SYMPOSIUM

God The Son A Symposium

George Bull

God The Son A Symposium:

God the Son Robert Edward Harlow, 1974 **Let Us Pray: A Symposium on Prayer by Leading Preacher and Theologians** R. C. Sproul, John MacArthur, John Piper, Joel Beeke, Steven J. Lawson, W. Robert Godfrey, Richard D. Phillips, Hywel Jones, Michael Haykin, Phil Johnson, Bruce Bickel, 2015-03-16 When our Lord's disciples came to Him regarding prayer they did not ask Him to teach them how to pray but rather they asked Him to teach them to pray Obviously even those closest to Christ needed to learn to pray And so do we Here some of our best Bible teachers and expositors give us instruction on prayer from why we should pray to what prayer is how it ties in with God's sovereignty what it means to pray in Jesus name what it means to hallow God's name and why God is to be the focus of our prayers not ourselves These and many other topics are addressed in this helpful book God the Son Incarnate Stephen J. Wellum, 2016-11-16 Nothing is more important than what a person believes about Jesus Christ To understand Christ correctly is to understand the very heart of God Scripture and the gospel To get to the core of this belief this latest volume in the Foundations of Evangelical Theology series lays out a systematic summary of Christology from philosophical biblical and historical perspectives concluding that Jesus Christ is God the Son incarnate both fully divine and fully human Readers will learn to better know love trust and obey Christ unashamed to proclaim him as the only Lord and Savior Part of the Foundations of Evangelical Theology series Meno Plato, 1901 Son of God Garrick V. Allen, Kai Akagi, Paul Sloan, Madhavi Nevader, 2019-03-04 In antiquity son of god meaning a ruler designated by the gods to carry out their will was a title used by the Roman emperor Augustus and his successors as a way to reinforce their divinely appointed status But this title was also used by early Christians to speak about Jesus borrowing the idiom from Israelite and early Jewish discourses on monarchy This interdisciplinary volume explores what it means to be God's son's in ancient Jewish and early Christian literature Through close readings of relevant texts from multiple ancient corpora including the Hebrew Bible the New Testament the Dead Sea Scrolls Greco Roman texts and inscriptions early Christian and Islamic texts and apocalyptic literature the chapters in this volume engage a range of issues including messianism deification eschatological figures Jesus interreligious polemics and the Roman and Jewish backgrounds of early Christianity and the authors of the Dead Sea Scrolls The essays in this collection demonstrate that divine sonship is an ideal prism through which to better understand the deep interrelationship of ancient religions and their politics of kingship and divinity In addition to the editors the contributors to this volume include Richard Bauckham Max Botner George J Brooke Jan Joosten Menahem Kister Reinhard Kratz Mateusz Kusio Michael A Lyons Matthew V Novenson Michael Peppard Sarah Whittle and N T Wright **The End of the Timeless God** R. T. Mullins, 2016-01-07 The claim that God is timeless has been the majority view throughout church history However it is not obvious that divine timelessness is compatible with fundamental Christian doctrines such as creation and incarnation Theologians have long been aware of the conflict between divine timelessness and Christian doctrine and various solutions to

these conflicts have been developed In contemporary thought it is widely agreed that new theories on the nature of time can further help solve these conflicts Do these solutions actually solve the conflict Can the Christian God be timeless The End of the Timeless God sets forth a thorough investigation into the Christian understanding of God and the God world relationship It argues that the Christian God cannot be timeless **Christian Philosophical Theology** Stephen T. Davis,2006-03-16 Christian Philosophical Theology constitutes a Christian philosopher s look at various crucial topics in Christian theology including belief in God the nature of God the Trinity christology the resurrection of Jesus the general resurrection redemption and theological method The book is tightly argued and amounts to a coherent explanation of and case for the Christian world view Although written from a broadly Reformed Protestant perspective and although the author does not avoid controversial topics the aim is to present a merely Christian world view to adapt slightly C S Lewis s famous term That is Stephen T Davis attempts to write as much as possible from the perspective of the broad centre of Christian understanding

Fifth Symposium Syriacum René Lavenant,1990 *Defensio Fidei Nicænæ: On the pre-existence of the Son of God (Book I.) ; On the consubstantiality of the Son (Book II.)* George Bull,1851 The Provo International Conference on the Dead Sea Scrolls Donald Parry,Eugene Ulrich,2018-12-24 This volume contains the published proceedings of the conference on the Dead Sea Scrolls held at Provo Utah July 15 17 1996 Forty three articles all dealing with various aspects of the Scrolls are placed under the following divisions Technology Editions and Analyses of Texts The Qumran Community Calendar Levi and the Priesthood Messianism and Eschatology and Wisdom and Liturgy The volume offers the most recent scholarship on a number of issues and topics pertaining to the Qumran community newly translated biblical and non biblical texts and technological advances that assist scholars and researchers in accessing and studying the scrolls The section that pertains to technology for example focuses on DNA techniques to analyze Scroll fragments and an imaging radar system that has archaeological applications to Qumran and its environs Another section addresses the question of how and where the Qumranites lived and speaks concerning Qumran names Jesus, Son of God, Son of Mary, Immanuel Donald J. Goergen,2003-09-04 Texts and Culture in Late Antiquity J. H. D. Scourfield,2007-12-31 Late Antiquity has increasingly been viewed as a period of transformation and dynamic change in its literature as in society and politics In this volume thirteen scholars focus on the intellectual and literary culture of the time investigating complex relationships between late Antique authors and the texts which they had inherited through the classical pagan and Christian traditions Particular emphasis is placed on works that carried special authority Homer Virgil Plato and the Bible The volume thus contributes to the history of the reception of classical texts and through its inclusiveness classical and classicizing philosophical and patristic writing are all represented seeks to offer a view of the textual world of late Antiquity as a unified whole It affords a scholarly introduction to a sweep of late Antique literature in Greek and Latin Authors and genres discussed include Juvenius and Claudian Plotinus and Proclus Jerome and John Cassian geographical and grammatical writing and Christian cento

Friends' Intelligencer ,1906 **The Presbyterian** ,1906 The Resurrection of the Son of God Nicholas Thomas Wright,2003 Why did Christianity begin and why did it take the shape it did To answer this question which any historian must face renowned New Testament scholar N T Wright focuses on the key points what precisely happened at Easter What did the early Christians mean when they said that Jesus of Nazareth had been raised from the dead What can be said today about this belief This book third in Wright s series Christian Origins and the Question of God sketches a map of ancient beliefs about life after death in both the Greco Roman and Jewish worlds It then highlights the fact that the early Christians belief about the afterlife belonged firmly on the Jewish spectrum while introducing several new mutations and sharper definitions This together with other features of early Christianity forces the historian to read the Easter narratives in the gospels not simply as late rationalizations of early Christian spirituality but as accounts of two actual events the empty tomb of Jesus and his appearances How do we explain these phenomena The early Christians answer was that Jesus had indeed been bodily raised from the dead that was why they hailed him as the messianic son of God No modern historian has come up with a more convincing explanation Facing this question we are confronted to this day with the most central issues of the Christian worldview and theology Northwestern Christian Advocate ,1904 *Sophia-Maria* Thomas Schipflinger,1998-01-01 Thomas Schipflinger traces the concept of Sophia Holy Wisdom throughout history in Scripture art and literature in the writing of Sophia scholars in Russian iconography and architecture and in the images and incarnations of Sophia in Eastern traditions The common thread running throughout the work is the belief that Sophia appears as the Virgin Mary **God, Sex, and Gender** Adrian Thatcher,2011-05-02 Engagingly and clearly written by a highly respected theologian God Sex and Gender is the first comprehensive introduction to a theology of both sexuality and gender available in a single volume Makes a theological contribution to understanding the unprecedented changes in sexual and gender relationships of the last fifty years Discusses many topics including sexual difference sexual equality gender and power the nature of desire the future of marriage in Christian sexual ethics homosexuality and same sex unions the problems of sexual minorities contraception in a time of HIV AIDS the separation of sexual experience from marriage and offers new arguments for marriage and for chastity Offers a consistent and engaging introduction at the cutting edge of theological inquiry which is contemporary undogmatic questioning and relevant to readers experience interests and needs Written lucidly and engagingly by an established and respected academic who has published widely in this area *Introducing the New Testament* Paul J. Achtemeier,Joel B. Green,Marianne Meye Thompson,2001-08-10 Explores the literature of the New Testament of the Bible highlighting the many messages contained within the text and outlining issues that can be discussed by heralding these messages Also provides background of the time period and locations in which the New Testament was written **Bishop Bull's Works on the Trinity. (vol. 1, 2. Defensio fidei Nicænæ. A defence of the Nicene Creed ... A new translation.-vol. 3. The Judgment of the Catholic Church on the necessity of believing that our Lord Jesus Christ is very God; The**

Primitive and Apostolic Tradition of the Doctrine concerning the Divinity of our Saviour Jesus Christ; and Brief Animadversions on a Treatise of Mr. Gilbert Clerke ... A new translation.). George Bull, 1851
