God Knew You Were Crippled:

Children Are Gifts from God, Disabled Or Not! Renee C. Berryman, 2009-06 This is an inspirational insightful spiritually sound informative and compelling testimonial of the journey of a Christian mother of two one with a mental handicap You will find a wealth of knowledge and information about raising a child with a mental handicap or any child for that matter as well as an abundance of scripturally based conviction and guidance to face such a disability or child rearing in general This bears witness as to what we can do with all of the troubles this life brings and where we can turn The writer hopes this book will facilitate in finding more answers for such unparalleled issues that effect many lives and as such are far too urgent to ignore God blessed parents and gave them one of His most precious gifts a child to raise and love in the love we know through Christ which never ends not even when a disability like this one hits home You will find that every page reverberates and embraces the scripturally significant indications and the belief that children are gifts from God disabled or not God s strength is made perfect in our weakness so imagine His strength in children particularly those with a mental handicap or any other type of disability This book is a cathartic and heartfelt journey through the thoughts of a woman who has come to grips with the gift of her own child of challenge It is an often taxing and sometimes painful read as Renee opens wide her heart with no strings attached This will help many parents through the dark days of dealing with the realization that their child will be different from the other children at play Keith Wooden Pastor of Ovid Community Evangelical Church Anderson Indiana

God Knows Your Name Catherine Campbell, 2012-07-25 The idea that God is interested in us as individuals is an unfamiliar concept to many while rejection has become a fact of life This book encourages the reader to embrace the truth of a personal God one with whom we do not need to struggle to gain recognition who intervenes and acts on our behalf A God who knows our name Each of the six chapters contains two sections dealing with situations of rejection Each tells the story of an individual from the Bible narrative explaining how God stepped in to change their situation thus revealing how important they were to Him The second connecting story tells of a present day individual in similar circumstances and how God also positively intervened in their lives These are true stories using carefully researched material for authenticity and accuracy The stories are told with remarkable power and conviction My Disabled Parents: The Donald & Lizzie Story Kimberly Cochran, 2015-08-03 My Disabled Parents is a book that explores the topic of disabled people having children and the idea of pursuing your dreams no matter what other people think **The tree of life, sermons** Harry John Wilmot- Buxton, 1898

brushes with death One of those life threatening injuries left him paralyzed from the chest down Although his life story appears to be unfair Brandon knows that life is only negative and hard if you allow it to be And in his experience we are all paralyzed in our own way by bad choices by circumstance by illness etc His paralysis happens to be more obvious than most but make no mistake we are all paralyzed But we don't have to stay that way **The Sunday Magazine** ,1872 **A Fighting Chance** Ricka Reeha Joseph,2017-10-25 To fight for your dreams to fight for your marriages to fight for your relationships to fight for your healing that you just cannot afford to say that's just who I am bitter and that's who I have always been Now it is time to start fighting because the only way you will get a chance in this world is only if you fight The only way God can do anything with you is only if you fight and his chance depends on your fight You are the answer to the very thing you are praying for but because you have been wounded in the past because you have been thrown into fights you're not fighting the way you're used to You're not believing the way you use to You're allowing hurt to define you in a way that you don't even have to anymore because you got thrown into fights I believe that God wants to break that thing off you today that he wants to show you that the fact you had to fight these lions and bears is not to keep you from growing It is actually to show you that you can survive anything that I had a hedge of protection over you all in the midst of it and I know you did not come out without scars and wounds but I am so good that I will use the scars and the wounds to work together for your good so if you will get back into the fight I promise you that my word is true that I am not a man that I should lie I will heal and restore everything that you have lost in the fight The lions and bears you thought were gone in your past I am going to actually use them to show you who you have always been You have always been a fighter Don't stop fighting now You have always been victorious Don't stop now Don't let the pressures of where you are now make you forget that you were once comfortable under pressure **The Morning-Exercise at Cripple-gate ...
