GODIN THE FRAY

A TRIBUTE TO WALTER BRUEGGEMANN

EDITED BY TOD LINAFELT AND TIMOTHY K. BEAL

God In The Fray A Tribute To Walter Brueggemann

Rebekah Eklund

God In The Fray A Tribute To Walter Brueggemann:

God in the Fray Walter Brueggemann, Tod Linafelt, Timothy Kandler Beal, This volume engages the work of Walter Brueggemann most of which has been published by Fortress Press The volume centers on the character of God in the text of the Old Testament as a site of theological tension and even ambivalence Biblical faith never experiences God as entirely above the fray but rather as entangled in history astonishingly transformative and impinged upon by the voices of the suffering Brueggemann's monumental Theology of the Old Testament addresses this fact with great theological insight and rigor and the internationally renowned biblical scholars writing here engage and extend his insights into the unsettled Character at the center of the text God in the fray: a tribute to Walter Brueggemann Tod; Beal Linafelt (Timothy Walter Brueggemann's Prophetic Imagination Conrad L. Kanagy, 2023 Walter Brueggemann's The Prophetic Imagination emerged seemingly out of nowhere in 1978 Its appeal took even the author by surprise But its message and relevance and the enigmatic prophet from Missouri were just what the American church needed This book addresses the mystery of a prophetic breakthrough that remains relevant and necessary Jesus Wept: The Significance of Jesus' Laments in the New Testament Rebekah Eklund, 2015-02-26 Lament does not seem to be a pervasive feature of the New Testament particularly when viewed in relation to the Old Testament A careful investigation of the New Testament however reveals that it thoroughly incorporates the pattern of Old Testament lament into its proclamation of the gospel especially in the person of Jesus Christ as he both prays and embodies lament As an act that fundamentally calls upon God to be faithful to God's promises to Israel and to the church lament in the New Testament becomes a prayer of longing for God's kingdom which has been inaugurated in the ministry and resurrection of Jesus fully to come Contested Creations in the Book of Job Abigail Pelham, 2012-05-25 In Contested Creations in the Book of Job the world as it ought and ought not to be Abigail Pelham reads the Book of Job both forwards examining the perspectives on creation presented by Job and his friends and corrected by God's authoritative voice from the whirlwind and backwards demonstrating how the epilogue explodes readers certainties forcing a reappraisal of the characters claims The epilogue Pelham argues changes the book from one containing answers about creation to one which poses questions What does it mean to make the world Who has the power to create If humans have creative power is it divinely sanctioned or has Job acting creatively set himself up as God's rival Engaging more thoroughly with Job's ambiguity than previous scholars have done Contested Creations explores the possibilities raised by these questions and considers their implications both within the book and beyond **Encountering Diversity in Indian Biblical Studies** David J. Chalcraft, Zhodi Angami, 2023-03-20 This book provides analysis of a variety of biblical narratives and texts which are the vehicle for the expression articulation and performance of diverse identities in the Indian context and is the first attempt to do so for a global audience of scholars and students From pan Indian social problems attributed to caste class and gender inequality to specific North Eastern tribal settings Dalit struggles in rural Andhra Pradesh and the

experience of Christian autorickshaw drivers in urban Chennai the book explores the diverse geographical cultural social economic and linguistic settings in which the Bible is encountered The holistic and multidisciplinary approach to Biblical studies adopted broadens the field beyond textual exegesis Encounters with the Bible are revealed in diverse chapters impacted by contexts of caste realities the history of Indian Christianity colonial and post colonial frameworks and educational institutions Full use is made of vernacular texts and traditions including oral and written cultural folk tale literary and auto biographical narratives in Tribal Dalit and British colonial settings Diversity of method is championed through including sociological analysis of Indian social realities qualitative fieldwork techniques and a kaleidoscope of visual and sensory environments with over 30 photographs The book celebrates and promotes diversity in Indian biblical studies creativity and sometimes conflicting perspectives Encountering Diversity in Indian Biblical Studies will be of interest to students scholars and researchers working on post colonial biblical studies and diversity in Christianity particularly in the Indian context Hearing the Old Testament Craig G. Bartholomew, David J. H. Beldman, 2012-05-02 Scholars discuss how contemporary Christians can better hear and appropriate God s address in the Old Testament from publisher description

Chosen and Unchosen Joel N. Lohr, 2009-06-30 Winner of the 2011 RBY Scott Award from the Canadian Society of Biblical Studies Soci t canadienne des tudes bibliques The God of the Bible favors a national people Israel and this is at the cost of the other nations In fact not being Israel usually means humiliation or destruction or simply being ignored by God Reading the text with the grain or placing oneself within the chosen's perspective may seem very well until one considers the unchosen There is much regarding the unchosen that has not been explored in scholarly research but in this important work Lohr attempts to make sense of the question of election and nonelection in the OT as a Christian interpreter and with a concern for the history of interpretation and Jewish Christian dialogue He also corrects a Christian tendency to read election and nonelection as love and damnation respectively a perception that is altogether foreign to the OT itself The unchosen are important to the overall world view of Scripture and although election entails exclusion and God's love for the one people Israel is a love in contrast to others it does not follow that the unchosen fall outside of the economy of God's purposes his workings or his ways The unchosen often face important tests of their own and have a responsibility to God and the chosen however much this idea defies modern day notions of fairness It is a central idea of Scripture that already appears in the original call of and promises made to Abram and something that if ignored places our larger understanding of God at risk Equally important if contemporary faith communities both Jewish and Christian form their understanding of the other on a faulty reading of Scripture regarding the unchosen chaos and hatred can ensue The political and religious climate of our contemporary world has never presented a more important time to get this matter right Scholars and students alike are finding Chosen and Unchosen to be an indispensable resource as they mull over these difficult questions Hermeneutics and the Authority of Scripture Alan H Cadwallader, 2012-09-30 The question of hermeneutics now dominates all disciplines of

human knowledge and its construction It has moved from a concentration on how to apply the results of research knowledge to considerations of the frameworks by which we conduct research as a meaningful exercise The study of the Bible is not exempt from these developments. The essays in this collection amply testify to the breadth of frameworks that are now being applied to the Bible and the development of ethical awareness in the construction of knowledge The reader will find engagements with the Bible informed by developments in science law ecology feminism and linguistics Key ethical issues about violence fundamentalism anti semitism and patriarchy are directly addressed as inextricably involved in the interpretation of the Bible on the understanding that both Bible and interpreter must be responsible and accountable in todays world Critical analysis of the Bible is no different even when there is a pre disposition or confessional commitment to treat the bible as sacred scripture Biblical research is inextricably affected by those epistemologies and ethical sensitivities that inform understanding and the search for meaning in our contemporary world Handbook on the Pentateuch Victor P. Hamilton, 2005-09 In this introduction to the first five books of the Old Testament Victor Hamilton moves chapter by chapter rather than verse by verse through the Pentateuch examining the content structure and theology Each chapter deals with a major thematic unit of the Pentateuch and Hamilton provides useful commentary on overarching themes and connections between Old Testament texts This second edition has been substantially revised and updated The first edition sold over sixty The Bible, Theology, and Faith R. W. L. Moberly, 2000-07-27 This book offers an account of God and thousand copies humanity in relation to both Old and New Testaments The Social World of Deuteronomy Don C Benjamin, 2017-04-27 The book of Deuteronomy is not an orphan It belongs to a diverse family of legal traditions and cultures in the world of the Bible The Social World of Deuteronomy A New Feminist Commentary brings these traditions and cultures to life and uses them to enrich our understanding and appreciation of Deuteronomy today Don C Benjamin uses social scientific criticism to reconstruct the social institutions where Deuteronomy developed as well as those that appear in its traditions He uses feministcriticism to better understand and appreciate how powerful elite males in Deuteronomy view not only the women daughters mothers wives and widows in their households but also their powerless children liminal people slaves prisoners outsiders livestock and nature Through the lens of feminist theory Benjamin explores important aspects of the daily lives of these often overlooked peoples in ancient Israel Standing in the Breach Michael Widmer, 2015-09-09 At the heart of this study is a biblical theological approach to central passages on intercessory prayers in the OT After examining these largely prophetic prayer dialogues Widmer argues that they provide an important key to biblical theology and spirituality Furthermore a close reading of prayers by Abraham Moses Samuel David Solomon Isaiah Jeremiah Joel and Amos reveals fascinating insights into the portrayals of these characters and confirms strong conceptual associations with Moses Israel s archetypal mediator Widmer reads these prayers in both their immediate literary and wider canonical contexts The ultimate aim of this study is to gain a deeper understanding of the God whom the church worships and confesses to be the Father of

Jesus Christ Particularly pertinent is the finding that many OT prayers interact with God's nature as revealed to Moses in Exod 34 6 7 Yhwh s fullest revelation is also given in the context of an intercessory prayer Widmer argues that intercessory prayer and theology have a hermeneutical spiral relationship mutually informing and correcting each other It is in engaging with a loving and holy God that the phenomenon of divine mutability must be understood Overall Standing in the Breach suggests that fundamental biblical themes such as God's mercy and judgment divine retribution and forgiveness covenant mediation substitutionary suffering and atonement and eventually the dynamics of the cross are all intrinsically related to The Whirlwind Stephen L. Cook, Corrine L. Patton, James W. and illuminated by prophetic OT intercessory prayers Watts, 2002-02-01 This collection of essays focuses on the book of Job exploring the complex interplay of methodology and hermeneutics. There are two major parts approaches that are primarily historical i e the recovery of what the text meant and those that are contextual i e that take seriously the context of reading Both approaches engage the theological issue of how this reading helps us to better appropriate what the text means Contributors include the editors Mark S Smith Douglas I Green Victoria Hoffer Ellen F Davis and Claire Matthews McGinnis An introductory essay surveys the contents and outcomes of the various contributions and proposes new directions for the question of integrating methods **T&T Clark Handbook** of the Doctrine of Creation, 2024-03-07 The T how the doctrine of creation informs and is informed by various dogmatic commitments and how the doctrine of creation relates to a range of human concerns and activities The Handbook represents a celebration of fascination with bewilderment at lament about and hope for all that is and serves as a scholarly innovative and constructive reference for those interested in attending to what Christian belief has to contribute to thinking about and living with the mysterious existence named creation Human Interaction with the Divine, the Sacred, and the Deceased Thomas G. Plante, Gary E. Schwartz, 2021-06-30 Human Interaction with the Divine the Sacred and the Deceased brings together cutting edge empirical and theoretical contributions from scholars in fields including psychology theology ethics neuroscience medicine and philosophy to examine how and why humans engage in or even seek spiritual experiences and connection with the immaterial world In this richly interdisciplinary volume Plante and Schwartz recognize human interaction with the divine and departed as a cross cultural and historical universal that continues to concern diverse disciplines Accounting for variances in belief and human perception and use the book is divided into four major sections personal experience theological consideration medical technological and scientific considerations and psychological considerations with chapters addressing phenomena including prayer reincarnation sensed presence and divine revelations Featuring scholars specializing in theology psychology medicine neuroscience and ethics this book provides a thoughtful compelling evidence based and contemporary approach to gain a grounded perspective on current understandings of human interaction with the divine the sacred and the deceased Of interest to believers questioners and unbelievers alike this volume will be key reading for researchers scholars and academics engaged in the fields of religion and psychology social psychology

behavioral neuroscience and health psychology Readers with a broader interest in spiritualism religious and non religious movements will also find the text of interest **Prophets, Prophecy, and Ancient Israelite Historiography** Mark J. Boda, Lissa Wray Beal, 2013-01-18 The 18 essays by members of the Canadian Society for Biblical Studies published in this volume showcase the work of leading authorities on ancient Israelite and Jewish historiography as it intersects with the phenomenon of prophecy A deep divide exists between the traditions of historiography and prophecy in the academic study of the Hebrew Bible and the concern of the contributors is to close that gap to expose the close relationship between these two traditions in the literature of the Hebrew Bible The first section of the book explores prophecy and prophets in ancient Israelite and Jewish historiographic books Torah Deuteronomistic History Chronicles Ezra Nehemiah Second Temple Jewish historiography The second section surveys historiography in Israelite and Jewish prophetic books Isaiah Jeremiah Ezekiel Book of the Twelve Daniel 1 Enoch The contributors engage diverse methodological perspectives in these studies the goal first being to show the role that the prophets played within the great Hebrew historiographic works and second to demonstrate the role that historiography plays within the great Hebrew prophetic works this makes it clear that the influence is bidirectional Prophets Prophecy and Ancient Israelite Historiography will be of value for advanced students and scholars working on historiographic and prophetic materials in the ancient Israelite and Jewish traditions featuring the best of research and analysis and interacting with many major ancient literary traditions of historiography and prophecy Both *Judge and Justifier* James B. Prothro, 2018-04-13 Paul often says that God justifies people in Christ but what does that mean God does The language appears legal but many other interpretations have been suggested Beginning from the use of this language in Judaism and early Christianity James B Prothro investigates biblical legal conflicts and the terminology of justification in Paul's letters to determine what it means for Paul to say that God as judge is the justifier of those who trust in Reading from Right to Left J. Cheryl Exum, H.G.M. Williamson, 2003-11-01 Thirty seven essays from established Christ scholars around the world cover topics including the Pentateuch prophecy wisdom ancient Osraelite history Greek tragdy and the ideology of biblical scholarship make up this interesting and varied collection in honor of David J A Clines Several of the contributors interact with ideas prominent in the work of David J S Clines of the University of Sheffield to whom the volume i dedicated The authors include Graeme Auld James Barr Hans Barstad John Barton Willem Beuken Joseph Blenkinsopp Walter Brueggermann Brevard Childs Reichard Coggins Philip Davies John Emerton Tamara Eskenazi Cheryl Exum Michael Fox John Goldingay Norman Gottwald Robery Gordon Lester Grabbe David Gunn Walter Houston Sara Japhet Michel Knibb Joze Krasovec Francis Landy Bernhard Lang Burke Long Patrick Miller Johannes de Moor Carol Newson Rolf Rendtorff Alex RofT Joh Rogerson John Sawyer Keith Whitelam Hugh Williamson Ellen van Wolde and Erich Zenger

<u>"Look At Me and Be Appalled". Essays on Job, Theology, and Ethics</u> Samuel E. Balentine, 2021-03-08 This collection of eighteen essays addresses critical theological and ethical issues in the book of Job 1 Prologue From Eden to Uz 2 Job and His

Friends What Provokes You that You Keep on Talking 3 Job and the Priests Look At Me and Be Appalled 4 Traumatizing Job God Has Worn Me Out 5 Out of the Whirlwind Can You Thunder with A Voice Like God s 6 Preaching Job and Job s God Listen Carefully to My Words 7 Epilogue All s Well That Ends Well or Is it The lead essay raises the question that lingers over the entire book What are we to think of a God who is complicit in the death of seven sons and three daughters for no reason
