Look Back to See Ahead B. G. Dyck, 2011-07 Bernice G Dyck has been a school teacher and a follower of Christ all the years of her life She learned to serve others at a very young age When she was in Kindergarten she was already singled out as the person who was ready willing and able to help those who need it She taught for more than 30 years in the public school system and has done part time teaching at Red River College and at the University of Winnipeg While keeping busy and involved with the organizations that she worked for she spent many years writing books in her spare time She recently went back to the education system as a student of theology and has spent two years preparing to help churches that need a Lay Worship Leader for a period of time During those experiences some as long as several months at the request of the congregation her passion for Christ has continued to grow and the novels and Christian books she has written should help us to know and understand our God who made us with the potential to be an excellent servant following in Jesus footsteps Now with several books ready for publication she is happy to share her passion for living with and for God Whether you are a declared Christian or not God has already been working in your life This book should lead you to see how that has already happened as you Look Back over your life It should also help to See Ahead and determine how God s work in the past will strongly influence your future and how it will help you to share God s love with others Retrospection can and will change your life Thanks be to God

The Three Angels' Good News Sherrilee Fish, Three heavenly angels streak across the expanse of the starry heavens and penetrate earth s atmosphere to bring an urgent message to human beings to prepare them for Jesus return from heaven to earth This three part symbolic message is found in Revelation 14 the heart of the prophecies of the book of Revelation Believers in the second advent of Christ in the mid nineteenth century discovered this message and began sharing it with others Over time many of the children and grandchildren of those believers have lost their connection with that message and its relevance for them in a complex post modern world Author Sherrilee Fish unpacks the message of those angels for young people so that they can understand that the God who loves them was willing to save them at great cost and that He wants them to happily wait for the glorious return of Jesus to the earth He also wants to give them the antidote to the dreaded mark of the beast and the marks of faithfulness of the people that Jesus will take with Him to heaven Share its message with your children or let them read it on their own
