God In The Dock Essays On Theology And Ethics

Jim Slagle

God In The Dock Essays On Theology And Ethics:

God in the Dock Clive Staples Lewis, 1972 **God in the Dock** C. S. Lewis, 2014-09-15 Lewis struck me as the most thoroughly converted man I ever met observes Walter Hooper in the preface to this collection of essays by C S Lewis His whole vision of life was such that the natural and the supernatural seemed inseparably combined It is precisely this pervasive Christianity which is demonstrated in the forty eight essays comprising *God in the Dock* Here Lewis addresses himself both to theological questions and to those which Hooper terms semi theological or ethical But whether he is discussing Evil and God Miracles The Decline of Religion or The Humanitarian Theory of Punishment his insight and observations are thoroughly and profoundly Christian Drawn from a variety of sources the essays were designed to meet a variety of needs and among other accomplishments they serve to illustrate the many different angles from which we are able to view the Christian religion They range from relatively popular pieces written for newspapers to more learned defenses of the faith which first appeared in *The Socratic Digest* Characterized by Lewis's honesty and realism his insight and conviction and above all his thoroughgoing commitments to Christianity these essays make *God in the Dock* very much a book for our time Amazon.com

God in the dock; essays on theology and ethics Clive Staples ; Hooper Lewis (Walter, ed), 1970 *God in the Dock; Essays on Theology and Ethics*, by C. S. Lewis. Edited by Walter Hooper Clive Staples Lewis, 1970 **God in the Dock** Clive Staples Lewis, 1979-01-01 **The Grand Miracle** C. S. Lewis, 1986-01-12 Captivating reading that builds the faith while it fills the mind with greatness Sherwood Wirt former editor *DECISION Magazine* One of this century's greatest writers of fact fiction and fantasy explores in utterly beautiful terms questions of faith in the modern world On the experience of miracles On silence and religious belief On the assumed conflict between work and prayer On the error of trying to lead a good life without Christ On the necessity of dogma to religion On the dangers of national repentance On the commercialization of Christmas and more The searching mind and the poetic spirit of C S Lewis are readily evident in this collection of essays edited by his one time secretary Walter Hopper Here the reader finds the tough mind polemicist relishing the debate here too the kindly teacher explaining a complex abstraction by means of clarifying analogies here the public speaker addressing his varied audience with all the humility and grace of a man who knows how much more remains to be unknown *The New York Times Book Review* *The Abolition of Man: C.S. Lewis's Classic Essay on Objective Morality* C. S. Lewis, Michael Ward, 2017-05-08 *The Abolition of Man* is one of C S Lewis's most important and influential works In three weighty lectures given at the height of the Second World War Lewis defends the objectivity of value pointing to the universal moral law that all great philosophical and religious traditions have recognized This critical edition prepared by Michael Ward helps readers get the most out of Lewis's classic work with an introduction placing the book in the context of his life and times a fully annotated version of the text a commentary on key passages and a set of questions for group discussion or individual reflection Scholarly detailed yet accessible it is the must have version of an essential volume *The Oxbridge Evangelist*

Michael J. Gehring, 2017-02-28 In *The Oxbridge Evangelist Motivations Practices and Legacy of C S Lewis* Michael Gehring examines the evangelistic practices of one of the most significant lay evangelists of the twentieth century In the early 1930s not many who knew Lewis would have guessed that he would become such a significant evangelist He has left an evangelistic legacy that has influenced millions across the world Yet Lewis scholarship has not given sufficient attention to this crucial aspect of his legacy This work examines Lewis's loss and recovery of faith and it shows how his experience heightened his own awareness of the loss of the Christian faith in England Because of his ability to identify with others Lewis engaged in the work of evangelism with uncanny skill This work required singular courage on his part it cost him dearly professionally and in his relationships Gehring critically explores Lewis's motivations practices and legacy of evangelism In doing so he provides penetrating insight for those interested in the theory and practice of evangelism in a culture that too readily leaves it to the crazies of the Christian tradition or relegates it to the margins of church life **Seasoned Speech** James E. Beitler

III, 2019-05-07 Being a faithful disciple of Christ means having seasoned speech practicing a rhetoric that beneficially and persuasively imparts the surprising truth of the gospel James Beitler seeks to renew interest in and hunger for an effective Christian rhetoric by closely considering the work of five beloved Christian communicators C S Lewis Dorothy L Sayers Dietrich Bonhoeffer Desmond Tutu and Marilynne Robinson *C.S. Lewis and Christian Postmodernism* Kyoko

Yuasa, 2017-05-25 Employing a postmodernist literary approach Kyoko Yuasa identifies C S Lewis both as an antimodernist and as a Christian postmodernist who tells the story of the Gospel to twentieth and twenty first century readers Lewis is popularly known as an able Christian apologist talented at explaining Christian beliefs in simple logical terms His fictional works on the other hand feature expressions that erect ambiguous borders between non fiction and fiction an approach similar to those typical in postmodernist literature While postmodernist literature is full of micronarratives that deconstruct the Great Story Lewis's fictional world shows the reverse in his world micronarratives express the Story that transcends human understanding Lewis's approach reflects both his opposition to modernist philosophy which embraces solidified interpretation and his criticism of modernised Christianity Here Yuasa brings to the fore Lewis's focus on the history of interpretation and seeks a new model *Sehnsucht: The C. S. Lewis Journal* Grayson Carter, 2009-02-18 Sehnsucht The C S

Lewis Journal established by the Arizona C S Lewis Society in 2007 is the only peer reviewed journal devoted to the study of C S Lewis and his writings published anywhere in the world It exists to promote literary theological historical biographical philosophical bibliographical and cultural interest broadly defined in Lewis and his writings The journal includes articles review essays book reviews film reviews and play reviews bibliographical material poetry interviews editorials and announcements of Lewis related conferences events and publications Its readership is aimed at academic scholars from a wide variety of disciplines as well as learned non scholars and Lewis enthusiasts At this time Sehnsucht is published once a year The Epistemological Skyhook Jim Slagle, 2016-05-20 Throughout philosophical history there has been a recurring

argument to the effect that determinism naturalism or both are self referentially incoherent By accepting determinism or naturalism one allegedly acquires a reason to reject determinism or naturalism The Epistemological Skyhook brings together for the first time the principal expressions of this argument focusing primarily on the last 150 years This book addresses the versions of this argument as presented by Arthur Lovejoy A E Taylor Kurt G del C S Lewis Norman Malcolm Karl Popper J R Lucas William Hasker Thomas Nagel Alvin Plantinga and others along with the objections presented by their many detractors It concludes by presenting a new version of the argument that synthesizes the best aspects of the others while also rendering the argument immune to some of the most significant objections made to it **C. S. Lewis and the Inklings** Jason

Fisher, Mark Hall, Salwa Khoddam, 2015-09-18 This is a unique collection of two of the Inklings and their literary associates views on the negative impacts of technology in various areas of life and the resolution of these impacts through fellowship with others and faith in the Creator Some of these essays offer suggestions on how ensnarement by social media and surrender to modern technology can be countered by surrender to God Other essays also demonstrate how the significant literary craft of these authors can enchant readers and invite them into fairylands from which they return empowered and with a keener spiritual vision to tackle universal and present concerns *C. S. Lewis's List* David Werther, Susan

Werther, 2015-04-09 In 1962 The Christian Century published C S Lewis's answer to the question What books did most to shape your vocational attitude and your philosophy of life Lewis responded with ten titles ranging from Virgil's Aeneid to James Boswell's The Life of Samuel Johnson and from George Herbert's The Temple to Boethius's The Consolation of Philosophy C S Lewis's List brings together experts on each of the ten books to discuss their significance for Lewis's life and work illuminating his own writing through those he most admired **The Agnostic Inquirer** Sandra Menssen, Thomas D.

Sullivan, 2007-09-19 A startling achievement I cannot overemphasize how original and groundbreaking this work is or recommend this book too highly The argument throughout is clear succinct and rigorous It represents the highest standards of analytical philosophy All future work if it is to be up to speed will have to deal with what Menssen and Sullivan have done

Gaining a Face James Prothero, Donald T. Williams, 2013-11-18 Contrary to the popular perception that C S Lewis was merely a religious writer there is a good case to be made for Lewis being one of the major British writers of the twentieth century if we look at him as a prime member of a resurgent Romantic movement after the Second World War Much has been written on Lewis's thoughts on joy a central aspect of his Romanticism However Lewis was at the same time a rationalist and managed to merge his Rationalism with his Romanticism in a unique and original manner And his Romanticism likewise was complex and owed much to both George MacDonald and through the medium of MacDonald's thought to the Romanticism of William Wordsworth This study traces the aspects of Lewis's romantic thought as it is drawn from MacDonald Wordsworth and other influences and traces how beyond his fascination with joy Lewis constructed a consistent romantic vision that allowed for a balance with reason and stood in contradiction to the literary movements of his time [A Moral Life In Christ](#)

Workbook Sophia Institute for Teachers, **Sacred Scripture Workbook** Sophia Institute for Teachers, **The Rule of Faith** Ephraim Radner, George Sumner, 1998-06-15 This collection of essays presented at the 1997 Scholarly Engagement with Anglican Doctrine SEAD Conference counters some of today's New Testament scholarship particularly that of the Jesus Seminar Asserting that only canon and creed can render knowledge of God two generations of scholars speak for a retrieval of more traditional modes of interpretation by and for today's church The Rule of Faith features three keynote addresses by eminent New Testament scholar the Rev Dr Brevard S Childs Sterling Professor of Divinity at Yale University one of the most notable Biblical theologians in contemporary American Christianity It also contains works by several younger scholars many of whom studied with Dr Childs and represent an emerging generation of orthodox Christian leadership for the Episcopal Church including Ephraim Radner George Sumner Kathryn Greene McCreight Stephen Holmgren R R Reno Christopher Seitz Kendall Harmon William Witt and Chris Brown Their writings give voice to scholarly engagement with the creedal Christian faith in the Episcopal Church The Fiction of C. S. Lewis Kath Filmer, 2016-07-27 This book examines the way in which the fictional writings of C S Lewis reveal much about the man himself and his quest for psychological and spiritual wholeness There is new material dealing with C S Lewis's political writings especially the correspondences between his thriller That Hideous Strength and George Orwell's Nineteen Eighty Four and some new insights into Lewis's attitudes to women
