Smith, 2014-11-26 This treatise shows believers how to walk triumphantly on earth It proves from Gods Living Word that victory or defeat comes from the words we speak As sons and daughters of God we can be as effective as Jesus was when he walked the earth We must know our God ordained authority given to us in the completed redemptive work of Jesus We must exercise the all power and authority vested in the Mighty Name of Jesus Christ As we draw near to God submit to him Satan must flee as we resist him in Jesuss name The Word is alive *Gulag Literature and the Literature of Nazi Camps* Leona Toker, 2019-08-28 A literary scholar examines survival narratives from Russian and German concentration camps shedding new light on testimony in the face of evil In this illuminating study Leona Toker demonstrates how Holocaust literature and Gulag literature provide contexts for each other especially how the prominent features of one shed light on the veiled features and methods of the other Toker s analysis concentrates on the narrative qualities of the works as well as how each text documents the writer s experience in a form where fictionalized narrative can double as historical testimony Toker also views these texts against the background of historical information about the Soviet and the Nazi regimes of repression Writers at the center of this work include Varlam Shalamov Primo Levi Elie Wiesel and Ka Tzetnik and others including Aleksandr Solzhenitsyn Evgeniya Ginzburg and Jorge Sempr n illuminate the discussion Toker also provides context for references to potentially obscure historical events and shows how they form new meaning in the text *NKJV, Ultraslim Bible, Compact, Bonded Leather, Black, Red Letter Edition* Thomas Nelson, Zondervan, 1999-03-28 Translation and explanatory notes JConcordance JRibbon marker and gift box Presentation page JRed letter JFull color study maps J1 184 pp *Life Application New Testament Commentary* Livingstone, 2016-07-01 Based on the best selling Life Application Commentary series this single handy volume holds practical concise insight on every verse in the New Testament Now readers can get all the useful background information they need without a lot of obscure facts they don t need A key resource for every Bible teacher and anyone else who wants to understand the New Testament and how it applies to real life
