God's Code Maria Johnsen, 2024-05-04 Have you ever felt a nudge a subtle whisper in your heart guiding you towards something greater That's how it started for me the feeling that I was being called to write this book It wasn't some grand revelation just a quiet realization that grew stronger with each passing day God's Code My Journey of Discovery is the result of that calling a journey into the depths of spirituality and the mysteries of existence In these pages I'll share my own experiences and insights hoping they might shed light on your own path This isn't about preaching or claiming to have all the answers It's about sharing a journey a journey of faith doubt and ultimately understanding Whether you're a seeker a skeptic or somewhere in between my hope is that you'll find something here to resonate with So come along on this journey with me Let's explore the mysteries of the universe together guided by a sense of wonder and the belief that there's more to this world than meets the eye I thank God almighty the creator of heaven and earth and all the universe for inspiring me and allowing me to write this book With gratitude and humility Maria Johnsen

God's Ambiance William John Meegan, 2016-10-03 The MATRIX OF WISDOM is all about God's Ambiance residing in the soul of the individual This volume is about unraveling the deep mysteries of God esoterically codified into the world's sacred scriptures literature artworks monuments and architecture in all times and climes via the ESOTERIC SCIENCE i.e. the harmonious integration of the Seven Liberal Arts Quadrivium Four Mathematical Sciences and the Trivium Three Grammatical Arts that are the foundations of the ancient Mystery Schools The MATRIX OF WISDOM is a 10 x 10 matrix that is the original source material that wrote the sacred scriptures in all religious cultures around the world From the mystical depths of this 10 x 10 matrix China created the I Ching and the Tao te Ching Buddhism created their Stupas Hinduism and Christianity builds their temples cathedrals and churches numerous cultures around the world built their pyramids based upon its schematics and the Native American Indians knew of it Astrology and the Game of Chess were developed from it and Pythagoras developed his mathematical theorems from it and Freemasonry is founded upon it and the city of Washington DC is built on its esoteric design and this latter is provided for in the United States Constitution Article 1 Section 8 however this matrix is never ever discussed explicitly to the general public Throughout this volume there will be a continuous tsunami of demonstrable evidence directly and indirectly challenging the status quo of academia and the orthodoxy of all religions around the world The WORD OF GOD will be discussed mainly from the perspective of the Judaeo Christian Scriptures the secret teachings of the Roman Catholic Church's literature artwork monuments and architecture and Freemasonry symbolism designed into the landscape of Washington DC The MATRIX OF WISDOM spiritual waters of creation i.e. sum total or all knowledge is inherent in the psyche of every human being The MATRIX OF WISDOM is a commentary on the MONAD

which is the soul's raison d'être i.e. God Man Christ Tao Krishna Buddha Horus etc. When the soul comes into the world it splits into a two part psyche: ego consciousness and the unconscious mind, and this knowledge is esoterically codified into the mythoi of the Judaeo-Christian Scriptures; thus the sacred scriptures of the world are all about explaining to the worthy initiate the dynamics of the soul and its psyche. The sacred scriptures are written first and foremost for the Born Again initiate, though the average member of the laity has direct access to both its exoteric writings REVEALED and its secret esoteric teachings COVERED. The inexplicable WORD OF GOD HIDDEN, however, cannot be explained to another in the vernacular. The initiate can know of the ESOTERIC SCIENCE, however, that does not avail him or her of the true understanding of the WORD OF GOD. Only God can communicate that unfathomable and inexplicable knowledge to the individual. The ESOTERIC SCIENCE can somewhat prepare the worthy initiate for the spiritual Initiatic Visionary Experience, which is gifted only to those that are worthy and truly DESIRE to know the WORD OF GOD. The sacred scriptures around the world are written to explain the spiritual Initiatic Visionary Experience; furthermore, the sacred scriptures in their indigenous languages are the most scientific instruments on the face of the Earth, though modernity will most likely dispute that fact ad nauseam.

A Community of Witches Helen A. Berger, 2021-11-24 *A Community of Witches* explores the beliefs and practices of Neo Paganism and Witchcraft generally known to scholars and practitioners as Wicca. While the words magic, witchcraft, and paganism evoke images of the distant past and remote cultures, this book shows that Wicca has emerged as part of a new religious movement that reflects the era in which it developed. Imported to the United States in the later 1960s from the United Kingdom, the religion absorbed into its basic fabric the social concerns of the time: feminism, environmentalism, self-development, alternative spirituality, and mistrust of authority. Helen A. Berger's ten-year participant observation study of Neo Pagans and Witches on the eastern seaboard of the United States and her collaboration on a national survey of Neo Pagans form the basis for exploring the practices, structures, and transformation of this nascent religion. Responding to scholars who suggest that Neo Paganism is merely a pseudo religion or a cultural movement because it lacks central authority and clear boundaries, Berger contends that Neo Paganism has many of the characteristics that one would expect of a religion born in late modernity: the appropriation of rituals from other cultures, a view of the universe as a cosmic whole, an emphasis on creating and re-creating the self, an intertwining of the personal and the political, and a certain playfulness. Aided by the Internet, self-published journals, and festivals and other gatherings, today's Neo Pagans communicate with one another about

social issues as well as ritual practices and magical rites This community of interest along with the aging of the original participants and the growing number of children born to Neo Pagan families is resulting in Neo Paganism developing some of the marks of a mature and established religion
