Male and Female Made in God's Image Frances O'Dair, 2019-04-04 In this era of distorted ideas about our inherent roles identities and purposes as men and women it has never been as important that we seek reconciliation in marriage and families so there can be a more rational approach to the real problems the whole world suffers We must disseminate God s truth and extinguish the lies and myths that Satan has embedded into the hearts and minds of many people Building on these ideas in Male and Female Made in God s Image author Frances O Dair offers her perspective on dating marriage and family which she believes reflects the experiences of most married couples before the sexual revolution of the 1960s She encourages men and women to reflect on the wise or self serving natures of their past dating and mating choices If we can stop the reckless self gratifying use of

human sexuality with our children our loving direction and understanding of God's truth can set them free from the temptations that have been passed down to recent generations We must be ready to admit that sexual freedom is a myth and isn't intended for the well being of men women children and the unborn This faith inspired treatise explores the true source of happiness meaning and fulfilment that God has planned for everyone within the sacrament of marriage and the family circle Enneagram II Richard Rohr, 1995
