Hurting people ask heart felt questions about God and suffering Some answers they receive appeal to mystery God's ways are not our ways Some answers say God allows evil for a greater purpose Some say evil is God's punishment The usual answers fail They don't support the truth that God loves everyone all the time God Can't gives a believable answer to why a good and powerful God doesn't prevent evil Author Thomas Jay Oord says God's love is inherently uncontrolling God loves everyone and everything so God can't control anyone or anything This means God cannot prevent evil singlehandedly God can't stop evildoers whether human animal organism or inanimate objects and forces In God Can't Oord gives a plausible reason why some are healed but many others are not God always works to heal everyone but sometimes our bodies organisms or other creatures do not cooperate with God's healing work Or the conditions of creation are not right for the healing God wants to do Some people think God causes or allows suffering to teach us lessons or build our character God Can't disagrees Oord says God squeezes good from the evil God didn't want in the first place God uses pain and suffering without willing or even allowing it Most people think God can overcome evil singlehandedly In God Can't Oord says God needs cooperation for love to reign now and later This leads to a better view of the afterlife called relentless love It rejects traditional ideas of heaven hell and annihilation Relentless love holds to the possibility all creatures and all creation will respond to God's love God Can't is written in understandable language As a world renown theologian Thomas Jay Oord brings credibility to the book's radical ideas He explains these ideas through true stories illustrations and scripture God Can't is for those who want answers to tragedy abuse and other evils that make sense What They're Saying If conventional notions of God make less and less sense to you you'll find Thomas Jay Oord's new book a breath of fresh air Simply put God Can't presents an understanding of God that thoughtful ethical people can believe in Brian D McLaren author of The Great Spiritual Migration I did not want this book to end I wish Dr Oord had written it 100 years ago or 1000 years ago To find your understanding of life and your love for God renewed read this book Dr Karen Strand Winslow Ph D Biblical and Jewish Studies Professor of Bible Azusa Pacific University As a clinical psychologist working with people in trauma I owe Thomas Jay Oord an enormous debt of gratitude for recasting the so called problem of evil in terms that are conceptually satisfying theologically consistent and pastorally liberating Dr Roger Bretherton Principal Lecturer at the University of Lincoln UK Chair of the British Association of Christians in Psychology Victims of trauma sometimes hear theological responses that imply their suffering is somehow God's will A more careful theological reflection on the nature of the power of a God who is love can help Oord gives us a clear and compelling alternative in this profoundly insightful and admirably concrete and accessible book Dr Anna Case Winters Professor of Theology at McCormick Theological Seminary I know of no book that speaks to suffering with the depth of theological sophistication and psychological sensitivity as God Can't This book is a rare combination of depth and accessibility truly written for the wounded I recommend it to my students parishioners and therapy

clients Dr Brad D Strawn Professor of the Integration of Psychology and Theology Fuller Theological Seminary *Letters and Papers from Prison* Dietrich Bonhoeffer, Isabel Best, John W. de Gruchy, Lisa E. Dahill, 2010-06-01 Despite Dietrich Bonhoeffer's earlier theological achievements and writings it was his correspondence and notes from prison that electrified the postwar world six years after his death in 1945 The materials gathered and selected by his friend Eberhard Bethge in *Letters and Papers from Prison* not only brought Bonhoeffer to a wide and appreciative readership especially in North America they also introduced to a broad readership his novel and exciting ideas of religionless Christianity his open and honest theological appraisal of Christian doctrines and his sturdy if sorely tried faith in face of uncertainty and doubt This splendid volume in many ways the capstone of the Dietrich Bonhoeffer Works is the first unabridged collection of Bonhoeffer's 1933-1945 prison letters and theological writings Here are over 200 documents that include extensive correspondence with his family and Eberhard Bethge much of it in English for the first time as well as his theological notes and his prison poems The volume offers an illuminating introduction by editor John de Gruchy and an historical Afterword by the editors of the original German volume Christian Gremmels Eberhard Bethge and Renate Bethge *HOW TO USE GOD'S LIFETIME WARRANTY IN YOUR MARRIAGE* Dr. Amos Adeniyi, 2014-08-28 The idea to write fictional letters to marital couples on how to use God's lifetime warranty on their marriages came into being in the process of a sermon preparation as a guest pastor for a local church in November 2011 I prayed about which message to deliver for many days About two days before Sunday I had a dream that a young lady participated during my sermon After the sermon her family greeted me well and said I made her speak in public for the first time and I gave her the encouragement that she needs for the rest of her life Then I woke up On the actual Sunday service during the sermon I asked the congregation how many of them had a dog or a cat A young lady a 17 year old said she had a cat I asked if she ever took her cat for a walk she said no I asked why not She replied Nobody does Then I said people take their dogs for walks but this does not mean that dogs are more important or better than cats Cats have their own usefulness God who created us knows that we are not the same and that we cannot function in the same way One should not be boasting that s/he is better than the other After the service the grandfather of the cat owner who spoke during my sermon and her aunt came to me and thanked me for the opportunity given to the young lady to talk for the first time in public which would enable her to express herself publicly When I was praying at home after the sermon I had the feeling that God wanted me to tell people to try out what seems to be unusual for them It has been my concern for many years that many couples don't take their wedding vows seriously It is affecting children a great deal many children have two or three stepparents Those children without stepparents seem to be the odd ones among their peers In Canada about 50% of first marriages may likely end up in divorce One may presume that the rate of divorce in second marriages would be lower but instead it is higher at 72% while third marriages have the highest divorce rate of 85% Comparative Annual Divorce Rate in Canada Similarly in America the first marriage divorce rate ranges from 41-50% second marriage divorce rate is between

60 67% and third marriage is between 73 74% Information on Divorce Rate and Statistics This book is fictional The stories are not real stories They are about my past experiences with heterosexual couples in my counseling or pastoral care I do not have a particular person or couple in mind No names in the book are real names If anybody's name or any couples have the same names as used in the book I would like them to know that I am not telling their particular story or using them as an example The Holy Spirit inspired the writers of the bible stories instructions messages and the same Holy Spirit is still talking to us today I believe I was inspired to write the book I will encourage anyone or couple whose story or stories are similar to what's in the book not to be too critical but to take it the book as a means through which God is speaking to them to change No marriage is too bad that God cannot change for better Don't fold your arms and accept your troubled marriage as a done deal I will advise the readers to call upon the author of marriage God through Jesus Christ to fix their marriages He is able Since the idea of letter writing is becoming obsolete one may be wondering why letters to marital couples and not email text or any other modern means of communication Letter writing is an old form of communication which is to inform correct and educate In the New Testament there are many letters written by Paul the apostle and others to individuals and churches to deal with issues circumstances and problems faced by the recipients We never read about their responses or their initial letters to the Apostles Similarly only letters written to the couples are featured in this book Most of the Letters in this book are long term correspondence with the imaginary couples The objectives of the letters are to 1 Encourage couples not to give up on their dream of having a successful marriage and to continue fighting until the victory is won 2 Enable the counsellors pastors to keep their counselees hope alive as long as they are still interested in counselling 3 Help families and friends to keep on supporting the couples in crises Note that some of the letters end with prayer while some didn't The idea is we don't have to impose prayer on people Praying with people is as important as praying for people in absentia We need permission to pray with people but we don't need permission to pray for people while they are not there In both my pastoral and counselling ministries the most prevalent issues are marriage and family matters This book thus serves as a handbook to help couples in crises or prevent couples from getting into a marital mess It can be used in marriage enrichment groups or as a counsellor Pastor's handbook The group Leaders Counsellors or Pastors should not use the book as a weapon of judgment against anyone but as a means of correction and education The book is calling people who just want a family and not a marriage Many couples lose love in their marriages Love is the greatest gift God gives to people but many people do not accept it They choose anger instead of peace or love from God The book is calling the readers who are making wrong decisions for wrong reasons We should not let bitterness anger frustration alcohol drugs etc ruin our marital relationships The principles of marital solutions in the book focus on God May God bless you as you read the it Shalom Life in God's World Life Is for Ever Jamie LR,2011-02-15 This book will strengthen the faith of God's followers and will help those find their way to God and to inspire more people to find peace and joy from God just for loving God from the pure heart This book

Even God would love to own a copy. **Doubt Busters** Steve Husting, 2017-10-21. This massive compilation of 140 Christian questions and answers goes from the interesting "How can you believe a dead man came back to life?" to the incendiary "Why does God hate homosexuals?" to the irritating "How many angels can dance on the head of a pin?" These age-old difficulties have caused many people to question the Christian faith. They are tough questions, but they have solid, satisfying answers that can banish your doubts. This handy volume covers the material with a friendly, readable style using personal anecdotes, real-life stories, and analogies from nature. The author drew from his years of teaching God's Word and writing devotionals to write plainly and root his answers in the Word of God. This book will help you confront hidden biases and see how our culture warps God's message. Gain more confidence about the reasonableness of the Christian faith. Remove crippling doubts about the trustworthiness of the Scriptures. Share your faith and take a stand. *In Search of God's Will* Trevor

Hudson, 2024-11-05. Have You Ever Asked What Is God's Will for My Life? A trusted voice of the Christian faith in spiritual formation and discipleship, deeply shaped by the wisdom of Dallas Willard and St. Ignatius, Trevor Hudson has crafted a user's guide to discern God's personal will for our lives. After serving the local congregation as a Methodist pastor in South Africa for almost fifty years, Trevor now lectures, teaches, and offers spiritual retreats both locally and internationally. Over the years, this question about discerning God's will is one that he has heard again and again. *In Search of God's Will* creates a biblical imagination around the concept of discernment and provides practical ways to discern God's personal will for your life, ultimately helping you to become the unique person God wants you to be. You'll be equipped and encouraged in your faith on how to align your heart with the heart of God, attune yourself to your calling, listen to God in Scripture, pray the Scriptures, pay attention to the movements of the Spirit in your heart, uncover and exercise your God-given giftedness, notice God's presence and activity in daily life, engage in sacred conversations with trusted companions, make faithful decisions, take the initiative when God seems silent, and more. Each concept includes a discernment exercise so that you can experience what you are learning. If you have ever wondered about God's personal will for your life, how your desires and God's desires intersect, and how God is present and active around you, *In Search of God's Will* can help you catch glimpses of what it means to become the person that from eternity you were destined to be. **Discovering God's Will Study Guide** Andy

Confessions of a Heretic Eric Leland Saak, 2025-06-15 This book is the second of a planned three volume systematic theology under the title Confessions of a Heretic Volume One which has the subtitle Philosophical Considerations was published by Archway in 2024 The project now turns to Theological Considerations with the forthcoming Volume Three being Ecclesiological Consideration Organized into three Parts Volume Two focuses on the theological endeavor and the doctrines distinctive to Christianity namely the Trinity Jesus Christ sin and salvation Based on the foundational distinctions and definitions explicated in Volume One the current volume seeks to ask what the philosophical considerations imply for basic traditional understandings and terminology of Christian theology including that of Jesus of Nazareth his crucifixion and resurrection The project as a whole adopts a trinitarian structure with this second volume focused on God the Son or as here termed God the Perfector The argument is that Christian Theology needs to shift from an anthropocentric to a theocentric approach recognizing human beings simply as creatures and having the courage to face what that entails Yet doing so necessitates a radical reconceptualization of the very foundations of Christian Theology itself in the attempt to combat idolatry
