Ellsworth Kalas,2010-09-01 In the case of this book I can tell you not only when it came to birth but also where It was in a quite modest kitchen at 1506 Center Street in Sioux City Iowa over a period of years in the late 1930s On a shelf in that kitchen just above the stove was a box of cards each measuring roughly one by three inches each one containing a verse from the Bible The box was popularly referred to as

precious promises I don't know if that was the name the publisher gave to the collection or if it was the title earnest Christians had given to such verses long before an enterprising publisher organized a specific collection into printed form I only know how sacred and beloved the box was to my mother and to untold thousands of other persons at that time The verses covered a wide area of biblical teaching Many had a quality of admonition and instruction but the overall mood was one of encouragement Those who kept such a box in easy reach were sustained by the contents Some verses took on such personal significance that they were laid aside on top of the box or beside it to be looked at more often Mind you the owner of the box knew such verses by heart but there was a peculiar strength in looking at the printed form and holding it in one's hand And I might add that by the time she took her promise for the day she would already have prayed on her knees and have read a longer portion from the Bible I revered those promises because they meant so much to my parents especially my mother and because on several occasions I had seen how uniquely appropriate a particular verse proved to be at a particular time That Center Street box has now been lost for half a century or more so I can't promise that the verses I embrace in this book were all in that box The Bible verses I've included in this book are verses that have blessed me over the years and I dare to believe that some or all of them will give a lift or a thought to you Some have become significant to me in times of pain some in joy When you read this book I'm very sure you will think of a verse that is priceless to you and you'll wonder why it's not in this book The verse may mean so much to you that perhaps you will reprimand me even if kindly for not including it If you do I'll understand I'll just know that whether or not you've ever seen a box of precious promises you have discovered that there are promises that keep us And I will thank God with you that you have found it to be so J Ellsworth Kalas adapted from the foreword This book will contain a discussion guide God's Promises \* Every One Fulfilled Glen Aubrey, 2022-02-10 The history of Divine dealings with human beings is replete with promises made and promises kept In the composition of the Bible itself we read promises declared and ultimately faithfully fulfilled sometimes centuries apart The proofs are undeniable in scripture Not one promise was left undone God's fulfilled promises and His eternal love are undeniable in contemporary human history too Many of these modern examples are recorded in the accounts in this book My account is one of them True stories related here are living and lasting testimonies to the indelible fact of the follow through of God Almighty in the lives of real people proven in space and time God's reliability is not a theory a wish or an imagined dream It's real which is why it is deemed reliable The Bible is a book of redemption The Promises of God are proclaimed with one purpose to redeem human beings Belief in that truth requires faith Redemption is possible through God's grace alone As you read each true account in this book you will instantaneously recognize a definitive trend God is gracious faithful and honors His commitments each and every one all the time These stories are all about fulfillment of God's promises for our good The God of the Bible is a personal God who declared clear and unmistakable promises and fulfilled them each and every one Perhaps the greatest promise and fulfillment upon which the Christian faith rests is Jesus Christ His birth life teachings crucifixion and resurrection That

fulfilled story sets Biblical faith apart. It demands our attention and ultimately our devotion. In a day and time when so many world driven promises are uttered and left uncompleted, it is eternally reassuring that all of the Promises of God can be counted on because He Is Faithful. Trusting wholeheartedly in God's Promises is not a far fetched and hope inspired concept. It's a literal down to earth provable reality in a God who never wavers or fails. We can trust Him with every fiber of our beings.
