References can be made in this connection to A L Bhasam s book The wonder that was India and R T H Griffith s RigVeda The oldest divine book The Vedas are quite distinct from other religious literature in terms of concepts structure content and application The Arya Samaj has always insisted on treating the Vedas as a philosophical and divine matter European philosophers and scholars are greatly in acceptance of the Vedas too and hold the same in high esteem Celebrated western scholars such as Max Muller Oldenberg Wilson Griffith etc tried to delve into the vast expanse of the religious cultural endowment of the Vedas

What Jesus Wants You to Know Today: About Himself, Christianity, God, the World, and Being Human Gina Lake, 2019-05-20 Have you ever wondered what Jesus would teach today or what he would share about his life two thousand years ago What would he say about how to solve the world's problems or about Christianity What would he say about God being human suffering and the meaning and purpose of life The answers to these questions and others are here in these pages Jesus exists and has always existed to serve humanity and one way he is doing this today is through this channel Gina Lake and others In What Jesus Wants You to Know Today Jesus answers many questions about his life and teachings and shares his perspective on the world He brings his message of love once again to the world and corrects the record by detailing the ways that Christianity has distorted his teachings He wants you to know that you too have the potential to be a Christ to be enlightened as he was and he explains how this is possible Knowing the truth is the beginning of changing the world Too many were and still are living according to false beliefs instead of the truth I came to earth to try to change that to be a voice in a vast desert of misunderstandings and I continue to be a voice for truth to the extent that I can from this dimension I never really left you I have never ceased being in service to humanity and your beautiful planet Jesus

God's Love Letters from Nana Judy Ann Bowman, Nana's book of love letters which was written for Jesus's precious children consists of thirteen letters The thirteenth letter is a birthday letter appropriate for any month These carefully thought out letters were prayed over and were changed many times with the inspiration of God's input and love for his little ones They do not have to start in January as a continuation or connection between each month They are written as separate entities with each letter introducing the month about which I am writing This would include the time of year the seasons and many of the holidays There are exaggerated adjectives and exclamations

to bring out refreshing fun laughter and surprise to the child in the sentences The younger years of my past are woven together with present life situations to capture and stimulate the child s imagination New and creative ways are introduced in playing crafts and jokes they can share with their friends The intent above all is to intertwine the love of Jesus throughout the letters This is circled around love that is expressed to them and love that can come from them toward others The captivatingly tailored letters are inspired by God to help instill confidence and good moral conduct and to mold a godly character in the children
