere of frozen water Table 2 God's spirit is described as hovering over this revolving ball of water and brooding over the sad condition of this dark void planet God did not create a dark and dismal planet at the beginning because God does not create darkness in fact darkness is incompatible with His existence and presence So what had happened that God viewed Gen 1:2 such a decrepit state of the world Does scripture attempt to explain this phenomenon or does the inspired word of God remain silent on this issue It was first proposed as a theory by the Scotsman Thomas Chalmers in the early 19th century that a gap in time existed between Genesis 1:1 and Genesis 1:2 This gap in time would encompass a ruin reconstruction theme and the existence of pre-Adamic living beings Obviously a huge catastrophic event would have had to occur to produce this decadent state of the world The gap concept was later popularized by mention in the margin notes of the Scofield Reference Bible
