eat as you are told in this book and your family will be so pleased that you can take care of them and find time for yourself So do what s important for you to bring more stability and a more active energized outgoing mother that brings balance to the family and you will have more energy to do what you could not do before you lost the pound for the journey *Safe Here In God's Shadow* June Judd,2016-02-12 She was just a child the first time she heard the gentle guiding voice of God but that was just the beginning God became a constant in her life and she depended on Him to be there for her The author reminds us that God was there not because she was good or holy but because she needed Him She is no better than anyone else and she is a sinner who deserves nothing Safe Here in God s Shadow is a love story the story of a loving God and the story of love found because of Him This book is a reminder that life isn t without adversity but that God is there with us through good times and bad **A Deep Dark Cry in Christ** Felisha Augusta,2016-06-22 This story is about a young lady very close to me that has been in the valley in the area of marriage This young lady does not only have a calling on her life but also has faced different challenges along the way in her walk with Christ The Lord allows Ann to see the true colors of the people around her to teach her valuable lessons that she will need in order to be prepared for her assignment This also touches on some wisdom that I learned as well This here is a story dear to my heart and I take it seriously I want to be a voice to encourage you direct you to let God move in your lives and confirm things if you are or have been in certain circumstances Let God have his way in your minds as you read this
