God Made Man Scott Silverii, 2021-02-09 This isn't another feel good pat on the back book that gets tossed onto your wife's nightstand I don't read them either I wrote this for you in hopes of encouraging men to embrace alpha manhood without having to worry about being attacked for it Now the truth is we can do better In some cases much better but until we know where we've been there's no way we'll ever know where we're going Let's knock the rust off of the toxic masculinity mantle and start living an intentional life of purpose The goal is to encourage you to build the better man Not that you aren't freaking incredible the way you are but let's be honest if there weren't at least a few rough edges in your life you wouldn't be reading this There is so much more to life than merely getting by We were created to be rulers conquerors kings and priests It's in God's holy Word and yeah that's kind of a big deal So what do you say let's skip the grunting and get down to living the life we were meant to live **Made by God, Made for God** Matthew K. Why God Made You Dennis Zaderaka, 2025-07-17 WHY GOD MADE YOU Your Guide to Discovering the Life God Wants to Give You Do you wonder if there is a purpose to life Are you curious about your purpose in life Do you want to know how to discover what Jesus really taught Why God Made You begins with the belief the Creation story tells us WHY God created the universe not HOW This changes everything we know about the Genesis story Made in God's image means God gave humans a different kind of life compared to plants and animals It's God's quality of life Most people only understand a fraction of what the Bible says We rarely hear in-depth explanations about God even in church This is tragic because it creates the possibility

for con men to use the Bible to manipulate people to get money and power There are always false prophets that lead us away from the truth Why God Made You is not telling you what to believe It assumes God who created everything can guide you to the truth found in the Bible Children understand Bible stories Adults spend a lifetime discovering deeper wisdom found in the Bible The goal of this book is to give you tools to discover how to read the Bible Even though the book explores serious philosophical and theological concepts it s written in a simple straightforward style that is easy to understand If you like looking at things from a new perspective this book is for you God Made Satan, Why? Robert Wyeth,2020-07-07 The Bible is God s Manual for Christian Living it goes from the past to the future and asks a lot of fundamental questions Why are we hear How are we supposed to live what is going to happen in the end times The book is two subjects one is to make you understand that God has created the weather the honey bees and the chickens I have studied all three and come to a conclusion that God has made everything perfectly well The second part is Satan s attempt to frustrate God s plan to cause man to doubt God and his work His plan really worked but in the end God will come and destroy him There is going to be a judgement and God will decide which path you are on until you die **God Made the First Family** Olufunke

Adeyemi-Adelanwa,2019-09-03 Is it not amazing though expected that God was the first at everything good The account of creation remains thrilling to many but of very high significance is the first family their marriage their children and how they related to one another including their sins Also significant is the way God dealt with it and how it applies to us today God did not only create the first family but also some great events that we still identify with today The first surgery the first anesthesia given the first garments made from animal skin He was the first designer making a covering for the first man and woman The first rain that ever fell what led to it and the comfort and reassurance of God after it all happened Also the first beauty contest how the beauty queen was chosen and the price of obedience humility and faith she had to pay God Made the First Family is simply Bible stories presented alive to all children and children at heart What Was Possible God Made Known Irving T. Townsend,2017-09-14 If the experiences and other answers provided in this book were accounted for in any of the many books I have read then there is a certainty that I would have been spared the agony and the loss of time and other resources due to ignorance and a misguided lifestyle The tabooed subject of demons is reserved for fiction and is considered the figment of the imagination of the people of the medieval times It is now fashionable to dismiss the subject based on ones status and the persons with whom one associates The book accounts for personal encounters with the unseen and details the painful struggles of the author to break from the grip of an orchestrated demonic spell The book declares also that the theory of evolution by its own account of the process irreversibly leads to a supreme being Disaster disease and destruction provide knowledge necessary for the eternal state and God is unwilling to let mankind enter eternity as ignoramus There are benefits to be gained from the materials of this book and I believe the experiences and thoughts shared will improve in significant ways the lot of every reader and others with whom they share these gains **God Planted**

success in life but not death judgment or eternity Because our life on earth determines our place in eternity it seems that wisdom would dictate a life that focuses on obtaining an eternal life of bliss As long ago as the time the Old Testament was written we were told that fear of God is the foundation of wisdom We are foolish when we think otherwise We are also sinners when we believe otherwise It is the wise human who understands that it is God who needs to be the focus of our life When God is the focus of our life we need not fear our place in eternity
