But as a music fan and then as an essayist editor Vibe Billboard and podcast host Black Girl Songbook she has been living this history since she was a latchkey kid listening to Midnight Train to Georgia on the family stereo. Smith's detailed narrative begins with Phillis Wheatley an enslaved woman who sang her poems and continues through the stories of Mahalia Jackson Dionne Warwick Aretha Franklin Gladys Knight and Mariah Carey as well as the under considered careers of Marilyn McCoo Deniece Williams and Jody Watley. *Shine Bright* is an overdue paean to musical masters whose true stories and genius have been hidden in plain sight and the book Danyel Smith was born to write **Crazy Chick Magnet** Xavier Zevon, 2016-12-12 Xavier Zevon's book *Crazy Chick Magnet* sees him getting a rough start at life as a nerdy kid with awkward tendencies and a bowl haircut to boot. At the time all he wanted was the love and affection of the opposite sex. However it looked like it would never happen so for a while he invested his time and money into music which became a very defining moment in his life. In the process he became a bit of an expert in his music knowledge more specifically rock music. Eventually though he came into his own and developed an arsenal of interesting stories with the opposite sex. *Crazy Chick Magnet* blends his stories of love and love lost with a plethora of sexual encounters and it is all threaded together in a tapestry of music that spans the decades. Xavier's book incorporates music as a character itself as the soundtrack changes throughout each chapter. Every word is authentic. His accounts will take you through a journey that you are likely not to forget. It is a book that will certainly evoke some laughs some tears maybe a little disbelief and hopefully on occasion it will stimulate your fun parts.
